Biological Politics Feminist And Anti Feminist Perspectives:

Biological Politics Janet Sayers,1982 Feminist Perspectives in Philosophy Morwenna Griffiths,Margaret Whitford,1988 excellent Especially insightful are articles on ethics and gender autonomy and pornography feelings and a responsible and democratic epistemology Choice The essays in this book introduce to American readers the work of a group of British feminist philosophers representing both the Continental and the analytic traditions who argue that philosophy is in urgent need of a feminist perspective **Biological and Feminism** Lynn Hankinson Nelson,2017-09-07 A balanced and accessible introduction to the engagements that feminist scientists and science scholars undertake with a variety of biological sciences Feminism and Evolutionary Biology Patricia Gowaty,2012-12-06 Standing at the intersection of evolutionary biology and feminist theory is a large audience interested in the questions one field raises for the other Have evolutionary biologists worked largely or strictly within a masculine paradigm seeing males as evolving and females as merely reacting passively or carried along with the tide Would our view of nature red in tooth in claw be different if women had played a larger role in the creation of evolutionary theory and through education in its transmission to younger generations Is there any such thing as a feminist science or feminist methodology For feminists does any kind of biological determinism undermine their contention that gender roles purely constructed not inherent in the human species Does the study of animals have anything to say to those preoccupied with the evolution and behavior of humans All these questions and many more are addressed by this book whose contributing authors include leading scholars in both feminism and evolutionary biology Bound to be controversial this book is addressed to evolutionary biologists and to feminists and to the large number of people interested in women s studies *World Yearbook of Education 1984* Sandra Acker,Jacquetta Megarry,Stanley Nisbet,Eric Hoyle,2013-03-07 Published in the year 2005 World Yearbook of Education 1984 is a valuable contribution to the field of Major Works **The Eternally Wounded Woman** Patricia Anne Vertinsky,1990 *Feminism and the Contradictions of Oppression* Caroline Ramazanoglu,2012-10-12 *Feminism and the Contradictions of Oppression* is a penetrating and comprehensive study of the development of feminism over the last thirty years The first part of this major new textbook examines feminist theory and feminist political strategy The second section examines how contradictions of class race subculture and sexuality divide women The final part explores ways out of the impasse This level headed and challenging book is one of the most notable contributions to feminism in recent years **The Female Body and the Law** Zillah R. Eisenstein,2024-06-04 *The Female Body and the Law* provides an original and incisive reexamination of the dynamics of sexual equality Eisenstein contends that sexual inequality is fostered both by the law and by the insistence that men and women are biologically different Through a fascinating discussion of a series of issues including affirmative action AIDS Baby M pornography and abortion Eisenstein shows how the law operates as a political language that establishes and curtails choices and actions This title is part of UC Press s Voices Revived program which commemorates University of

California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990

Feminism Without Illusions Elizabeth Fox-Genovese,1991 In arguing that feminism has neither adequately acknowledged its ties to individualism nor squarely faced the extent to which many of its campaigns for social justice are based on the insistence of rights for the individual over good of the community thi

Between Feminism and Psychoanalysis Teresa Brennan,2002-03-11 In this landmark collection of original essays outstanding feminist critics in Britain France and the United States present new perspectives on feminism and psychoanalysis opening out deadlocked debates The discussion ranges widely with contributions from feminists identified with different often opposed views on psychoanalytic criticism The contributors reassess the history of Lacanian psychoanalysis and feminism and explore the significance of its institutional context They write against the received views on French feminism and essentialism A remarkable restatement of current positions within psychoanalysis and feminism the volume as a whole will change the terms of existing debates and make its arguments and concerns more generally accessible

Engels Today Christopher J. Arthur,2016-07-27 Engels Today marks the centenary of Frederick Engels death through a collection of papers engaging with the thought of Marx's only close collaborator who was influential in his own right as well as in his attempted popularisation of Marxism Specialists in different disciplines here address what is still alive in Engels contributions to them they discuss matters that remain influential or controversial in the works of this great socialist and thinker relating to Nature Science Women Revolution Democracy Economics Materialism and Class

Test-Tube Women Rita Arditti,Renate Duelli Klein,Shelley Minden,2024-11-20 Originally published in 1984 when new reproductive technologies were just beginning to become part of the public discussion this edition was published with a new preface in 1989 The Editors wanted to look carefully at how much real choice reproductive technologies offered to women Genetic engineering sperm banks test tube fertilization sex selection surrogate mothering experimentation in the so called third world increased technological intervention in childbirth were we taking pregnancy and the birth process out of the dark ages or into a terrifying brave new world They ask who controls it Who benefits The technological machine grinds on in headline grabbing leaps or in quiet developments in research laboratories but what are the implications for women worldwide Still a huge industry today this reissue can be read in its historical context

[Looking for a Few Good Males](#) Erika L. Milam,2010-01-29 Approaching the topic from both biological and animal studies perspectives Milam not only presents a broad history of sexual selection from Darwin to sociobiology but also analyzes the animal human continuum from the perspectives of sex evolution and behavior She asks how social and cultural assumptions influence human animal research and wonders about the implications of gender on scientific outcomes

Feminist Critical Policy Analysis I Catherine Marshall,2020-09-23 This text sets out to challenge the traditional power basis of the policy decision makers in education It contests that others who have

an equal right to be consulted and have their opinions known have been silenced declared irrelevant postponed and otherwise ignored Policies have thus been formed and implemented without even a cursory feminist critical glance The chapters in this text illustrate how to incorporate critical and feminist lenses and thus create policies to meet the lived realities the needs aspirations and values of women and girls A particular focus is the primary and secondary sectors of education
