Richard J. Evans

Art In Vienna 1898 1918:

Art in Vienna, 1898-1918 Peter Vergo, 1981 [SACRED SPRING] ; THE SACRED SPRING. THE ARTS IN VIENNA, 1898-1918. BY NICOLAS POWELL. WITH AN INTRODUCTION TO THE CULTURAL BACKGROUND BY ADOLF OPEL. LONDON: STUDIO VISTA 1974. 224 S.: ILL. Nicolas Powell, 1974 **Vienna and the Jews, 1867-1938** Steven Beller, 1989 This book studies the role played by Jews in the explosion of cultural innovation in Vienna at the turn of the century which had its roots in the years following the Ausgleich of 1867 and its demise in the sweeping events of the 1930s The author shows that in terms of personnel Jews were predominant throughout most of Viennese high culture and so any attempts to dismiss the Jewish aspect of the intelligentsia are refuted The book goes on to explain this Jewish aspect dismissing any unitary static model and adopting a historical approach that sees the Jewishness of Viennese modern culture as a result of the specific Jewish backgrounds of most of the leading cultural figures and their reactions to being Jewish Alois Riegl in Vienna 1875-1905 Dr Diana Reynolds Cordileone, 2014-02-14 In Alois Riegl in Vienna 1875 1905 Diana Cordileone applies standard methods of cultural and intellectual history for close readings of Riegl's published texts several of which are still unavailable in English Using archival and other primary sources this study also illuminates the institutional conflicts and imperatives that shaped Riegl's oeuvre The result is a multi-layered philosophical cultural and institutional history of this art historian's work of the fin de siècle that demonstrates his close relationship to several of the significant actors in Vienna at the end of the nineteenth century **"Textiles, Fashion, and Design Reform in Austria-Hungary Before the First World War"** Rebecca Houze, 2017-07-05 Filling a critical gap in Vienna 1900 studies this book offers a new reading of fin de siècle culture in the Austro-Hungarian Monarchy by looking at the unusual and widespread preoccupation with embroidery fabrics clothing and fashion both literally and metaphorically The author resurrects lesser known critics practitioners and curators from obscurity while also discussing the textile interests of better known figures notably Gottfried Semper and Alois Riegl Spanning the 50 year life of the Dual Monarchy this study uncovers new territory in the history of art history insists on the crucial place of women within modernism and broadens the cultural history of Habsburg Central Europe by revealing the complex relationships among art history women and Austria-Hungary Rebecca Houze surveys a wide range of materials from craft and folk art to industrial design and includes overlooked sources from fashion magazines to World's Fair maps from exhibition catalogues to museum lectures from feminist journals to ethnographic collections Restoring women to their place at the intersection of intellectual and artistic debates of the time this book weaves together discourses of the academic scientific and commercial design communities with middle class life as expressed through popular culture **Vienna** Tag Gronberg, 2007 In Vienna at the turn of the twentieth century the question of what it meant to be modern was a heated topic of debate Focusing on interior design fashion and photography as well as on painting and architecture this study casts fresh light on the vital role of the arts in these debates The new art and literature was crucial in defining a distinctive Viennese

modernity while at the same time challenging preconceptions about modern urban life Many artists and writers produced work that questioned and undermined oppositions between city and country interior spaces and panoramic views masculinity and femininity Issues of gender and the representation of the body were particularly important in establishing professional identities for some of Vienna's most prominent figures including the Secessionist painters Gustav Klimt and Carl Moll designers such as Adolf Loos and Emilie Flöge as well as the poet and feuilletonist Peter Altenberg Intellectual life in turn of the century Vienna has often been characterised as a retreat from the public sphere This book demonstrates how even in its ostensibly most private manifestations Viennese Modernism involved a highly performative set of practices aimed at an international audience

