## **Biography King David:**

**King David** ,1699      **King David** Steven L. McKenzie,2023 This is a critical biography of the biblical figure of David concluding that he was a real person and an important historical figure However this reading of the biblical text concludes that he was a very different figure to that popularly supposed      **King David: A Biography and Devotional Commentary** David Mills,2014-04-19 A biography of King David is created by collecting stories from various parts of the Bible and putting them in chronological order Personal comments on the meaning and relevance of the biography are made from a Christian viewpoint      The Story of King David ,1989      **David** F.B. Meyer,2002-01-01 In this book English minister F B Meyer relates the story of David in a way that reveals practical truths for Christian living Meyer explores David s role as a musician the ancestor of Christ a shepherd and a man after God s own heart He shows how David s life can be an encouragement for Christians today      *David: Shepherd, Psalmist, King - A Biblical Biography* F. B. Meyer,2018-07-24 Meyer s spirited and moving account of the life of King David follows the progress of David from humble shepherd to glorious king of Israel and Judah The story of David s life and rise from modest beginnings is one of the most celebrated in the Old Testament tradition This book is an attempt by F B Meyer to tell the story of David with a sequential and lively narrative with the Bible as a source Meyer s account is readable colorful and thoroughly rooted in the authentic Biblical canon We first see David as a bright courageous young lad who ascends from obscurity to fame and renown by fighting and defeating the great Goliath Not merely a great leader David takes to authoring a great series of sacred songs and hymns celebrating life and the Lord His wise leadership which increased the influence of Judaism and its interpretation of God led David to become one of the most important figures in the Holy Bible      Story of King David David M. Gunn,1978-08-01 Gunn sets out his aim in this book to foster a fresh understanding of the narrative about David in 2 Samuel and 1 Kings commonly known as the Succession Narrative by arguing for its fuller appreciation of its nature as a story Gunn reviews the different hypotheses on the genre of the so called Court History Succession Narrative and concludes that the purpose of this story is to entertain The work is to be considered primarily artistic and literary and the rhetorical devices in the story are reliant on traditional motifs and devices

**King David** Jonathan Kirsch,2009-07-22 David King of the Jews possessed every flaw and failing a mortal is capable of yet men and women adored him and God showered him with many more blessings than he did Abraham or Moses His sexual appetite and prowess were matched only by his violence both on the battlefield and in the bedroom A charismatic leader exalted as a man after God s own heart he was also capable of deep cunning deceit and betrayal Now in *King David The Real Life of the Man Who Ruled Israel* bestselling author Jonathan Kirsch reveals this commanding individual in all his glory and fallibility In a taut dramatic narrative Kirsch brings new depth and psychological complexity to the familiar events of David s life his slaying of the giant Goliath and his swift challenge to the weak rule of Saul the first Jewish king his tragic relationship with Saul s son Jonathan David s cherished friend and possibly lover his celebrated reign in Jerusalem where his dynasty

would hold sway for generations Yet for all his greatness David was also a man in thrall to his passions a voracious lover who secured the favors of his beautiful mistress Bathsheba by secretly arranging the death of her innocent husband a merciless warrior who triumphed through cruelty a troubled father who failed to protect his daughter from rape and whose beloved son Absalom rose against him in armed insurrection Weaving together biblical texts with centuries of interpretation and commentary Jonathan Kirsch brings King David to life in these pages with extraordinary freshness intimacy and vividness of detail At the center of this inspiring narrative stands a hero of flesh and blood not the cartoon giant slayer of sermons and Sunday school stories or the immaculate ruler of legend and art but a magnetic disturbingly familiar man a man as vibrant and compelling today as he has been for millennia

*Giants, Kings, and Psalms* Dr. Steve R. Parr, 2023-02-22 Do you enjoy reading moving stories packed with adventure romance and intrigue More importantly do you enjoy reading things that make the Bible more understandable and relatable to help you to grow spiritually What if you could get all of that from one book That is what *Giants Kings and Psalms* has done Imagine reading the dramatic chronological narrative of the life of Israel's King David while also enjoying the psalms in context of the events of his life But it is more than an adventure and is superior to a biography The format of this book allows the reader to see so much more than the three or four more commonly known events in David's life In addition the author has taken the psalms and placed them when possible in context of the historical events that took place allowing the reader to seamlessly read the book of Psalms in context of the events in David's life Your reading experience will be much easier since everything is placed in order for you This book is going to speak to your life draw you closer to the Lord and give you enjoyment as you journey alongside David's life and the psalms from beginning to end You will also encounter some giants along the way and did you know Goliath was not the only one

*David* George M. Crumpler, 2004-10-01 More than a biography of the Hebrew King David this book covers the period from just before the death of Eli through the ascension of Solomon to the throne a period of about eighty years The author uses extensive quotes from the Bible to support his story However he goes beyond a mere retelling of the events and takes the reader inside the mind and psyche of the characters of this epoch of biblical history One can feel the anguish that Samuel goes through when the Hebrew elders demand of him that he appoint a king over them as the other nations have The author takes us deep into the connection between God and man as he weaves a story around the biblical passages and characters Throughout the book key themes and concepts are explored and expanded upon to give the reader an insightful view into the lives of the people portrayed in the Bible
