

In this classic painting the artist has stopped time for one crystal clear moment. The early morning air is crisp and clean. Blows of the coming winter have kissed icy edges around the marsh, as the sun emerges from behind the barn a light in the window indicates that the farmer, as well as the mallards, are up and busy at the start of a new day. This image was selected for the cover of *The Farmer* in 1979, and gave the artist's work its first wide exposure.