The First Moderns William R. Everdell, 2009-02-15 A lively and accessible history of Modernism The First Moderns is filled with portraits of genius and intellectual breakthroughs that richly evoke the fin de siècle atmosphere of Paris Vienna St Louis and St Petersburg William Everdell offers readers an invigorating look at the unfolding of an age This exceptionally wide ranging history is chock a block with anecdotes factoids odd juxtapositions and useful insights Most impressive For anyone interested in learning about late 19th and early 20th century imaginative thought this engagingly written book is a good place to start Washington Post Book World The First Moderns brilliantly maps the beginning of a path at whose end loom as many diasporas as there are men Frederic Morton The Los Angeles Times Book Review In this truly exciting study of the origins of modernist thought poet and teacher Everdell roams freely across disciplinary lines A brilliant book that will prove useful to scholars and generalists for years to come enthusiastically recommended Library Journal starred review Everdell has performed a rare service for his readers Dispelling much of the current nonsense about postmodernism this book belongs on the very short list of profound works of cultural analysis Booklist Innovative and impressive Everdell has written a marvelous erudite and readable study Mark Bevir Spectator A richly eclectic history of the dawn of a new era in painting music literature mathematics physics genetics neuroscience psychiatry and philosophy Margaret Wertheim New Scientist Everdell has himself recombined the parts of our era's intellectual history in new and startling ways shedding light for which the reader of The First Moderns will be eternally grateful Hugh Kenner The New York Times Book Review Everdell shows how the idea of modernity arose before the First World War by telling the stories of heroes such as T S Eliot Max Planck and Georges Serault with such a lively eye for detail irony and ambiance that you feel as if you're reliving those miraculous years Jon Spayde Utne Reader

Journeys Into Madness Gemma Blackshaw, Sabine Wieber, 2012-06-01 At the turn of the century Sigmund Freud's investigation of the mind represented a particular journey into mental illness but it was not the only exploration of this territory in the Austro-Hungarian Empire Sanatoriums were the new tourism destinations psychiatrists were collecting art works produced by patients and writers were developing innovative literary techniques to convey a character's interior life This collection of essays uses the framework of journeys in order to highlight the diverse artistic cultural and medical responses to a peculiarly

Viennese anxiety about the madness of modern times The travellers of these journeys vary from patients to doctors artists to writers architects to composers and royalty to tourists in engaging with their histories the contributors reveal the different ways in which madness was experienced and represented in Vienna 1900

Art Nouveau Jeremy Howard, 1996 This critical survey of the Art Nouveau movement reveals the diversity of this style across the breadth of the European continent With the inclusion of Eastern Europe and the full range of artistic media the book shows how this movement changed the face of European art and design from Paris to Prague Clearly structured by country it traces the emergence of Art Nouveau highlighting the particular interpretations of the style in each country Countries covered include Belgium Spain Britain Austria Hungary and Russia Each chapter contains sections on political and cultural contexts specific visual characteristics and key artists and designers It analyzes the contribution of both well known artists and designers such as Gaudi Van de Velde Mackintosh and Mucha and brings to light many others whose contributions have been largely inaccessible With a bibliography and glossary this text should provide a useful introduction to this subject

Movement, Manifesto, Melee Milton A. Cohen, 2004-01-01 The years before World War I were a fertile period for artists in Europe and the United States who were challenging aesthetic convention in music writing and the visual arts These early pioneers of modernism sometimes preferred to work alone but just as often they were associated with groups whose boundaries were permeable and freely changing While these individual groups including the Futurists Imagists Blue Rider and the Second Vienna School have been thoroughly studied scholars of the period have often neglected the formative and pervasive interactions of these groups across geographic and artistic boundaries Providing a historical

