## **Art Of Armed Robbery:**

**The Art of Armed Robbery** Terence George Michael Smith, Terry Smith, 2005 It s a profession where the dynamics of fear fast cars faster money and spontaneous yet controlled violence need to be properly understood You must balance brute force with intelligent instinct know every escape route blindfolded and spot the trouble makers before they make their move Because when you re leaving the scene of a crime at 100mph just one forced error can spell death This is the phenomenal autobiography of one of the most daring armed robbers of his generation He reveals the secrets of his success and tells how while on the run he came to be Britain s most wanted criminal leading to the gripping chain of events that led to his last ill fated job It was a job that nearly cost him his life and left him facing a 20 year stretch **Bloggers Inc - Britain's Biggest Armed Robberies** Terry Smith, 2012-04-19 From piracy on the high seas to the recent Securitas depot robbery in Kent Britain has a long and inglorious tradition of armed robbery as a way of life In this uniquely compelling history reformed career criminal Terry Smith brings the benefit of hard won wisdom to his analysis of all the major cases Casting a sharp eye over both the dangerously devil may care blagger and the more organised professional villain he brings an insider s point of view to the most high profile armed robberies of the past 50 years Each chapter has a full and comprehensive account of the robbery in the words of those who participated in it including some exclusive interview material the media police and court records starting from the initial spark through to the planning organisation and execution of the crime and how it came to be solved by law enforcement *The International Criminal Court and Africa* Charles Jalloh, Ilias Bantekas, 2017 This book considers the legal and political dimensions of the relationship between the International Criminal Court and Africa looking at the role of the European Union African Union and African diplomacy on the issue of sovereignty and impunity for international crimes *Art Heist* Susie Hodge, 2024-10-10 An intriguing investigation into over 50 elusive artworks that were stolen and never recovered Mona Lisa Starry Night Birth of Venus People travel for hundreds of miles to observe these breathtaking paintings with their own eyes Now discover the artworks that nobody can ever see and the fascinating stories behind their disappearance In this collection of daring heist stories read about Michelangelo s Mask of a Faun Caravaggio s Nativity Rembrandt s Portrait of the Artist as a Young Man C zanne s View of Auvers sur Oise Van Gogh s The Parsonage Garden at Nuenen in Spring With meticulous research and engaging storytelling this book uncovers the mysteries surrounding the thefts of these valuable artworks and many more Each fated work will be discussed to reveal why it and the artist who made it was significant Gain a deeper appreciation for these artists and the lasting impact they ve had on the art world This book also answers key questions about each missing piece including Why and how was it stolen What attempts have been made to recover it Leads red herrings and suspects Whether you re passionate about art or drawn to the thrill of solving mysteries this book offers a compelling narrative that will keep you engaged from cover to cover It s a must read for anyone curious about the intersection of art crime and history **An Introduction to Transnational Criminal Law** Neil

Boister,2012-09-06 States criminalize a wide range of transnational offences such as piracy human trafficking drug trafficking terrorism organized crime and cybercrime This book provides an introduction to this developing area of law setting out what transnational crimes are and how states can establish jurisdiction over them and enforce it *ART THEFT AND FORGERY INVESTIGATION* Robert E. Spiel,2000-01-01 The goal of this unique manual is to arm criminal investigators with tools and weapons that are suitable and effective against art theft and forgery The author with over 25 years experience in the art theft investigation field presents comprehensive techniques tips and ideas to help diminish the level of frustration experienced by criminal investigators required to handle the growing number and magnitude of art crimes The structure of the manual is simple and direct The first part guides the reader in the use of the text and introduces the art world environment The second part discusses the investigator s interaction with the victim including interviewing crime scene investigation and identifying and developing suspects Part three deals with offenders and covers such topics as art theft methods forgery techniques methods of distribution and investigative countermeasures The final section presents a comprehensive review of solutions and recoveries including chapters on legal weapons insurance and rewards the use of experts universal and variable contact group classifications object bulletins art criminal photo albums informant development undercover methods unidentified victims and recovery and seizure of stolen or fake art In addition the book is complemented by an extensive glossary and bibliographic resources This exceptionally unique manual is intended to function at an intensely practical level and is intended for both study and immediate reference The Oxford Handbook of the Law of the Sea Donald Rothwell,Alex G. Oude Elferink,Karen Nadine Scott,Tim Stephens (Law teacher),2015 Recent maritime disputes environmental disasters and piracy have raised the profile of the law of the sea This Oxford Handbook brings together high level analysis of all of its key aspects examining the role of particular regions in the development of the law of the sea management of the oceans resources and critical contemporary debates **Maritime Security and the Law of the Sea** Natalie Klein,2012-10-04 Maritime Security and the Law of the Sea examines the rights and duties of states across a broad spectrum of maritime security threats It provides comprehensive coverage of the different dimensions of maritime security in order to assess how responses to maritime security concerns are and should be shaping the law of the sea The discussion sets out the rules regulating passage of military vessels and military activities at sea law enforcement activities across the different maritime zones information sharing and intelligence gathering as well as armed conflict and naval warfare In doing so this book not only addresses traditional security concerns for naval power but also examines responses to contemporary maritime security threats such as terrorism weapons of mass destruction piracy drug trafficking environmental damage and illegal fishing While the protection of sovereignty and national interests remain fundamental to maritime security and the law of the sea there is increasing acceptance of a common interest that exists among states when seeking to respond to a variety of modern maritime security threats This book argues that security interests should be given greater scope in our

