Hobgood, 2014-01-23 Allison P Hobgood tells a new story about the emotional experiences of theatregoers in Renaissance England Through detailed case studies of canonical plays by Shakespeare Jonson Kyd and Heywood the reader will discover what it felt like to be part of performances in English theatre and appreciate the key role theatregoers played in the life of early modern drama How were spectators moved by delight fear or shame for example and how did their own reactions in turn make an impact on stage performances Addressing these questions and many more this book discerns not just how theatregoers were altered by drama's affective encounters but how they were undeniable influences upon those encounters Overall Hobgood reveals a unique collaboration between the English world and stage one that significantly reshapes the ways we watch read and understand early modern drama      **The Culture of Playgoing in Shakespeare's England** Anthony B. Dawson, Paul Yachnin, 2001-03-26 How was the experience of watching a play influenced by practices beyond the walls of the playhouse and what were the broader social and historical implications of the culture of playgoing The book sets out to answer such questions Interested first in what happened within the playhouse itself the authors focus on the person of the actor on stage props visual pleasure and audience behaviour At the same time their discussion moves outward to consider a range of cultural assumptions and practices such as eucharistic controversy prostitution social mobility iconoclasm Renaissance optics the formation of national memory and the dissemination of news Since the two authors have very different perspectives on these issues they have chosen a unique format rather than submerging their opposition they have highlighted it Their attacks and counter attacks as they contest each other's views in paired chapters result in a lively and illuminating debate      **Theatre Arts Monthly** , 1939      *The Theatre* , 1896 Vol for 1888 includes dramatic directory for Feb Dec vol for 1889 includes dramatic directory for Jan May      **Theatre Arts** Sheldon Cheney, Edith Juliet Rich Isaacs, 1955      The Elements of Drama J. West, 2021-11-30 A new

account of playgoing in Elizabethan England in which audiences participated as much as performers What if going to a play in Elizabethan England was more like attending a football match than a Broadway show or playing in one In Common Understandings Poetic Confusion William N West proposes a new account of the kind of participatory entertainment expected by the actors and the audience during the careers of Shakespeare and his contemporaries West finds surprising descriptions of these theatrical experiences in the figurative language of early modern players and playgoers including understanding confusion occupation eating and fighting Such words and ways of speaking are still in use today but their earlier meanings like that of theater itself are subtly importantly different from our own Playing was not confined to the actors on the stage but filled the playhouse embracing audiences and performers in collaborative experiences that did not belong to any one alone but to the assembled various crowd What emerged in playing was a kind of thinking and feeling distributed across persons and times that were otherwise distinct Thrown apples smashed bottles of beer and lumbering bears these and more gave verbal shape to the physical interactions between players and playgoers creating circuits of exchange production and consumption Theatre Guild Quarterly ,1937 *An Introductory Study of Trends in American Dramatic Criticism* Helen Katherine Herman,1937 **Theatre Arts on Acting** Laurence Senelick,2013-09-13 During its fifty year run Theatre Arts Magazine was a bustling forum for the foremost names in the performing arts including Stanislavski Laurence Olivier Lee Strasberg John Gielgud and Shelley Winters Renowned theatre historian Laurence Senelick has plundered its stunning archives to assemble a stellar collection of articles on every aspect of acting and theatrical life A Primer for Playgoers Edward A.
