**Teyler's Foundation in Haarlem and Its 'Book and Art Room' of 1779**, 2020-12-15 Teyler's Foundation in Haarlem and its Book and Art Room of 1779 edited by Ellinoor Bergvelt and Debora Meijers examines for the first time this institution in the context of scientific museological political artistic religious and philosophical developments The key moment was the decision in 1779 to give a free interpretation to the testament of its founder the Mennonite entrepreneur Pieter Teyler van der Hulst 1702 1778 stimulated by the naturalist Martinus van Marum the Foundation's board decided to build an impressive museum room and to establish a natural science collection The institution thus entered an era in which older scientific and collecting traditions engaged with new developments towards a research institution and a public museum of natural history physics and art Contributors Ellinoor S Bergvelt Terry van Druten Arnold Heumakers Eric Jorink Paul Knolle Debora Meijers Wijnand Mijnhardt Bert Sliggers Koenraad Vos and Holger Zaunst ck     **The Learner-Directed Classroom** Diane B.

Jaquith, Nan E. Hathaway, 2012-08-24 Educators at all levels want their students to develop habits of self directed learning and critical problem solving skills that encourage ownership and growth In *The Learner Directed Classroom* practicing art educators PreK 16 offer both a comprehensive framework for understanding student directed learning and concrete pedagogical strategies to implement student direct learning activities in school In addition research based assessment strategies provide educators with evidence of student mastery and achievement Teachers who structure self directed learning activities can facilitate effective differentiation as students engage in the curriculum at their level This book provides evidence based practical examples of how to transform the classroom into a creative and highly focused learning environment Contributors Catherine Adelman Marvin Bartel Katherine Douglas Ellyn Gaspardi Clyde Gaw Lois Hetland Pauline Joseph Tannis Longmore Linda Papanicolaou Cameron Sesto George Szekely Ilona Szekely Dale Zalmstra

**Democratic Habits in the Art Classroom** Elizabeth Sutton, 2023 This volume explores the ways in which practicing K 12 art educators can engage with students to develop democratic habits The contributors present case studies based on action research conducted in their own classrooms as part of their master's in arts education The text is divided into three sections that correspond to habits the author teachers cultivated in their classroom choice voice and caring for community Each author presents real world examples for development of not only art skills but also ways of being and interacting that allow humans to contribute meaningfully to the world Readers will hear from art educators who strive to teach their students ownership and empowerment through problem solving independence and responsibility This timely book shows how art education is a bastion of freedom in public education where students and teachers can think and act collaboratively and critically Book Features Offers examples of transformative teaching that give students voice choice and opportunities to care for community Provides theory as well as replicable models teachers can use Addresses the difficulty of balancing student and teacher needs within the politically embattled field of education Shares the voices of art educators in Midwest