understanding of the law of the sea in light of the changing dynamics of exclusive and inclusive claims to ocean use More flexibility may be required in the interpretation and application of the UN Convention on the Law of the Sea if appropriate responses to ensure maritime security are to be allowed *Piracy at Sea* Maximo Q. Mejia, Jr.,Chie Kojima,Mark Sawyer,2013-11-22 Over more than three decades starting in the 1990s thousands of robberies acts of piracy and other violent attacks against merchant vessels have been reported in many of the world s waters The grave danger of piracy poses a direct threat not only to the security and efficiency of marine transportation but more seriously to the lives of the men and woman carrying out this important function This book collates ideas brought up by seafarers shipowners industry practitioners government officials academics and researchers exchanged views and insights on the complex web of underlying factors behind the phenomenon of piracy Piracy at Sea brings together a wide spectrum of maritime stakeholders who present different aspects of the problem in an open manner and share their thoughts on how to deal with a truly complex situation It encapsulates this collective wisdom in a publication that can serve as an easy reference for practitioners as well as researchers and hopefully contribute to more concrete action *Inside Art* Mary Brown,2002 An explanation of the way in which the study of art can act as a trigger for change in prisoners This stimulating work is based on conversations with artists including people in prison or who were once imprisoned It charts the importance of creative activity as an instrument of personal change As the author is compelled to say Individuals can and do change If there is a message in these stories this is it we need to listen understand and act upon it The physical walls around prisons must not become mental walls keeping us from understanding the worlds of those within We are all members of the society that builds the prison walls *Caring for our collections* Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee,2007-06-25 Incorporating HCP 1624 i and ii session 2005 06 previously unpublished *The Codification of Islamic Criminal Law in the Sudan* Olaf Köndgen,2017-11-01 In *The Codification of Islamic Criminal Law in the Sudan* Olaf Köndgen offers an in depth analysis of the Sudan s Islamized penal codes of 1983 and 1991 their historical political and juridical context their interpretation in the case law of the Supreme Court and their practical application He examines issues that arise in shar a criminal law including homicide bodily harm unlawful sexual intercourse zin liw rape unfounded accusation of unlawful sexual intercourse qadhif highway robbery ir ba apostasy ridda and alcohol consumption Drawing on a wide range of primary and secondary sources a large number of previously untapped Supreme Court cases and interviews with judges and politicians Köndgen convincingly explains the multiple contradictions and often surprising aspects of one of the Arab world s longest lasting applications of codified shar a criminal law Olaf Köndgen won the DAVO Dissertation Prize 2014 for his Ph D thesis This extremely well documented study represents a milestone for the discussion of Islamic criminal law in the Muslim world as a whole and in the Sudan especially Olaf Köndgen fills an academic void his work deserves the greatest recognition for its extraordinary quality its thoroughness and systematic approach Prof G nter Meyer Johannes Gutenberg University
