Craft Of Writing:

Mastering the Craft of Writing Anthony Bosco, 2019-03-25 The Craft of Writing William Sloane, Julia Sloane, 1979 A writer editor publisher and teacher Sloane presents his ideas on writing and on teaching the craft of writing in chapters derived chiefly from lectures presented at the Bread Loaf Writers Conference *Step-By-Step Strategies for Teaching Expository Writing* Barbara Mariconda, 2001 Contains lessons and teaching strategies that help students bring organization facts and flair to their informational writing **Mastering the Craft of Writing** Stephen Wilbers, 2014-04-01 Make Every Word Memorable To be remembered for your words you need to write with skill and style Whether you re crafting a novel composing an e mail or creating a technical report Mastering the Craft of Writing presents 52 practical techniques to improve your prose Spend a week with each technique or use this book as a go to reference Either way you ll have the tools to enliven your writing and delight your readers Write with economy Eliminate wordiness use strong verbs to drive your sentences and don t trust modifiers Write with emphasis Use punctuation for effect structure sentences and paragraphs for coherency and flow and employ repetition to make your point Write with distinction Use your imagination to create the unexpected add a light hearted touch to your writing and go beyond clarity to eloquence and grace With exercises entertaining asides and a wealth of useful information Mastering the Craft of Writing is an invaluable resource for any writer Once you master these techniques you ll want to use them in everything you write The Craft of Writing O. M. Thomson, 1981 **Becoming a Teacher of Writing in Elementary Classrooms** Donna Kalmbach Phillips, Mindy Legard Larson, 2024-04-01 The Second Edition of Becoming a Teacher of Writing in Elementary Classrooms is an interactive learning experience focusing on all aspects of becoming writer and teacher of writing in the Writing Studio The Writing Studio is illustrated with authentic classroom scenarios and include descriptions of assessments mini lessons mentor texts and collaborative and individual teaching strategies The parallel text Becoming Writer allows readers to engage as writers while learning and applying writing process practice and craft of the Writing Studio The new edition includes integration of preschool writers multilingual learners translanguaging culturally sustaining pedagogy social emotional learning Universal Design for Learning and an updated companion website with teacher resources This dynamic text supports teachers agency in the ongoing journey of joyful teaching and writing **Write for Children** Andrew Melrose, 2004-01-14 Writing for children is not about writing little stories it is about writing big stories shorter Children s literature is an art form in its own right and this book is for everyone who wants not just to write for children but to write well for them This short guide to creative writing for children is based on the author s own successful MA course Andrew Melrose provides guidance on every aspect of the process of writing for children He stresses the importance of writing for the child and not writing to or at them Literacy and learning depend on writing and reading and it is therefore the responsibility of the writer to understand who they are writing for The book is divided into four sections which cover all aspects of the writing process This book goes far

beyond the how to format to help writers learn the finely balanced craft of writing for children It will be an indispensable handbook for aspiring and practising children s authors

The Art of Fiction John Gardner, 2010-08-18 This classic guide from the renowned novelist and professor has helped transform generations of aspiring writers into masterful writers and will continue to do so for many years to come John Gardner was almost as famous as a teacher of creative writing as he was for his own works In this practical instructive handbook based on the courses and seminars that he gave he explains simply and cogently the principles and techniques of good writing Gardner s lessons exemplified with detailed excerpts from classic works of literature sweep across a complete range of topics from the nature of aesthetics to the shape of a refined sentence Written with passion precision and a deep respect for the art of writing Gardner s book serves by turns as a critic mentor and friend Anyone who has ever thought of taking the step from reader to writer should begin here

Writing Anchors Jan Wells, Janine Reid, 2004 This comprehensive handbook shows teachers how to build a foundation for writing with effective lessons that are the key to powerful writing workshops Writing Anchors demonstrates how to create a supportive classroom model writing experiences and create enthusiasm for writing among students The practical lessons explore the major elements of writing with explicit strategies for teaching the major forms of writing Informational writing detailed descriptions of ways to take and organize notes use text features and create reports that have voice Poetry and personal writing language choice imagery using the senses and finding the personal pulse of the writer Narrative extends writing skills with lessons on story sequence problem solving and character development The lessons form metacognitive anchors that build an understanding of the elements of powerful writing Each lesson comes with an anchor cue card that prompts students to apply their growing understandings independently in writing workshops and in assessing their own writing In addition the book provides more than thirty effective tools that are ready to copy and use in the classroom writing checklists rubrics for assessment graphic organizers note taking grids semantic maps story maps tips for proofing and student examples collected from grade 2-7 classrooms

Jean Toomer Jean Toomer, 1996 This book is what scholars of American and African American literature have needed for quite some time Robert B Jones s selection of materials is excellent and his expert ordering reveals that breadth and evolution of Jean Toomer s thought over several decades This collection will considerably enlarge our understanding of the author whose reputation remains tied in large part to Cane Rudolph P Byrd Emory University Like the intertextual relations between black authored and white authored literary works the relationships between Black and White intellectuals in New York in the 1910s and 1920s both personally and intellectually were far more fluid and complex and productive than American scholarship has acknowledged The essays collected here enhance such acknowledgment considerably with implications for the transformation of our understanding of American modernism as well as the interracial cultural history of the United States Certainly such was Robert Jones s large and generous aim in creating this important book from the Foreword by Georg Hutchinson
