Adolphe Borie Adolphe Borie, Pennsylvania Museum of Art, 1935* **Adolphe Borie** George Biddle, 1937 **Art of Acadia** David Little, Carl Little, 2016-08-01 The Mount Desert Island and Acadia region of Maine has been the subject of artists for hundreds of years and many of America's most celebrated painters have been inspired here From Thomas Cole to Richard Estes painters have captured the exquisite beauty of the island on canvas Their work has drawn visitors year after year and helped inspire the preservation of its extraordinary natural beauty through the creation of Acadia National Park This view of the region through the works of talented artists grants a new perspective to our collective appreciation of this unique convergence of land and sea **Special Exhibition of Paintings and Drawings by Adolphe Borie** Corcoran Gallery of Art, 1942 American Magazine of Art, 1939 *Paintings and Sculpture in the Collection of the National Academy of Design: 1826-1925* David Bernard Dearing, National Academy of Design (U.S.), 2004 This is the first installment of a fully illustrated catalogue of the Academy's priceless collection of paintings and sculptures **A Catalogue of the Collection of American Paintings in the Corcoran Gallery of Art: Painters born from 1850 to 1910** Corcoran Gallery of Art, 1973 The Phillips Collection Phillips Collection, 1952 Magazine of Art, 1939 *Art Guides ...: Painting and sculpture in the Post Office Department building, Washington*, 1938 **Library Catalog of the Metropolitan Museum of Art, New York** Metropolitan Museum of Art (New York, N.Y.). Library, 1980 **Catalog of the Library of the Museum of Modern Art: Bon** Museum of Modern Art (New York, N.Y.). Library, 1976 The Revenge of Thomas Eakins Sidney Kirkpatrick, 2006-03-28 Thomas Eakins was misunderstood in life his brilliant work earned little acclaim and hidden demons tortured and drove him Yet the portraits he painted more than a century ago captivate us today and he is now widely acclaimed as the finest portrait painter our nation has ever produced This book recounts the artist's life in fascinating detail drawing on a treasure trove of Eakins family correspondence and papers that have only recently been discovered Never before has Thomas Eakins's story been told with such drama clarity and accuracy Sidney Kirkpatrick sets the painter's life and art in the wider context of the changing world he devoted himself to portraying and he also addresses the artist's private life the contradictory impulses obsessions and possible psychological illness that fired his work Kirkpatrick underscores Eakins's unflinching integrity as an artist and discloses how his profound appreciation of the beauty of the human form was both the source of his greatness and ultimately of his undoing Nevertheless the author observes Eakins has had his revenge inspiring a new generation of realist painters and gaining the recognition that eluded him in life *Art Instruction*, 1937

Cézanne and America John Rewald, 2023-10-17 The classic work by internationally acclaimed Cézanne scholar John Rewald In *Cézanne and America* John Rewald presents a full account of how Paul Cézanne's reputation and influence became established in America between 1891 and 1921 and of how some of the world's largest collections of his works were formed in the United States This is the fascinating story of enthusiastic young American artists who took up Cézanne's cause after

