

Sandie Holguín

Creating Spaniards

**Culture and
National Identity
in Republican Spain**

Creating Spaniards

Eileen Willingham

Creating Spaniards:

Creating Spaniards Sandie Eleanor Holguin, 2002 *Creating Spaniards* is a cultural and intellectual history that explains the intersection of politics and culture and the formation of a national identity during Spain's Second Republic and Civil War. It counters recent scholarship claiming that leaders of the Second Republic had no programs for inventing traditions to encourage a Spanish national identity. Focusing on the Second Republic 1931-1936, Sandie Holguin illustrates how various intellectuals and politicians of the Republican Socialist coalition used theater, literature, and film to aid the construction of a unified Spanish culture and history. She uses memoirs, journals, newspapers, parliamentary debates, and archival sources in her examination of the impact that cultural reforms had on the transformation of one of Europe's oldest states. ***Republicanism and Anticlerical Nationalism in Spain*** E. Sanabria, 2009-03-30 This book analyzes attempts by radical Spanish republicans to construct an anticlerical nationalist vision of Spain, focusing in particular on the mass production by the anticlerical industry of newspapers, novels, poems, cartoons, posters, postcards, and plays put out by republican muckrakers, journalists, and politicians. ***Making Spaniards*** A. Quiroga, 2007-07-12 The regime of Primo de Rivera in Spain was one of the major dictatorships of the interwar period. *Making Spaniards* examines how the military regime created nationalist doctrine, rituals, and symbols, and how these were transmitted throughout Spanish society in an attempt to make new authoritarian Spaniards and halt democratic reform. ***Taming the Revolution in Nineteenth-Century Spain*** Andrea Aclé-Kreysing, 2022-11-23 Jaime Balmes and Juan Donoso Cortés, die beiden wichtigsten konservativen Denker in Spanien des 19. Jahrhunderts, versuchten aktiv im Zuge des aufkommenden Liberalismus, die Zentralität von Kirche und Monarchie zu bewahren und gleichzeitig die stereotype Sichtweise Spaniens als rückständiges und isoliertes Land zu diskreditieren. Obwohl sie ein ähnliches Ziel verfolgten, unterschieden sich ihre Standpunkte. Während Balmes Werke einen sozial orientierten Katholizismus vorwegnahmen, stellte Donoso das Christentum als höchstes soziales Gut dar, das mit dem modernen Liberalismus unvereinbar war. Andrea Aclé-Kreysing hebt die ungelernten Spannungen in ihren Werken hervor und zeigt, dass das spanische politische Denken eine anregende Variante und keine Abweichung der zeitgenössischen europäischen Debatten war. ***The Spanish Anarchists of Northern Australia*** Robert Mason, 2018-10-15 The book is strongly aligned with a number of scholarly associations. These include those dedicated to histories of the British Empire, Latino/a Studies, Spain, labour histories, migration histories, and Australian history. The book has been written to appeal to multiple subject areas of international appeal that cover core areas of history syllabi throughout English-speaking universities: labour histories, histories of the British world, and Hispanic histories. Although this book is firmly located in Australian history, it has application beyond this area. ***The Spanish Presence in Sixteenth-Century Italy*** Piers Baker-Bates, Miles Pattenden, 2016-02-17 The sixteenth century was a critical period both for Spain's formation and for the imperial dominance of her Crown. Spanish monarchs ruled far and wide, spreading agents and culture across Europe and the wider world. Yet in Italy they encountered another culture whose

achievements were even prouder and whose aspirations often even grander than their own Italians the nominally subaltern group did not readily accept Spanish dominance and exercised considerable agency over how imperial Spanish identity developed within their borders In the end Italians views sometimes even shaped how their Spanish colonizers eventually came to see themselves The essays collected here evaluate the broad range of contexts in which Spaniards were present in early modern Italy They consider diplomacy sanctity art politics and even popular verse Each essay excavates how Italians who came into contact with the Spanish crown s power perceived and interacted with the wider range of identities brought amongst them by its servants and subjects Together they demonstrate what influenced and what determined Italians responses to Spain they show Spanish Italy in its full transcultural glory and how its inhabitants projected its culture throughout the sixteenth century and beyond

