Women, the Arts, and Dictatorship in the Portuguese-Speaking Context Ana Gabriela Macedo,Margarida Esteves Pereira,Joana Passos,Márcia Oliveira,2024-06-17 This book deals with the work of twentieth century women artists and literary authors from Portugal Brazil and Portuguese speaking African countries against the backdrop of political dictatorships The essays in this volume reflect upon and challenge canonical perspectives on the arts and literature bringing to light some of the hidden and silenced faces of Lusophone culture By doing so they highlight how dominant ideologies marked the artistic and literary practices of Portuguese speaking women and how these women in turn developed strategies of resistance through their creative work The volume brings together contributors working in a range of disciplines including literary criticism the visual arts and film studies all of whom reflect on themes such as the reactions of women artists to authoritarianism the representations of political repression in their work the colonial war and the critical revision of this historical moment by a younger generation of artists It addresses scholars critics students and cultural workers with an interest in post colonial and feminist studies in the Portuguese speaking context **Readers' Advisory Service in North**

American Public Libraries, 1870-2005 Juris Dilevko,Candice F.C. Magowan,2007-02-13 Beginning in the early 1980s readers advisory services were a widely discussed topic in North American public libraries By 2005 almost every public library in the United States and Canada offered some form of readers advisory service The services offered have changed significantly in ways perhaps disadvantageous to adult North American library patrons This book provides a critical history of readers advisory philosophy and offers a new perspective on the evolution of the service The book analyzes the debate that shaped readers advisory and discusses how the service has assumed its present form The study follows readers advisory through its three prominent stages of development beginning with the period 1870 to 1916 when the service was still a subject of much crucial debate about its meaning and purpose During the second phase 1917 to 1962 readers advisory systematically committed itself to meaningful adult education through serious and purposeful reading The book argues however that during the most recent phase of readers advisory from 1963 until the present contemporary public libraries have turned their backs on the rich heritage of readers advisory services by valorizing the reading of entertainment oriented and commodified genre titles and bestsellers Historical analysis case studies and statistical charts augment the book s central argument Public Relations Cases Danny Moss,Barbara DeSanto,2010-07-16 This unique collection of contemporary international public relations case studies gives the reader in depth insight into effective public relations

practice in a range of organizational contexts The cases demonstrate the breadth of modern public relations practice and the increasing importance and sophistication of this function both in public and private sector organizations This second edition of Public Relations Cases builds on the success of the previous edition to offer new insights into the changing face of contemporary public relations and the development of PR and communication strategies The book also examines The use of social media and blogging as a communications medium The growing importance of corporate social responsibility programmes Local authority identity change High profile international charitable fundraising Sports sponsorship Property sector PR Featuring cases from around the world including the UK India Korea Denmark Croatia and the US this book is an invaluable resource for teachers researchers and students working in public relations corporate communication and public affairs

Martinez, 2009 Daniel Joseph Martinez b 1957 is an internationally exhibiting artist who grew up in Los Angeles For over thirty years he has divined sociopolitical fault lines in the American psyche and carefully placed conceptual and perceptual explosives into them This volume with essays by Michael Brenson Hakim Bey David Levi Strauss Gilbert Vicario Lauri Firstenberg Arthur C Danto Linda Norden and Rachel Leah Baum chronicles selected works from 1978 to 2008 concentrating on the work of the past sixteen years from his controversial intervention in the 1993 Whitney Biennial to his Divine Violence piece in the 2008 Whitney Biennial and including his contributions to the San Juan Triennial in 2004 the Cairo Biennale in 2006 and the Moscow Biennial in 2007 A variety of further installations text works paintings photographs sculptures animatronics and videos complete the catalogue Book Jacket

The Great War Dan Todman, 2014-03-04 The First World War with its mud and the slaughter of the trenches is often taken as the ultimate example of the futility of war Generals safe in their headquarters behind the lines sent millions of men to their deaths to gain a few hundred yards of ground Writers notably Siegfried Sassoon and Wilfred Owen provided unforgettable images of the idiocy and tragedy of the war Yet this vision of the war is at best a partial one the war only achieving its status as the worst of wars in the last thirty years At the time the war aroused emotions of pride and patriotism Not everyone involved remembered the war only for its miseries The generals were often highly professional and indeed won the war in 1918 In this original and challenging book Dan Todman shows views of the war have changed over the last ninety years and how a distorted image of it emerged and became dominant

Art Of Weekend Travel Nice 2003 5 Pack Introduction

In today's digital age, the availability of Art Of Weekend Travel Nice 2003 5 Pack books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Art Of Weekend Travel Nice 2003 5 Pack books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Art Of Weekend Travel Nice 2003 5 Pack books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Art Of Weekend Travel Nice 2003 5 Pack versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Art Of Weekend Travel Nice 2003 5 Pack books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Art Of Weekend Travel Nice 2003 5 Pack books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Art Of Weekend Travel Nice 2003 5 Pack books and manuals

is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Art Of Weekend Travel Nice 2003 5 Pack books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Art Of Weekend Travel Nice 2003 5 Pack books and manuals for download and embark on your journey of knowledge?