they discovered him in Paris It is also the story of the discerning early American collectors of his work Leo and Gertrude Stein the Havemeyers and John Quinn among others many of whom made their first purchases from C zanne s wily dealer Ambroise Vollard in Paris or from the dealer Alfred Stieglitz in New York and of the beginning of the famous collection of Dr Albert C Barnes Each chapter is illustrated not only with C zanne s works but also with portraits of collectors and critics and with previously unpublished pages from diaries dealers ledgers and C zanne s own correspondence Letters of Charles Demuth, American Artist, 1883-1935 Charles Demuth, Bruce Kellner, 2000 Charles Demuth is widely recognized as one of the most significant American modernists His precisionist cityscapes exquisite flowers and free wheeling watercolors of vaudeville performers homosexual bathhouses and cabaret scenes hang in many of the country s most prestigious collections including the Metropolitan Museum of Art the Philadelphia Museum of Art the Columbus Museum of Art the Amon Carter Museum in Fort Worth the Art Institute of Chicago and in Demuth s Lancaster Pennsylvania family residence now home of the Demuth Foundation At a time when many American artists remained tied to Europe Demuth Americanized European modernism This collection of 155 of his letters offers valuable views of the arts and letters colonies in Provincetown New York and Paris Besides offering information on Demuth s own works the letters also shed light on the output of his contemporaries as well as references to their trips liaisons and idiosyncrasies Demuth numbered among his correspondents some of the most famous artists and writers of his time including Georgia O Keeffe Eugene O Neill John Reed Gertrude Stein Alfred Stieglitz Carl Van Vechten and William Carlos Williams In his travels in the United States and abroad he encountered many other talented contemporaries Peggy Bacon Muriel Draper Marcel Duchamp the Stettheimer sisters artists and writers patrons and gallery owners Whether he is offering to pick up a copy of Joyce s Ulysses for Eugene O Neill or trying to convince Georgia O Keeffe to decorate his music room just allow that red and yellow canna one to spread until it fills the room Demuth is always in the thick of art and literary life Flamboyant in attire but discreet in his homosexuality Demuth also reveals in his letters the life of a talented homosexual in the teens and twenties With his best friends Robert Locher and Marsden Hartley he circulated through the art colonies of Greenwich Village Provincetown and Paris meeting everyone The book also contains reprints of some short appraisals of Demuth and his work that were published during his lifetime long out of print including pieces by A E Gallatin Angela E Hagen Marsden Hartley Helen Henderson Henry McBride Carl Van Vechten Rita Wells and Willard Huntington Wright Author note Bruce Kellner is Emeritus Professor of English Millersville University and a member of the Demuth Foundation Board of Directors He is the author or editor of 10 other books **Thomas Eakins** Elizabeth Johns, 1991-02-01 Why did Thomas Eakins now considered the foremost American painter of the nineteenth century make portraiture his main field in an era when other major artists disdained such a choice With a rich discussion of the cultural and vocational context of the late nineteenth and early twentieth centuries Elizabeth Johns answers this question *Arts Digest* , 1937 Puritan Boston and Quaker Philadelphia E. Digby Baltzell, 2017-07-28 Based on the biographies of some

three hundred people in each city this book shows how such distinguished Boston families as the Adamses Cabots Lowells and Peabodys have produced many generations of men and women who have made major contributions to the intellectual educational and political life of their state and nation At the same time comparable Philadelphia families such as the Biddles Cadwaladers Ingersolls and Drexels have contributed far fewer leaders to their state and nation From the days of Benjamin Franklin and Stephen Girard down to the present what leadership there has been in Philadelphia has largely been provided by self made men often like Franklin born outside Pennsylvania Baltzell traces the differences in class authority and leadership in these two cities to the contrasting values of the Puritan founders of the Bay Colony and the Quaker founders of the City of Brotherly Love While Puritans placed great value on the calling or devotion to one's chosen vocation Quakers have always placed more emphasis on being a good person than on being a good judge or statesman Puritan Boston and Quaker Philadelphia presents a provocative view of two contrasting upper classes and also reflects the author's larger concern with the conflicting values of hierarchy and egalitarianism in American history

Mary Cassatt between Paris and New York

Ruth E. Iskin, 2025-01-28 The first comprehensive study of Cassatt's life work and legacy through the prism of a transatlantic framework This book re-envision's Mary Cassatt in the context of her transatlantic network friendships exhibitions politics and legacy Rather than defining her as either an American artist or a French impressionist author Ruth E Iskin argues that we can best understand Cassatt through the complexity of her multiple identifications as an American patriot a committed French impressionist and a suffragist Contextualizing Cassatt's feminist outlook within the intense pro and anti suffrage debates in the United States Iskin shows how these impacted her artistic representations of motherhood fatherhood and older women Mary Cassatt between Paris and New York also argues for the historical importance of her work as an advisor to American collectors and demonstrates the role of museums in shaping her legacy highlighting the combined impact of gender national and transnational dynamics
