Create Your Own European Adventure Leave:

Seraffyn's European Adventure Lin and Larry Pardey, 1998 This second book in the Seraffyn cruising series begins with their arrival on the southwest coast of England where they coasted eastward stopping where fancy held them where good friends were made to winter at Poole and work to pay for the next leg of their voyage toward the Baltic Denmark Sweden Finland were full of welcoming and interesting people and an almost invisible bureaucracy But things were definitely different when they reached Poland where armed guards watched while the people greeted them with flowers fruits and sweets Their foray behind the Iron Curtain of the 1970s introduced them to some of the people who led the Solidarity Movement the force that eventually toppled the Soviet Union You'll be right on board as they weather a fierce mast under broach in a Baltic gale and through the wintry North Seas Here is a feast for the fantasies of stay-at-homes and a warm account of just two years of the lives of two people who have lived in a wide adventurous world for more than four decades Their motto Go Small Go Simple Go Now has encouraged thousands of other sailors to take the plunge And this book is an entertaining instruction manual on how to live a rich life on very little money Lin Pardey has in her deceptively simple and fresh-faced style told the story of an unusual and appealing marriage partnership a special way of life Yachtsmen will enjoy the technical description of the problems of maneuvering in the tight harbours and unmapped channels the perils of heavy seas in a small boat But what is remarkable is that she can draw a nonsailor into these special subjects and make them as comprehensible and absorbing to a landlubber as they would be to someone about to set out on the same itinerary in a small boat of his own R Sokolov
