Culotta, 2020-06-22 In *Tracing the Visual Language of Raphael's Circle to 1527* Alexis Culotta examines how the Renaissance master's style one infused with borrowed visual quotations from other artists both past and present proved influential in his relationship with associate Baldassare Peruzzi and in the development of the artists within his thriving workshop Shedding new light on the important yet often overshadowed figures within this network this book calls upon key case studies to convincingly illustrate how this visual language and its recombination evolved during Raphael's Roman career and subsequently served as a springboard for artistic innovation for these close associates as they collaborated in the years following Raphael's death **Artists from Latin American Cultures** Kristin G. Congdon, Kara Kelley Hallmark, 2002-10-30 Latin Americans have long been relegated to the cultural background obscured by the dominant European culture This biographical dictionary profiles 75 artists from the United States and 13 nations of Central and South America and the Caribbean including painters sculptors photographers muralists printmakers installation artists and performance artists Some of their works recall pre Columbian times others confront the cultural imperialism of the U S over Latin America and many explore how the dominant elements of culture can affect identities of class gender and sexuality Profiled artists range from the renowned to the little known Frida Kahlo Tina Modotti Diego Rivera Myrna Baez Raquel Forner Patrocino Barela and many more Color photographs are provided for many of the works Each entry includes information about the artist's childhood schooling creative growth and artistic styles and themes Exemplary artworks and influences are described along with a look at popular and critical responses Supplemental features include artist cross references a glossary of essential terms from the art world and a number of vivid photos portraying the artists in their creative environments **Our America** Smithsonian American Art Museum, 2014 Explores how one group of Latin American artists express their relationship to American art history and culture **California Art** Nancy Dustin Wall Moure, 1998 **Maestà** Giovanna Lucia DiGiacomo Costantini, 1993 Journal of the Royal Society of Arts Royal Society of Arts (Great Britain), 1939 Journal officiel de la République Française Frankreich, 1887 **The Examiner** , 1848

Culture in the American Southwest Keith L. Bryant, 2001 If the Southwest is known for its distinctive regional culture it is not only the indigenous influences that make it so As Anglo Americans moved into the territories of the greater Southwest they brought with them a desire to reestablish the highest culture of their former homes opera painting sculpture

architecture and literature But their inherited culture was altered challenged and reshaped by Native American and Hispanic peoples and a new vibrant cultural life resulted From Houston to Los Angeles from Tulsa to Tucson Keith L Bryant traces the development of high culture in the Southwest Humans create culture but in the Southwest Bryant argues the land itself has also influenced that creation Incredible light natural grandeur and a geography at once beautiful and yet brutal molded societies that sprang from unique cultural sources The peoples of the American Southwest share a regional consciousness an experience of place that has helped to create a unified but not homogenized Southwestern culture Bryant also examines a paradox of Southwestern cultural life Southwesterners take pride in their cultural distinctiveness yet they struggled to win recognition for their achievements in high culture A dynamic tension between those seeking to re create a Western European culture and those desiring one based on regional themes and resources continues to stimulate creativity Decade by decade and city by city Bryant charts the growth of cultural institutions and patronage as he describes the contributions of artists and performers and of the elites who support them Bryant focuses on the significant role women played as leaders in the formation of cultural institutions and as writers artists and musicians The text is enhanced by more than fifty photographs depicting the interplay between the people and the land and the culture that has resulted