taxonomy of this influential milieu Milton Cohen demonstrates how these groups were largely responsible for the artistic innovation and nearly all the avant garde agitation and major events of these years With concluding appendices intended for scholars and specialists this engagingly written book will be useful not only for classroom use and scholarly research but will appeal to anyone interested in reading a fresh approach to the history of early modernism Modernism at the Barricades Stephen Eric Bronner,2012 Stephen Eric Bronner reads the artistic and intellectual achievements of the modernist project s leading figures against larger social political and cultural trends and follows the rise of a flawed yet salient effort at liberation and its clash with modernity Exploring both the political responsibility of the artist and the manipulation of authorial intention Bronner reconfigures the modernist movement for contemporary progressive purposes and offers insight into the problems still complicating cultural politics He ultimately reasserts the political dimension of developments often understood in purely aesthetic terms and confronts the self indulgence and political irresponsibility of certain so called modernists today Design, Vienna, 1890s to 1930s Joann Skrypzak,Barbara Copeland Buenger,2003 Barbara Buenger traces the development of Viennese modernism from turn of the century Jugendstil as Art Nouveau was known in German speaking countries to early twentieth century Expressionism and interwar Art Deco This exhibition catalogue features 103 fine and decorative art works produced by the Vienna Secession and Wiener Werkst tte movements between the 1890s and 1930s The fully illustrated catalog features textiles furniture ceramics paintings and prints books metalwork glass and a variety of other objects from a private midwestern collection Distributed for the Chazen Museum of Art University of Wisconsin Madison *A History of Western Architecture* David Watkin,2005 The history of Western architecture from the earliest times in Mesopotamia and Egypt to the dramatic impact of CAD on architectural practice at the beginning of the 21st century **Music and Modernism, c. 1849-1950** Charlotte de Mille,2011-01-18 Music and Modernism is a collection of essays which re evaluates the significant connections between the disciplines of music fine art and architecture in the period covering the emergence and flowering of modernism c 1849 1950 Combining established scholars in the field with those at the start of their careers this book presents an exceptional cross section of European and American modernism through a series of detailed case studies Avoiding a simplistic engagement with cross or inter disciplinarity the focus of attention centres on themes that became key to modernist artists and critics association perception representation subjectivity writing and language Accordingly this book re thinks modernism itself in the light of both the fine arts and music to advocate a multiplicity of modernisms from which it is necessary for scholars to construct their own narratives Gropius Fiona MacCarthy,2019-04-15 This is an absolute triumph ideas lives and the dramas of the twentieth century are woven together in a feat of storytelling A masterpiece Edmund de Waal ceramic artist and author of *The White Road* The impact of Walter Gropius can be measured in his buildings Fagus Factory Bauhaus Dessau Pan Am but no less in his students I M Pei Paul Rudolph Anni Albers Philip Johnson Fumihiko Maki countless masters were once disciples at the Bauhaus in Berlin and at

Harvard Between 1910 and 1930 Gropius was at the center of European modernism and avant garde society glamor only to be exiled to the antimodernist United Kingdom during the Nazi years Later under the democratizing influence of American universities Gropius became an advocate of public art and cemented a starring role in twentieth century architecture and design Fiona MacCarthy challenges the image of Gropius as a doctrinaire architectural rationalist bringing out the visionary philosophy and courage that carried him through a politically hostile age Pilloried by Tom Wolfe as inventor of the monolithic high rise Gropius is better remembered as inventor of a form of art education that influenced schools worldwide He viewed argument as intrinsic to creativity Unusually for one in his position Gropius encouraged women s artistic endeavors and sought equal romantic partners Though a traveler in elite circles he objected to the cloistering of beauty as a special privilege for the aesthetically initiated Gropius offers a poignant and personal story and a fascinating reexamination of the urges that drove European and American modernism

The Grove Encyclopedia of American Art Joan M. Marter,2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries

Max Weber and the Culture of Anarchy S. Whimster,2016-07-27 This is a specially commissioned set of essays on the themes of Max Weber culture anarchy and politics It presents the first complete publication in both English and German of a series of letters written by Max Weber in 1913 and 1914 during his stays at the anarchist settlement of Ascona The letters show Weber debating with the issues of free love eroticism patriarchy anarchism terrorism pacifism political and personal convictions and power These themes are taken up by the contributors in a wider discussion of the relation of culture and politics

Society and Politics in Wilhelmine Germany (Routledge Revivals) Richard J. Evans,2015-06-03 In the search for the causes of the First World War and the origins of Hitler s Third Reich the attention of historians has turned increasingly towards the development of German society under Kaiser Wilhelm II These ten essays first published in 1978 introduced interpretations of Wilhelmine Germany to an English speaking audience and contributed towards the discussion of these interpretations that were taking place amongst German historians This book is ideal for student of history particularly German history

[The Art Business](#) Jeffrey Taylor,2023-09-29 This book provides a comprehensive overview of the professional activities of the art business Addressing this fast moving industry The Art Business Art World Art Market analyses the sector s institutions and structures including galleries auction houses and art fairs The rapid development of art finance and its deployment of art as an asset class are covered and up to moment observations are delivered on the quickly evolving auction system that includes dramatic changes at the major auction houses Sotheby s and Christie s This edition highlights growing crises in the market including the ever more unbearable costs of art fair attendance and the lack of a reliable system for establishing ownership and title of artworks Ever more pressing ethical issues such as toxic museum donors cultural heritage compliance and problems of corrupt provenances are explored in detail Enhanced by new data analytics on the US art market the author also distils advice and guidance for working art professionals hoping to build their

careers The result is an up to date picture of an art business suitable for students and practitioners across the creative sector

Art In Vienna 1898 1918 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Art In Vienna 1898 1918 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Art In Vienna 1898 1918 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Art In Vienna 1898 1918 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
