Creative Thought* Jd Jones,2004-11 The Republic of Creative Thought How to incorporate creativity in your work and
everyday life is a lifelong journey of ideas mostly from others We are all it seems destined to be creative It might take the
right culture the right environment the right sunset or the right person to ask the right questions to enhance creativity This
book looks at techniques that you can use to encourage creativity in your work and in your everyday life During my second
term as Governor many of my proposals came from suggestions made by volunteer transition teams and from
recommendations made by state employees who wanted to improve the quality of state service All it took was to let these
people be creative and explore new ideas for the future Creative thinking has made its way into modern industrial
management and the creation of wealth Toyota Production System made its appearance in mid 1977 and has since been
referred to as the ultimate production system in the world They believe it is not the conveyor that operates workers it is
workers who operate a conveyor the foundation of a human respect environment Your book and workshops will help to create
that right learning environment Honorable Cecil H Underwood Former Governor of West Virginia It is impossible to tell
people how to be creative When they follow your directions they are being imitative rather than creative It is possible
however to lead people to the water of creativity i e to encourage creativity Dr Jones provides the tools for encouraging
adults to be creative The reader learns how to create the proper environment and how to describe evaluate and reward
creativity The workshop suggestions empower readers to lead groups of friends or co workers to the waters of creativity
Those same ideas may be used by interested readers to expand their capacity to think outside the box Dr Edwin H Welch
