

Creating Wellness

Catherine Chang

Creating Wellness:

Creating Wellbeing Narelle Lemon, Sharon McDonough, Mark Selkrig, 2025-11-14 Exploring how creative practices can revolutionise wellbeing and resilience in higher education this groundbreaking collection brings together 25 academics who reveal how engaging with creative processes from visual arts and crafts to performance and digital media can serve as powerful tools for self care and professional flourishing It acts as a guide for navigating the pressures of contemporary academia while maintaining one's authentic self through proven strategies such as visual journaling collaborative filmmaking and embodied creative practices Each chapter combines theoretical insights with practical applications offering both autoethnographic narratives and actionable case studies that demonstrate how making practices counter neoliberal academic pressures Whether you're seeking to integrate creativity into research enhance teaching through artistic approaches or build sustainable practices for personal wellbeing this book provides a roadmap From soil based art projects that foster ecological connection to comic making strategies for international educators it offers diverse pathways for reimagining your academic journey This would appeal to academics across all disciplines researchers in educational wellbeing and practitioners in arts and health fields With this one can transform isolated academic work into collaborative meaningful practice that nurtures both individual growth and institutional change Creating Wealth Gwendolyn Hallsmith, Bernard Lietaer, 2011-05-01 The power of local currencies Communities everywhere are challenged by issues such as health elder and child care housing education food security and the environment On the surface these problems appear to be rooted in economic crisis for example budget cuts have triggered reduced public services soaring food prices have created food security concerns and the subprime mortgage disaster has spawned record increases in foreclosures and homelessness However if communities could match their unmet needs with their underutilized resources many would find that while their economies may be struggling when measured in traditional terms they possess enough genuine wealth to allow all their inhabitants to enjoy a vastly improved quality of life Creating Wealth demonstrates how a healthy society can be attained through developing new systems of exchange Using creative initiatives such as time banks systems of barter and exchange and local currencies cities and towns can empower themselves and build vibrant healthy sustainable local economies In addition to presenting many compelling case studies of successful alternative currencies in action Creating Wealth also explores the different types of capital that communities have to draw on including natural built social human institutional cultural technological and financial This book will appeal to community activists city planners and other public officials and anyone interested in developing strong local economies Gwendolyn Hallsmith is the founder and director of Global Community Initiatives and the author of The Key to Sustainable Cities Bernard Lietaer is the world's leading authority on complementary currencies and the author of The Future of Money **Fitness, Vol. I: Lessons 1 - 45** Prodigy Books, 2023-07-02 Prodigy Books is committed to providing publisher quality low cost outstanding educational content to

teachers students and parents around the world This book is the first of two volumes in Fitness containing lessons 1 45
Volume I Lessons 1 45 Volume II Lessons 46 90 This title is part of the Prodigy Books Textbook Series **Creating Healthy Workplaces** Prof Sir Cary L Cooper CBE,Professor Caroline Biron,Professor Ronald J Burke,2014-02-28 The contributions in Creating Healthy Workplaces include a number of interventions that relate the efforts undertaken by researchers and organizations together to reduce stress and improve the mental and physical health of employees through positive change initiatives Those working in the field of occupational stress have received criticism that too much emphasis has been placed on negative issues and that positive initiatives have been largely ignored With the growing influence of the positive movement this book explores the implications of using a positive approach as opposed to a stress management one and compares the types of interventions they each require From a positive perspective there is a need to understand the characteristics of healthy thriving and flourishing people and organizations This book explores the implications of using a positive approach as opposed to a stress management one Some of the interventions described in Creating Healthy Workplaces target individuals and their attitudes and behaviours others target workplace relationships work units and the wider organization Outcomes such as reduced occurrences of smoking obesity depression elevated blood pressure accidents and workplace injuries presenteeism absence and staff turnover are reported The factors associated with the success of these interventions are identified and advice is given as to how interested individuals and organizations might proceed to develop worksite interventions on their own *Creating a Framework for Dissertation Preparation: Emerging Research and Opportunities* Moffett, Noran L.,2019-08-02 The dissertation processes across various disciplines are considered complicated tedious and confusing The professional community of scholars have contributed monumental works on methodology for specific disciplines however none have comprehensively created a framework which addresses these issues Creating a Framework for Dissertation Preparation Emerging Research and Opportunities is a critical research publication that provides relevant lived experiences and frameworks from across various disciplines that support theoretical frameworks and conceptual frameworks of the dissertation process Featuring a range of topics such as criminal justice information security and professional development this book is ideal for graduate program administrators deans department chairs professionals dissertation advisors educators administrators academicians and researchers *The Science of Happiness at Work: Creating a Positive and Productive Workplace Culture* Shu Chen Hou, Unlock the Secrets to a Happier More Productive Workplace Are you tired of the same old workplace routine Feeling uninspired unmotivated and stuck in a cycle of stress and burnout It s time to break free from the mundane and discover the transformative power of happiness at work Introducing The Science of Happiness at Work Creating a Positive and Productive Workplace Culture This groundbreaking book takes you on a journey to uncover the hidden secrets behind fostering a positive and thriving work environment Why Happiness Matters Happiness isn t just a feel good emotion it s a game changer for productivity and job satisfaction Studies show that
