Monthly Catalog of United States Government Publications ,2004 **Monthly Catalogue, United States Public Documents** ,1992 *The Liberal Heartland* Jon K. Lauck, Catherine McNicol Stock, 2025-04-29 Over the last two decades the political narrative of the liberal coasts and the conservative heartland has become something of a truism leading many Democrats to write off much of the Midwest as a Republican stronghold Today s polarized divide between rural and urban voters makes it easy to forget that things have not always been this way The Liberal Heartland is a powerful reminder that the American Midwest has a progressive legacy that rivals the coasts Across twenty chapters The Liberal Heartland traces the political history of this region from the post New Deal period to the rise of the New Right and Donald Trump s right wing populism The contributors explore the way liberals and progressives across the Midwest fought for expanding environmental protection engaged in community activism developed a queer labor coalition before Stonewall struggled for women s rights and representation in the Great Plains states opposed the death penalty and mobilized for Indigenous self determination among other topics In addition to well known leaders like Harry Truman and George McGovern the book highlights lesser known figures such as Lydia Cady Langer Mary Jean Collins Richard Hatcher Jim Jontz and Paul Wellstone A companion to the 2020 volume The Conservative Heartland The Liberal Heartland explores the history of the Midwest from a less acknowledged perspective recounting often forgotten stories that demonstrate the importance of the Midwest for New Deal liberalism and various forms of left wing politics This is a long overdue book that represents a fresh look at the American heartland **Federal Register** ,1992-04-20 *Catalog of Federal Domestic Assistance* ,1991 Identifies and describes specific government assistance opportunities such as loans grants counseling and procurement contracts available under many agencies and programs Higher Education ,1952 *Boston Directory* ,1873 **Monthly Catalog of United States Government Publications** United States.
