Art Tatum A Guide To His Recorded Music

David Layzer

Art Tatum A Guide To His Recorded Music:

Art Tatum Arnold Laubich, Ray Spencer, 1982 Art Tatum is generally acknowledged to be the greatest jazz pianist of all time This is both a catalog and a source book to his recorded music Included in this meticulously constructed computer aided discography are the details of 629 issued performances on 224 different record labels originating in 19 countries as well as 238 unissued performances with an easy to use chronological discography an unissued sessions list a compilation of issued discs cross referenced with the chronological discography an alphabetical index of titles a musician index and an Imitatums section which lists efforts by other musicians to play in Tatum s style

Music in the 20th Century (3 Vol Set) Dave DiMartino, 2016-04-15 This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons the immediate post Hiroshima Nagasaki period and the Korean War It also provides an account of US actions and attitudes during this period and China s response

Jazz Research and Performance Materials Eddie S. Meadows, 1995 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

Ellingtonia W. E. Timner, 2000-01-01 Edward Kennedy Duke Ellington 1899 1974 is recognized as one of the great composers and orchestra leaders of the twentieth century and is credited for raising jazz to its highest plateau He remained musically active through his entire life creating a prolific musical output Ellingtonia The Recorded Music of Duke Ellington and His Sidemen compiles Ellington s entire musical catalog from the first recording session in July 1923 to the last concert in March 1974 More than a discography the book comprises all the activities of these musicians including studio recordings movie soundtracks concerts dance dates radio broadcasts telecasts and private and unissued recordings as well as recordings made by Ellington s sidemen under their own names or with other bands W E Timner provides the date location and personnel for each session the label of first issue master and take numbers if available and song title including alternate titles and derivatives

Containing a comprehensive guide for users and indexes of titles musicians cities venues and general subjects this completely revised and updated 5th edition also contains a new section listing Ellington s radio broadcasts and telecasts Complete with extensive footnotes Ellingtonia remains an indispensable and easy to use reference source for Jazz collectors and scholars

Cosmogenesis David Layzer, 1991-03-21 Eminent Harvard astrophysicist David Layzer offers readers a unified theory of natural order and its origins from the permanence stability and orderliness of sub atomic particles to the evolution of the human mind Cosmogenesis provides the first extended account of a controversial theory that connects quantum mechanics with the second law of thermodynamics and presents novel resolutions of longstanding paradoxes in these theories such as those of Schroedinger s cat and the arrow of time Layzer s main concerns in the second half of the book are with the philosophical issues surrounding science He develops a highly original reconciliation of the conflict between traditional scientific determinism and the intuitive notion of individual freedom He argues that although the elementary processes underlying biological evolution and human development are governed by physical laws they are

nevertheless genuinely creative and unpredictable

Encyclopedia of Music in the 20th Century Lol Henderson, Lee Stacey, 2014-01-27 The Encyclopedia of Music in the 20th Century is an alphabetically arranged encyclopedia of all aspects of music in various parts of the world during the 20th century It covers the major musical styles concert music jazz pop rock etc and such key genres as opera orchestral music be bop blues country etc Articles on individuals provide biographical information on their life and works and explore the contribution each has made in the field Illustrated and fully cross referenced the Encyclopedia of Music in the 20th Century also provides Suggested Listening and Further Reading information A good first point of reference for students librarians and music scholars as well as for the general reader

Marshal Royal Marshal Royal, 2001-09-01 Marsgal Royal was a core member of the Count Basei Orchestra for twenty years during its resurgence in the 1950s and 1960s Before that he was a pioneer of jazz on the West Coast playing with many bands in and around Los Angeles A child prodigy of both the violin and saxophone Royal was literally born on the road as his musician parents made their way West Royal shares his experiences with Les Hite s band at Sebastian s New Cotton Club where s Orchestra after a wartime career in U S Navy bands After leaving Hampton Royal made countless recordings as a freelancer before joining Basie where he was responsible for rehearsing the Orchestra Later he became internationally known as a soloist while continuing his prolific recording career His brother Ernie who was a star trumpeter in the bands of Woody Herman and Stan Kenton is also profiled Claire P Gordon is the editor of Rex Stewart s memoir Boy Meets Horn and of Stewart s other collections of writings She lives on the West Coast and has a long term interest in the oral history of jazz

Encyclopedia of Recorded Sound Frank Hoffmann, 2004-11-12 First Published in 2005 The Encyclopedia of Recorded Sound 2nd edition is an A to Z reference work covering the entire history of recorded sound from Edison discs to CDs and MP3 Entries range from technical terms Acoustics Back Tracking Quadraphonic to recording genres blues opera spoken word to histories of industry leaders and record labels to famed recording artists focusing on their impact on recorded sound Entries range in length from 25 word definitions of terms to 5000 word essays Drawing on a panel of experts the general editor has pulled together a wealth of information The volume concludes with a complete reference bibliography and a deep index

