kontinuierlich von den Schwierigkeiten gespeist die die Interpretation der philosophischen Schriften Platons bereitet. Gemeinhin wird er als rein rationaler Philosoph gesehen. Ein Philosoph war er in der Tat, ebenso jedoch ein Experte in der Annäherung an das Nicht-Rationale, unter anderem in Form von Mythen. So wurde er auch als Mythenerfinder und Mythologe bezeichnet. Platon war ein Visionär, der es wagte, das Reich des Nicht-Rationalen auf systematische und disziplinierte Art zu erforschen. Insgesamt lässt sich Platons philosophisches Vorhaben als Streben nach einer umfassenden Sicht des organischen Ganzen klassifizieren. Der Ausdruck Gestalt scheint die Ganzheit am ehesten zu beschreiben. Platon kann als prominentester und auch als letzter Repräsentant der antiken Philosophie angesehen werden, der die Entwicklung einer Gestalt Philosophie anstrebte. Plato is one of the most influential philosophers of all time. He decisively shaped the profile and canon of western philosophy. Criticism of what has become known as Platonism has been continuously nourished by the difficulties of interpreting this philosopher's writings. Plato is commonly viewed as a purely rational philosopher. A philosopher he was indeed, but Plato was also an expert in approaching the non-rational in the form of mythology. Among others, Plato has been called a mythmaker and a mythologist. Plato was a visionary who dared to explore the realm of the non-rational in a systematic and disciplined way. In an overall comparison, Plato's philosophical enterprise strives for a comprehensive perspective on the organic whole. The expression Gestalt seems to come closest to describing the wholeness. Plato may be considered to be the most prominent representative of classical philosophy to develop a Gestalt philosophy and also the last to do so in antiquity.

Hirschland, Nancy Hirschland Ramage, 2008-07-03 They were friends with Picasso and Matisse. They ran in the same circles as Gertrude and Leo Stein. They avidly purchased works by Manet, Gauguin, Cézanne, Seurat, and Degas at a time when other Americans didn't. They were two Victorian women from Baltimore buying avant-garde art in Paris, attending salons with friends and building a collection that would initially puzzle and eventually awe the art world. Over a period of fifty years, sisters Claribel and Etta Cone amassed one of the most acclaimed collections of late nineteenth and twentieth-century art in America. Dr. Claribel and Miss Etta were two halves of an idiosyncratic team who used the fortunes of their German Jewish immigrant family to seek out works that inspired and pleased them regardless of public opinion. This richly illustrated biography documents their lives from a unique perspective: that of their great-niece and their great-great-niece, Ellen B. Hirschland, and her daughter, Nancy Hirschland Ramage, delve into Claribel's and Etta's world following the sisters through letters and personal stories as they travel to meet the artists whose work would turn their adjoining apartments into a virtual

museum The sisters experiences in Paris in the 1910s and 1920s provide an exceptional view of the bright artistic ferment in the city at that time Only time would vindicate their keen vision and unwavering taste *The Photographic Journal of America ...* ,1891
