Real Fantasies Patricia Johnston,2023-11-15 During the 1920s and 1930s Edward Steichen was the most successful photographer in the advertising industry Although much has been said about Steichen s fine art photography his commercial work which appeared regularly in Vanity Fair Vogue Ladies Home Journal and almost every other popular magazine published in the United States has not received the attention it deserves At a time when photography was just beginning to replace drawings as the favored medium for advertising Steichen helped transform the producers of such products as Welch s grape juice and Jergens lotion from small family businesses to national household names In this book Patricia Johnston uses Steichen s work as a case study of the history of advertising and the American economy between the wars She traces the development of Steichen s work from an early naturalistic style through increasingly calculated attempts to construct consumer fantasies By the 1930s alluring images of romance and class developed in collaboration with agency staff and packaged in overtly manipulative and persuasive photographs became Steichen s stock in trade He was most frequently

chosen by agencies for products targeted toward women his images depicted vivacious singles earnest new mothers and other stereotypically female life stages that reveal a great deal about the industry's perceptions of and pitches to this particular audience Johnston presents an intriguing inside view of advertising agencies drawing on an array of internal documents to reconstruct the team process that involved clients art directors account executives copywriters and photographers Her book is a telling chronicle of the role of mass media imagery in reflecting shaping and challenging social values in American culture During the 1920s and 1930s Edward Steichen was the most successful photographer in the advertising industry Although much has been said about Steichen's fine art photography his commercial work which appeared regularly in *Vanity Fair* *Vogue* *Ladies Home Journal* **The British Journal of Photography**, 1989-03 **Liverpool and Manchester Photographic Journal**, 1989 **At the Cinema** William O'Byrne, 2001 *Australia* Sean McCollum, 2007-01-01 7 10 yrs **Careers in Focus** Ferguson, 2010-05-17 Profiles jobs in the newspaper industry such as art directors columnists foreign correspondents photo editors reporters and more **Occupational Outlook Handbook**, 1992 **Hollywood Classics Title Index to All Movies Reviewed in** John Howard Reid, 2010-10-27 A complete index to all the films reviewed in all 24 of the Hollywood Classics movie books this massive final volume not only devotes 120 pages to the title index but also contains 212 pages of exhaustive details and comments on an additional 80 must see films This additional 80 includes such classics as *A Streetcar Named Desire* the 1937 *Prisoner of Zenda* the multi award winning *All the King's Men* Alfred Hitchcock's *Vertigo* Henry King's *Tomb Raider* David Cecil B DeMille's *The Ten Commandments* Byron Haskin's *The War of the Worlds* the Vivien Leigh and Robert Taylor *Waterloo Bridge* the Clark Gable and Jean Harlow *Red Dust* Ronald Colman's *If I Were King* the classic noir *Out of the Past* three versions of *Romeo and Juliet* and the delightful Claudette Colbert and James Stewart comedy *It's a Wonderful World* **Classified Index of Decisions of the Regional Directors of the National Labor Relations Board in Representation Proceedings** United States. years of fashion photography updates and reevaluates this history in five chronological chapters by experts in photography and fashion history It includes more than three hundred photographs by the genre s most famous practitioners as well as important but lesser known figures alongside a selection of costumes fashion illustrations magazine covers and advertisements
