achieve forgiveness Be prepared though true forgiveness isn't easy It's a long ongoing process and a lifelong practice It's not a one time event However after reading this book I hope you too can find the freedom I discovered by releasing all the negativity that was holding you back and embracing positive outcomes I let go of anger bitterness and resentment replacing them with joy happiness and peace My goal is to guide you on your own forgiveness journey to help you find the peace necessary for growth and thriving Forgiveness is for you and is a powerful tool for your success It allows you to reclaim power from those who hurt you transforming what happened to you into something that works for you and it all begins in your mind I believe you cannot heal without forgiving and you cannot grow without healing So forgive heal grow and thrive

**Five Steps to Forgiveness** Everett L. Worthington, 2001 The Templeton Foundation whose board members include Desmond Tutu Jimmy Carter Robert Coles and others has already funded more than 5 million and

supported 58 studies to show that it's possible to teach people to forgive faster more thoroughly and with longer lasting results. The core of Everett Worthington's own research is his revolutionary five-step REACH program for forgiveness: R Recall the hurt, define your feelings and expectations; E Empathize with the one who hurt you; put yourself in the victimizer's shoes; A Give the Altruistic gift of forgiveness; commit to a selfless act; C Commit to forgive; make your act a public one; H Hold onto forgiveness; learn how not to slide back into thoughts of revenge and retaliation. The author lays out the research results that demonstrate that people who forgive are healthier and happier. It offers a new definition of forgiveness: it's not an act of will but rather a change in understanding. This revolutionary book provides readers with a new road out of the pain of victimization.
