Art Of Marriage Maintenance:

The Art of Marriage Maintenance Sylvia R. Karasu, Toksoz Byram Karasu, 2005 Given the fact that 50% of marriages end in divorce you would think marriage wouldn t be so popular but getting married is one of the most popular of all life events In fact many new couples are willing to face considerable debt for the wedding ceremony alone It seems that many people spend more time on planning the wedding than on thinking about marriage and what it entails The Art of Marriage Maintenance is about marital life after the wedding It is about psychological and biological difficulties between men and women that make marriage so challenging It is about why passion is in danger of fading within marriage how hormones exacerbate behavior and how the brain confounds us It is about how pregnancy and having young children and adolescents often catapult a marriage to its breaking point and how the stresses of mid life contribute to marital discord It is in effect how to ensure a happy enduring marriage It is the art of marriage maintenance The Eternal Realm Robert Gonzalez, 2024-09-21 The Eternal Realm is a hauntingly beautiful collection of tales that draws readers into a mysterious dimension where the veil between life and death thins and the echoes of what once was ripple through every shadow At its heart is Elara a courageous soul whose profound connection to this ethereal realm leads her on quests of both sorrow and hope often driven by the desire to reclaim lost love or mend fractured memories From her initial foray into the Whispering Woods armed only with a silver flute to seek the echo of her vanished brother Ronan to navigating the treacherous Gloom that threatens to steal the very essence of love Elara's journey is one of unwavering devotion She encounters ancient secrets like the shimmering Sunstone that holds the power to rekindle forgotten affections and faces formidable challenges that test the limits of her heart and spirit The book delves into profound themes of loss remembrance and the enduring power of love that transcends even the boundaries of death Whether she is piecing together fragments of a beloved s fading memories or standing against the encroaching darkness of the Eternal Realm itself Elara's adventures underscore the belief that true connections are never truly broken With lyrical prose that evokes a world steeped in ethereal beauty and poignant emotion The Eternal Realm is a captivating exploration of an unseen world reminding us that even in the face of oblivion the love that truly lasts can become a beacon of hope a whispered promise that echoes through eternity Nouveau recueil général de traités et autres actes relatifs aux rapports de droit international, 1898 **Discover The Path To Self Improvement** ,2023-02-07 Niche is your itch It is finding a specific area of interest or expertise that satisfies a personal desire or passion Every one of us has to convey that niche should be something that one is personally motivated to explore learn and develop A niche is of vital importance because it penetrates through a market segment or a specific aspect of a larger industry For example someone may have a niche in rare books of a specific category or alternative readings of related topics The key to finding a successful niche is to identify something important and meaningful to exercise and develop skills and knowledge in that area Having a personal interest in your niche can motivate and engage a specified segment of individuals and help them
