Designing Transformative Multicultural Initiatives Sherry K. Watt, 2023-07-03 Higher education is facing a perfect storm as it contends with changing demographics shrinking budgets and concerns about access and cost while underrepresented groups both in faculty ranks and students are voicing dissatisfaction with campus climate and demanding changes to structural inequities This book argues that to address the inexorable changes ahead colleges and universities need both to centralize the value of diversity and inclusion and employ a set of strategies that are enacted at all levels of their institutions It argues that individual and institutional change efforts can

only be achieved by implementing diversity as a value that is embracing social change efforts as central and additive rather than episodic and required and provides the research and theoretical frameworks to support this approach as well as tools and examples of practice that accomplish change The contributors to this book identify the elements that drive successful multicultural initiatives and that strengthen the effectiveness of campus efforts to dismantle systemic oppression as well as the individual and organization skills needed to manage difference effectively Among these is developing the capacity of administrators faculty and student affairs professionals as conscious scholar practitioners to sensitively manage conflicts on campus deconstruct challenging structures and reconstruct the environment intentionally to include in respectful ways experiences of historically marginalized groups and non dominant ways of being in the world The books focus on developing capacities for multicultural competence aligns with higher education s increasing emphasis on civic engagement and institutional goals promote skills to interact in meaningful and responsible ways around difference whether of people ideas or identities *Designing Transformative Multicultural Initiatives* provides guiding principles and practical strategies to successfully transform higher education to become fully inclusive and advance the success of all constituents and stakeholders

Angst and Hope: Current Issues in Student Affairs Leadership

Elizabeth J. Whitt,Larry D. Roper,Kent T. Porterfield,Jill E. Carnaghi,2016-04-11 From a fall 2015 survey of senior student affairs officers this issue of New Directions for Student Services summarizes the responses to the two questions about challenges and encouragements in student affairs The editors summarize trends and context of responses Survey data is reproduced in appendices

Rethinking Student Affairs

Practice Patrick G. Love,Sandra M. Estanek,2004-04-05 To be effective managers student affairs professionals must understand the structures and processes that form the organizational context in which they work and must be able to work within them These structures are often characterized by a rigid division of labor and an expectation that good managers can predict the outcomes of their efforts and can and should exercise control over the inputs However to be effective leaders they must be able to perceive new possibilities beyond those structures and expectations How can they do both Rethinking Student Affairs Practice offers an answer to that question Love and Estanek challenge their readers to perceive their

responsibilities institutions and relationships through multiple lenses They have developed a model for change based in four concepts that will help their readers do this The four concepts are valuing dualisms transcending paradigms recognizing connectedness and embracing paradox

Planning and Achieving Successful Student Affairs Facilities Projects Jerry Price, 2003-04-02 Here is a breakthrough sourcebook that not only argues that student affairs professionals need to assume leadership roles in campus facilities issues but also provides step by step guidelines in building a successful facility project from the first brainstorming session to the final coat of paint Editor Jerry Price dean of students at Drake University and contributors from all walks of the student affairs profession demonstrate that student affairs professionals are in a unique position of understanding the role of the campus in environment in students lives Chapters explore balancing multiple needs through innovative facility design options for financing residence hall renovation and construction and the relationship between housing programs and facilities and the institution's education mission Applicable information on assembling the project team the role of communication and ten key lessons for facilities planning renovation and building are also presented Lessons learned in the field are explored as well The UConn 2000 Initiative Case Study tells the story of one institution's success in developing and implementing a public policy initiative that would lead to billions of dollars in renewed investment in the university's core infrastructure Student affairs professionals live with students see how they interact with one another hear why they picked this particular school and listen to the reasons they are succeeding or failing Their education and experience lie in understanding how residence halls student unions dining services recreation and wellness centers and campus grounds each affect students experience in different ways This book demonstrates conclusively that the valuable expertise of student affairs professionals is therefore critical to ensuring that campus facilities projects ultimately achieve their intended goals