Family Politics Paul Ginsborg, 2014-01-01 An exploration of the convulsive history of the 20th century s first five decades seen through the lens of families and family life In this masterly twentieth century history Paul Ginsborg places the family at center stage a novel perspective from which to examine key moments of revolution and dictatorship His groundbreaking book spans 1900 to 1950 and encompasses five nation states in the throes of dramatic transition Russia in revolutionary passage from Empire to Soviet Union Turkey in transition from Ottoman Empire to modern Republic Italy from liberalism to fascism Spain during the Second Republic and Civil War and Germany from the failure of the Weimar Republic to the National Socialist state Ginsborg explores the effects of political upheaval and radical social policies on family life and in turn the impact of families on revolutionary change itself Families he shows do not simply experience the effects of political power but are themselves actors in the historical process The author brings human and personal elements to the fore with biographical details and individual family histories along with a fascinating selection of family photographs and portraits From WWI an indelible backdrop and imprinting force on the first half of the twentieth century to post war dictatorial power and family engineering initiatives to the conclusion of WWII this book shines new light on the profound relations among revolution dictatorship and family

Creating Identity in New Spain Rosalva Gomez-Adams, 2008 How to Make a New Spain Enrique Rodríguez-Alegría, 2023 As we enter the material worlds of Spanish colonizers we should get to know a little bit about the colonizers themselves In this chapter I characterize the economic standing of colonizers focusing on their wealth and the kinds of things on which they spent or invested their money To address issues of wealth it will be necessary to study the kinds of coin and other media of exchange that were in use in sixteenth century Mexico City The people compiling the probate inventories that form the basis of this study measured and recorded the value of each item in material terms the amount of gold that would be necessary to purchase a person s belongings They translated each decedent s net worth into coin in official documents with the intent of communicating and sending the value of the decedent s belongings to his or her family in Spain Calculating the value of a decedent s belongings as gold also helped the church and the Spanish crown collect some revenue from a person s estate through donations to the

church and taxes to the king **Entrepreneurship, Human Capital, and Regional Development** Rui Baptista, João Leitão, 2015-01-14 This book makes original contributions to the literature on clusters human capital and regional development by focusing on the link between entrepreneurship and economic growth aiming for a better understanding of the dynamics of growth determined by the entrepreneur's action in the regional space The focus is therefore on critical reflection and rethinking the articulation between three levels of analysis of economic systems namely entrepreneurship human capital and regional development which have not so far been perfectly articulated in the literature of reference on endogenous growth Although there has been significant research so far into the success and failure of clusters the implications of these multiple research efforts fail to provide political decision makers and company managers with critical information about which mechanisms lie behind cluster success and also about how clusters survive and prosper The innovative approaches presented in this book on entrepreneurship human capital mobility and regional development have considerable potential to create new and original implications for decision makers and managers In terms of value added this book contributes to the literature by seeking answers to the following questions i Is the growth and success of clusters over time due to concentration and transmission of business competences through spin offs located in a given regional space ii Does increased density of job options outside the workplace contribute to increased mobility of human capital between firms located within clusters and so improve coordination in the local labor market iii Do spin offs benefit from hiring workers from successful incumbents inasmuch as those workers are expected to perform better than other workers from different origins Integrating theoretical frameworks empirical research and regional case studies from Portugal Spain Norway and Turkey the editors and contributors demonstrate that the regional dynamics of industry growth are strongly influenced by the mobility of employees towards new firms **The Currency of Cultural Patrimony: The Spanish Golden Age** Robert

Bayliss, 2024-05-15 The Spanish Golden Age a cultural narrative that has developed and over four centuries remains a key element of how Spaniards articulate cultural identities both within Spain and to the outside world The Currency of Cultural Patrimony examines the development of this narrative by artists intellectuals historians academics and institutions By defining the Spanish Golden Age as a diachronic problem it examines several of Spain's most canonical golden age literary narratives including Don Quixote Fuenteovejuna and Las mocedades del Cid as texts whose institutionalization mediation and commercialization over the course of four hundred years inform their meaning both for contemporary Spaniards and for the field of Hispanic Studies around the world Spain's persistent deployment of this cultural patrimony as the canonical epicentre of a national literary tradition has stimulated diverse and often contradictory interpretations the cumulative effect of which informs their reception by each new generation of Spaniards This book's analysis of how this patrimony is interpreted according to both tradition and current circumstances illuminates new angles from which scholars can approach some of Hispanism's most persistent and vexing questions including the growing divide between popular and academic

understandings of the Spanish nation's classics **Public Humanities and the Spanish Civil War** Alison Ribeiro de Menezes, Antonio Cazorla-Sánchez, Adrian Shubert, 2018-12-12 This interdisciplinary collection of essays examines contemporary public history's engagement with the Spanish Civil War. The chapters discuss the history and mission of the main institutional archives of the war, contemporary and forensic archaeology of the conflict, burial sites, the affordances of digital culture in the sphere of war memory, the teaching of the conflict in Spanish school curricula, and the place of war memory within human rights initiatives. Adopting a strongly comparative focus, the authors argue for greater public visibility and more nuanced discussion of the Civil War's legacy, positing a virtual museum as one means to foster dialogue.

