Comics Art in China John A. Lent,Xu Ying,2017-07-20 International Convention of Asia Scholars 2019 Book Prize Best Art Publication In the most comprehensive and authoritative source on this subject Comics Art in China covers almost all comics art forms in mainland China providing the history from the nineteenth century to the present as well as perspectives on both the industry and the art form This volume encompasses political social and gag cartoons lianhuanhua picture books comic books humorous drawings cartoon and humor periodicals and donghua animation while exploring topics ranging from the earliest Western influenced cartoons and the popular often salacious 1930s humor magazines to cartoons as wartime propaganda and comics art in the reform Coupling a comprehensive review of secondary materials histories anthologies biographies memoirs and more in English and Chinese with the artists actual works the result spans more than two centuries of Chinese animation Structured chronologically the study begins with precursors in early China and proceeds through the Republican wartime Communist and market economy periods Based primarily on interviews senior scholar John A Lent and Xu Ying conducted with over one hundred cartoonists animators and other comics art figures Comics Art in China sheds light on tumult and triumphs Meticulously Lent and Xu describe the evolution of Chinese comics within a global context probing the often tense relationship between expression and government as well as proving that art can be a powerful force for

revolution Indeed the authors explore Chinese comics art as it continues to grow and adapt in the twenty first century Enhanced with over one hundred black and white and color illustrations this book stands out as not only the first such survey in English but perhaps the most complete one in any language

Drawn to Purpose Martha H. Kennedy,2018-02-14 Winner of the 2019 Eisner Award for the Best Comics Related Book Published in partnership with the Library of Congress Drawn to Purpose American Women Illustrators and Cartoonists presents an overarching survey of women in American illustration from the late nineteenth into the twenty first century Martha H Kennedy brings special attention to forms that have heretofore received scant notice cover designs editorial illustrations and political cartoons and reveals the contributions of acclaimed cartoonists and illustrators along with many whose work has been overlooked Featuring over 250 color illustrations including eye catching original art from the collections of the Library of Congress Drawn to Purpose provides insight into the personal and professional experiences of eighty women who created these works Included are artists Roz Chast Lynda Barry Lynn Johnston and Jillian Tamaki The artists stories shaped by their access to artistic training the impact of marriage and children on careers and experiences of gender bias in the marketplace serve as vivid reminders of social change during a period in which the roles and interests of women broadened from the private to the public sphere The vast often neglected body of artistic achievement by women remains an important part of our visual culture The lives and work of the women responsible for it merit much further attention than they have received thus far For readers who care about cartooning and illustration Drawn to Purpose provides valuable insight into this rich heritage

UK Feminist Cartoons and Comics Nicola Streeten,2020-01-28 This book demonstrates that since the 1970s British feminist cartoons and comics have played an important part in the Women s Movement in Britain A key component of this has been humour This aspect of feminist history in Britain has not previously been documented The book questions why and how British feminists have used humour in comics form to present serious political messages It also interrogates what the implications have been for the development of feminist cartoons and for the popularisation of feminism in Britain The work responds to recent North American feminist comics scholarship that concentrates on North American autobiographical comics of trauma by women This book highlights the relevance of humour and provides a comparative British perspective The time frame is 1970 to 2019 chosen as representative of a significant historical period for the development of feminist cartoon and comics activity and of feminist theory and practice Research methods include archival data collection complemented by interviews with selected cartoonists Visual and textual analysis of specific examples draws on literature from humour theory comics studies and feminist theory Examples are also considered as responses to the economic social and political contexts in which they were produced

Popular Modernisms Bruce A. Barber, 2024-07-26 Popular Modernisms examines a process that has occurred throughout the history of art one that accelerated with the social effects of the industrial revolution the development of capitalism and the inception of modern social relations It argues that the shocks of modernist art encouraged the production of visual satires parodies ironies and pastiches and that in the company of other forms of text or performance based criticism these were the means by which those in marginal or subordinate social positions could exercise their displeasure and opposition to the ruling ideas and dominant classes of the day Expressing feelings ranging from mild discomfort to pure rage this criticism enabled social subordinates to contest or resist the dominance of high culture over low in terms eloquently described by Antonio Gramsci as the hegemony of the dominant centre culture over its margins The focus upon graphic satires cartoons and comics of modern art attempts to provide some practical explication of the symbolic contest of power as this process represents the struggle to achieve and maintain cultural hegemony A further aim in this book is to investigate the symbolic contestation of cultural meanings in social terms and thereby enrich our understanding of classed society There are I believe many social and political confluences that intersect within the symbolic construction and interpretation of culture This contest of power can be read as ideological conflict between various dominant and subordinate groups classes and class

Commercial Art and Cartooning Eric Christian Matthews, 1925

A Modern Miscellany Paul Bevan, 2015-11-02 In A Modern Miscellany Shanghai Cartoon Artists Shao Xunmei's Circle and the Travels of Jack Chen 1926

1938 Paul Bevan explores how the cartoon manhua emerged from its place in the Chinese modern art world to become a propaganda tool in the hands of left wing artists The artists involved in what was largely a transcultural phenomenon were an eclectic group working in the areas of fashion and commercial art and design The book demonstrates that during the build up to all out war the cartoon was not only important in the sphere of Shanghai popular culture in the eyes of the publishers and readers of pictorial magazines but that it occupied a central place in the primary discourse of Chinese modern art history
