There is some magic about doing caricature that artists can not tools and even the resemblance Is a mix of that everything in perfect balance and that my colleague Alberto Russo has it Jota Leal USA [www jotaleal com](http://www.jotaleal.com) Alberto Russo's many graphic researches in pencil prove that he is perfectly capable of leaving his computer behind when he draws caricatures Not many people can say the same today even though the quality of today's images is higher than ever thanks to the challenges created by Facebook for people drawing caricatures The risk is that finalising them in a realistic photographic way with the computer creates monotony and uniformity of style Only adepts of traditional drawing will make a difference and Alberto is one of them Jean Mulatier FR [www facebook com jean mulatier](http://www.facebook.com/jean.mulatier)
