Bittker,1964     Journal of United Labor Knights of Labor,1893     A False Tree of Liberty Susan Marks,2019 This book is concerned with the history of the idea of human rights It offers a fresh approach that puts aside familiar questions such as Where do human rights come from and When did human rights begin for the sake of looking into connections between debates about the rights of man and developments within the history of capitalism The focus is on England where at the end of the eighteenth century a heated controversy over the rights of man coincided with the final enclosure of common lands and the momentous changes associated with early industrialisation Tracking back still further to sixteenth and seventeenth century writing about dispossession resistance and rights the book reveals a forgotten tradition of thought about central issues in human rights with profound implications for their prospects in the world today     *New York Magazine* ,1997-03-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea     **Collier's** ,1910     **Bulletin of the Atomic Scientists** ,1966-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world     **Bulletin of the Atomic Scientists** ,1993-01 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world     *Cumulated Index to the Books* ,1928     **Street Smart** Gabriel Roth,2017-07-05 The poor health of today s roads a subject close to the hearts of motorists taxpayers and government treasurers around the world has

resulted from faulty incentives that misdirect government decision makers according to the contributors to Street Smart During the 1990s bad government decision making resulted in the U S Interstate Highway System growing by only one seventh the rate of traffic growth The poor maintenance of existing roads is another concern In cities around the world highly political and wasteful government decision making has led to excessive traffic congestion that has created long commutes reduced safety and caused loss of leisure time Street Smart examines the privatization of roads in theory and in practice The authors see at least four possible roles for private companies beyond the well known one of working under contract to design build or maintain governmentally provided roads These include testing and licensing vehicles and drivers management of government owned facilities franchising and outright private ownership Two chapters describe the history of private roads in the United Kingdom and the United States Contemporary examples are provided of road pricing privatizing and contracting out are evident in environs as diverse as Singapore Southern California and Scandinavia and cities as different as Bergen Norway and London England Finally several chapters examine strategies for implementing privatization The principles governing providing scarce resources in free societies are well known We apply them to such necessities as energy food and water so why not to road space The main obstacle to private or semi private ownership of roads is likely to remain the reluctance of the political class to give up a lucrative source of power and influence Those who want decisions about road services to be controlled by the interplay of consumers and suppliers in free markets rat
