A Guide to the Latin American Art Song Repertoire Stela M. Brandão, 2010-04-29 A reference guide to the vast array of art song literature and composers from Latin America this book introduces the music of Latin America from a singer's perspective and provides a basis for research into the songs of this richly musical area of the world The book is divided by country into 22 chapters with each chapter containing an introductory essay on the music of the region a catalog of art songs for that country and a list of publishers Some chapters include information on additional sources Singers and teachers may use descriptive annotations language poet or pedagogical annotations range tessitura to determine which pieces are appropriate for their voices or programming needs or those of their students The guide will be a valuable resource for vocalists and researchers however familiar they may be with this glorious repertoire

Interpreting the Songs of Jacques Leguerney, Carol Kimball, Patrick Choukroun, 2001 Jacques Leguerney heir to the exquisite French m lodie tradition is beautifully served in this carefully researched and practical performance guide The Leguerney melodies are gratifying vehicles for both singers and pianists They reflect the nature of the man himself elegance grace sophistication and an awareness of beauty in all its forms To be in the presence of Monsieur Leguerney no matter how briefly was itself an aesthetic experience This study leads the way to establishing international recognition for a composer who so richly deserves it Richard Miller Wheeler Professor of Performance and Director of the Vocal Arts Center Oberlin Conservatory The songs of the extraordinary composer Jacques Leguerney form a magnum opus of undeniable beauty and originality The various aspects of his musical style are discussed in depth in this book which is a must for performers and enthusiasts of the m lodie Unquestionably it will help achieve the recognition that Jacques Leguerney deserves as one of the twentieth century's great song composers Dalton Baldwin internationally acclaimed pianist Just when we thought there wasn't a major song composer left to explore the trio of Dibbern Kimball and Choukroun have written this invaluable much needed study of the songs of Jacques Leguerney Nothing is left out and all is treated with precision and detail My hat is off to these remarkable scholars and performers who have provided us with a wealth of information that is a must in every serious art song enthusiast's library Chapeau Thomas Grubb the Juilliard School Peabody Conservatory of Music Houston Grand Opera New York City Opera author of *Singing in French*

The Tales of Hoffmann Mary Dibbern, 2002 Mary Dibbern Music Director of Education and Family Programs at The Dallas Opera and adjunct faculty member at the University of North Texas has created a Performance Guide for Offenbach's opera *The Tales of Hoffmann* This contribution to the Vox Musicae series presents a word by word translation and IPA transcription of the published versions of the French libretto and her translations of its literary sources trace the libretto's development from E T A Hoffmann's *Tales* The Guide includes an interview with French opera specialist Janine Reiss and a Foreword by Thomas Grubb This well rounded volume is designed for use by singers vocal coaches conductors producers and directors as well as opera lovers

Carmen Mary Dibbern, 2000 A word by word

translation in English and IPA and annotated guides to the dialogue and recitative versions of the opera this book is a complete reference for anyone studying or producing Bizet's *Carmen*. It provides all the material necessary for practical use by singers, conductors, coaches, stage directors, opera producers, students, and teachers from the publisher's notes. *Faust - Romeo Et Juliet* Mary Dibbern, 2006. In 1850 the French mezzo soprano Pauline Viardot wrote to her friend Turgenev: "Among that mass of talented composers who are witty in a vulgar sort of way intelligible not because of their clarity but because of their triviality the appearance of a musical personality such as Gounod's is so rare that one cannot welcome him heartily enough." Pendragon Press welcomes this addition to their Vox Musicae Series of Operatic Performance Guides by Mary Dibbern. The libretti and literary sources of Gounod's two masterpieces are studied in depth. The libretto section includes word by word translations into English and IPA transcriptions of both libretti in their final opera comique versions. Dibbern explains how the literary source materials were converted into libretti as well as the history of the various musical editions and versions. Numerous illustrations have been provided by a member of Gounod's family.

Bibliographic Guide to Music New York Public Library. Music Division, 1999. *Humanities* Lawrence Boudon, 2005-02-01. The one source that sets reference collections on Latin American studies apart from all other geographic areas of the world. The Handbook has provided scholars interested in Latin America with a bibliographical source of a quality unavailable to scholars in most other branches of area studies. *Latin American Research Review* Beginning with volume 41, 1979, the University of Texas Press became the publisher of the Handbook of Latin American Studies, the most comprehensive annual bibliography in the field. Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines, the Handbook alternates from year to year between social sciences and humanities. The Handbook annotates works on Mexico, Central America, the Caribbean, and the Guianas, Spanish South America, and Brazil, as well as materials covering Latin America as a whole. Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas. The Handbook of Latin American Studies is the oldest continuing reference work in the field. Lawrence Boudon of the Library of Congress Hispanic Division has been the editor since 2000, and Katherine D. McCann has been assistant editor since 1999. The subject categories for Volume 60 are as follows: Art History including ethnohistory; Literature including translations from the Spanish and Portuguese; Music; Philosophy; Latin American Thought. *The Makers of the Sacred Harp* David Warren Steel, Richard H. Hulan, 2010-11. This authoritative reference work investigates the roots of the Sacred Harp, the central collection of the deeply influential and long-lived southern tradition of shape-note singing. Where other studies of the Sacred Harp have focused on the sociology of present-day singers and their activities, David Warren Steel and Richard H. Hulan concentrate on the regional culture that produced the Sacred Harp in the nineteenth century and delve deeply into the history of its authors and composers. They trace the sources of every tune and text in the Sacred Harp from the work of B. F. White, E. J. King, and their west Georgia

contemporaries who helped compile the original collection in 1844 to the contributions by various composers to the 1936 to 1991 editions *The Makers of the Sacred Harp* also includes analyses of the textual influences on the music including metrical psalmody English evangelical poets American frontier preachers camp meeting hymnody and revival choruses and essays placing the Sacred Harp as a product of the antebellum period with roots in religious revivalism Drawing on census reports local histories family Bibles and other records rich oral interviews with descendants and Sacred Harp Publishing Company records this volume reveals new details and insights about the history of this enduring American musical tradition

The Latin American Art Song Patricia Caicedo, 2018-12-17 Taking as a thread the concept of national identity this book elucidates the sound transformations that have taken place in the world of the Latin American art song since its appearance in the late nineteenth century to the present day The book focuses in the art songs of Brazil Argentina Cuba Venezuela Bolivia Peru and Colombia The book addresses the subject of performance practice of the Latin American song and ends with a proposal for its interpretation In songs spaces of representation and cathartic tools thought language and music have been at the service of some interests fulfilling specific functions in the construction of the nation In them we observe that the construction of identity is a continuous constant and changing process in which different stories are superimposed Seen this way songs are historical texts where social interactions are reflected and the past the present and the future are constantly negotiated The book also addresses the subject of performance practice of the Latin American song and ends with a proposal for its interpretation

A History of Baroque Music George J. Buelow, 2004-11-23 A History of Baroque Music is a detailed treatment of the music of the Baroque era with particular focus on the seventeenth century The author's approach is a history of musical style with an emphasis on musical scores The book is divided initially by time period into early and later Baroque 1600-1700 and 1700-1750 respectively and secondarily by country and composer An introductory chapter discusses stylistic continuity with the late Renaissance and examines the etymology of the term Baroque The concluding chapter on the composer Telemann addresses the stylistic shift that led to the end of the Baroque and the transition into the Classical period

Music Library and Research Skills Jane Gottlieb, 2017 Concise and engaging this text covers a wide range of reference sources for research in all genres of music Through this practical introduction to the key concepts of music research students will develop a firm understanding of the tools used to gather data including what types of sources exist how they are arranged and how they may best be used to do research