Modern Spain Jon Cowans, 2003-05-12 Immediately useful to anyone interested in Spanish history and culture. Virginia Quarterly Review *Ethnicity and Violence* Diego Muro, 2013-05-13 This book provides a genealogy of radical Basque nationalism and the means by which this complex, often violent political movement has reinforced Basque identity. Radical nationalists are mobilized by a shared frame of reference where ethnicity and violence are intertwined in a nostalgic recreation of a golden age and a quasi-religious imperative to restore that distant past. Muro critically examines the origins of the ethno-nationalist conflict and provides a comprehensive examination of Euskadi Ta Askatasuna's ETA violent campaign. The book analyzes the interplay of ethnicity and violence and stresses the role of inherited myths, memories, and cultural symbols to explain the ability of radical Basque nationalism to endure. **Creating Community in Spanish California** Sarah M. Ginn, 2009 *Shifting Borders* Jean-François Bélisle, Reid Cooper, Luke Nicholson, 2021-02-19 *Shifting Borders* brings together new research on visual culture by scholars located across North America. This compilation of essays explores the notion of borders in a range of domains, including art history, architecture, art theory, video games, performance art, artistic creation, and photography. The authors seek to address contemporary concerns affecting larger society through the lens of visual culture. The world is becoming increasingly globalized as nations and multilateral organizations advocate freer international trade, the sharing of technological and political ideas, and multiculturalism. Yet despite a rhetorical attachment to the message of lower national barriers, there has been a concomitant rise in veiled borders. These barriers promise to maintain cultural exclusion and economic hegemony. The essays in this volume share a desire to re-examine inherited knowledge systems to redefine the terms of debate and create spaces that more accurately reflect a just reality. While this is not the unique purview of Postmodern ethics, what is novel here is the willingness of the authors of these essays and the artists they investigate to identify with, dwell in, and expand upon the margins of their particular subject matter. The essays presented in *Shifting Borders* have the force to open up new forms and understandings of cultural difference and initiate new perspectives in and beyond their respective domains. **History of the World from the Creation of Man to the Present Day** Georg Weber, 1894 *Creating America*, 2002-02-02 *Creating the Kingdom of Quito* Eileen Willingham, 2001

Modern Spain Pamela Beth Radcliff, 2017-05-08 *Modern Spain 1808 to the Present* is a comprehensive overview of

Spanish history from the Napoleonic era to the present day Places a large emphasis on Spain's place within broader European and global history The chronological political narrative is enriched by separate chapters on long term economic social and cultural developments This presentation of modern Spanish history incorporates the latest thinking on key issues of modernity social movements nationalism democratization and democracy

Whispering the Strategies of Language: An Emotional Journey through **Creating Spaniards**

In a digitally-driven world where displays reign supreme and immediate connection drowns out the subtleties of language, the profound secrets and psychological subtleties hidden within phrases frequently go unheard. Yet, located within the pages of **Creating Spaniards** a charming literary treasure sporting with fresh feelings, lies an extraordinary journey waiting to be undertaken. Composed by a skilled wordsmith, this marvelous opus invites visitors on an introspective journey, lightly unraveling the veiled truths and profound impact resonating within the material of each word. Within the emotional depths with this touching review, we shall embark upon a sincere exploration of the book's primary subjects, dissect their fascinating writing type, and fail to the strong resonance it evokes strong within the recesses of readers' hearts.

Creating Spaniards Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Creating Spaniards free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Creating Spaniards free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer

free PDF downloads on a specific topic. While downloading Creating Spaniards free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Creating Spaniards. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Creating Spaniards any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Creating Spaniards Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Creating Spaniards is one of the best book in our library for free trial. We provide copy of Creating Spaniards in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Creating Spaniards. Where to download Creating Spaniards online for free? Are you looking for Creating Spaniards PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Creating Spaniards. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Creating Spaniards are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is

possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device.