Stepping Up to Stepping Out: Helping Students Prepare for Life After College George S. McClellan, Jill Parker, 2012-06-21 Undergraduate students come to college from a myriad of pathways for a variety of purposes and the same can be said of them as they leave to head off into their next endeavors Arguably the most important goal of higher education is to prepare students to achieve their postcollege aspirations and campuses typically pursue that goal through a combination of curricular and co-curricular programs and services for students This issue offers readers a glimpse into contemporary context and practice related to helping students with their after college transition from one form of education two year or four year to the next four year graduate or professional school from education to workforce or from education to military service This is the 138th volume of this Jossey Bass higher education quarterly series An indispensable resource for vice presidents of student affairs deans of students student counselors and other student services professionals New Directions for Student Services offers guidelines and programs for aiding students in their total development emotional social physical and intellectual

College Students and Their Environments Cathy Akens,Raquel Wright-Mair,Joseph Martin Stevenson,2019-07-24 The best value that the reader will take from this book is the knowledge skills and wisdom offered by the editors and 26 chapter authors The book offers many unique features on how to create a college environment that fosters student learning growth development and supports student success The book approaches the college environment issue from a philosophical foundation and shows the reader what has made student affairs work increasingly complex By identifying some major shifts of student affairs work in history the text demonstrates how student affairs service providers became student affairs educators who actively shape the environment instead of being shaped or reactionary The book provides insights and implications on how the environmental theories might inform practice and also recommends how to study campus

environments Furthermore the text clarifies what student success is explores the primary frameworks used to boost student success and suggest what student affairs educators should consider when implementing student success initiatives Additionally the book addresses the intersection of professional competency areas through campus environment cultivation with social justice and inclusion for diverse student populations Particularly the book provides useful and practical examples of how faculty can work with graduate students in training to conduct an assessment of student needs and success This book is purposely written for those who are training to become student affairs educators and those who are newer in the profession It not only provides the reader with a theoretical framework but also some direction on how to create a college environment that is socially justice and inclusive

Demonstrating Student Success Megan Moore Gardner, Jessica Hickmott, Marilee J. Bresciani Ludvik, 2023-07-03 This practical guide to outcomes based assessment in student affairs is designed to help readers meet the growing demand for accountability and for demonstrating student learning The authors offer a framework for implementing the assessment of student learning and development and pragmatic advice on the strategies most appropriate for the readers particular circumstances Beginning with a brief history of assessment the book explains how to effectively engage in outcomes based assessment presents strategies for addressing the range of challenges and barriers student affairs practitioners are likely to face addresses institutional divisional and departmental collaboration and considers future developments in the assessment of student success One feature of the book is its use of real case studies that both illustrate current best practices in student affairs assessment that illuminate theory and provide examples of application The cases allow the authors to demonstrate that there are several approaches to evaluating student learning and development within student affairs illustrating how practice may vary according to institutional type institutional culture and available resources The authors explain how to set goals write outcomes describe the range of assessment methods available discuss criteria for evaluating outcomes based assessment and provide steps and questions to consider in designing the reflection and institutional assessment processes as well as how to effectively utilize and disseminate results Their expert knowledge tips and insights will enable readers to implement outcomes based assessment in ways that best meet the needs of their own unique campus environments

Student Success in College George D. Kuh, Jillian Kinzie, John H. Schuh, Elizabeth J. Whitt, 2011-01-07 Student Success in College describes policies programs and practices that a diverse set of institutions have used to enhance student achievement This book clearly shows the benefits of student learning and educational effectiveness that can be realized when these conditions are present Based on the Documenting Effective Educational Practice DEEP project from the Center for Postsecondary Research at Indiana University this book provides concrete examples from twenty institutions that other colleges and universities can learn from and adapt to help create a success oriented campus culture and learning environment

Serving Students with Disabilities Holley A. Belch, 2011-09-28 This issue examines what student services professionals can do to ensure the success of the growing population of students

with disabilities The contributors explore the critical role that community and dignity play in creating a meaningful educational experience for students with disabilities and show how to help these students gain meaningful access and full participation in campus activities In addition to such common concerns as fulfilling legal requirements and overcoming architectural barriers the contributors also address a full range of important issues such as effective approaches to recruitment and retention strategies for career and academic advising and the impact of financial resources on funding programs and services This is the 91st issue of the quarterly journal New Directions for Student Services