Where the Dark and the Light Folks Meet Randall Sandke, 2023-06-14 *Where the Dark and the Light Folks Meet* tackles a controversial question Is jazz the product of an insulated African American environment shut off from the rest of society by strictures of segregation and discrimination or is it more properly understood as the juncture of a wide variety of influences under the broader umbrella of American culture This book does not question that jazz was created and largely driven by African Americans but rather posits that black culture has been more open to outside influences than most commentators are likely to admit The majority of jazz writers past and present have embraced an exclusionary viewpoint *Where the Dark and the Light Folks Meet* begins by looking at many of these writers from the birth of jazz history up to the present day to see how and why their views have strayed from the historical record This book challenges many widely held

beliefs regarding the history and nature of jazz in an attempt to free jazz of the socio political baggage that has s **The Guinness Encyclopedia of Popular Music** Colin Larkin,1992 **Too Marvelous for Words** James Lester,1995-07-13 Art Tatum defined the limits of the possible in jazz piano Gunther Schuller called Tatum s playing a marvel of perfection His deep in the keys full piano sonority the tone and touch control in pyrotechnical passages are miracles of performance Whitney Balliett wrote no pianist has ever hit notes more beautifully Each one no matter how fast the tempo was light and complete and resonant like the letters on a finely printed page His famous runs have been compared to the arc left against the night sky by a Fourth of July sparkler And to have heard him play one musician said was as awe inspiring as to have seen the Grand Canyon or Halley s Comet Now in *Too Marvelous For Words* James Lester provides the first full length biography of the greatest virtuoso performer in the history of jazz Before this volume little was known about Tatum even among jazz aficionados What were his origins who taught him and who provided early pianistic influences how did he break into the jazz field what role did he play in the development of other jazz players and what was he like when he wasn t playing To answer these questions Lester has conducted almost a hundred interviews for this book with surviving family childhood friends schoolteachers and the famous jazz musicians who played with him or knew him Lester creates a memorable portrait of this unique musician and of the vibrant jazz world of the 1930s and 1940s capturing the complexity and vitality of this remarkable performer Tatum who was virtually blind suffering between 70% and 90% visual impairment emerges as cheerful fun loving energetic and out going with none of the demonic self destructiveness that seemed to haunt such jazz greats as Charlie Parker or Billie Holiday He often joked about his blindness but did not like it mentioned as a handicap and preferred to pre plan his entrance to the piano in a club rather than have someone lead him there He was simply inexhaustible and had a life long habit of staying up all night after a gig usually seeking an after hours club in which to listen and play until daybreak Lester also reveals that Tatum was generous with younger players but his extraordinary technical brilliance often devastated them No less a talent than Oscar Peterson remembers that after first hearing Tatum I gave up the piano for two solid months and I had crying fits at night And Les Paul remarked that after hearing Tatum for the first time he quit piano completely and began playing guitar Perhaps most important Lester provides a thorough knowledgeable discussion of Tatum s music from his early influences such as stride pianist Fats Waller to his mature style in which Liszt Rachmaninoff Debussy Waller and Earl Hines all became grist for his harmonic mill From unexceptional origins in Toledo Ohio Art Tatum evolved into a world class musician whose importance in jazz is comparable to Louis Armstrong and Charlie Parker and whose command of the piano captured the admiration of Horowitz and Paderewski *Too Marvelous For Words* is the first full portrait of this extraordinary musical genius **A Concise History of Jazz** John Robert Brown,2010-10-07 John Robert Brown presents an enthusiastic and authoritative account of a century of jazz Written in a clear and engaging style by a well known British author and jazz educator this book offers an affectionate introduction to the people and places that are of worldwide

importance in the history of this wonderful music **Jazz** Eddie S. Meadows, 2013-10-23 Jazz Research and Pedagogy is the third edition of an annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995 the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade *Ella Fitzgerald* J. Wilfred Johnson, 2001-01-01 Ella Fitzgerald was one of America's greatest jazz singers This volume is as complete a discography of her recorded songs as currently seems possible to compile This volume also contains a complete discography 1927-1939 for drummer and bandleader Chick Webb with whom Ella began her recording career in 1935 Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella Part Two gives the complete contents of Ella's LPs and CDs including track listings titles with lyricists and composers and timings Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records with detailed information on each song's composer lyricist and history Reviews of the movies in which Ella appeared and surveys of her career with the Decca Verve and Pablo music companies are included The book also has an index of album and CD recordings and composers lyricists and musicians **More Important Than the Music** Bruce D. Epperson, 2013-10-01 Today jazz is considered high art America's national music and the catalog of its recordings its discography is often taken for granted But behind jazz discography is a fraught and highly colorful history of research fanaticism and the intense desire to know who played what where and when This history gets its first full length treatment in Bruce D Epperson's *More Important Than the Music* Following the dedicated few who sought to keep jazz's legacy organized Epperson tells a fascinating story of archival pursuit in the face of negligence and deception a tale that saw curses and threats regularly employed with fisticuffs and lawsuits only slightly rarer Epperson examines the documentation of recorded jazz from its casual origins as a novelty in the 1920s and 30s through the overwhelming deluge of 12 inch vinyl records in the middle of the twentieth century to the use of computers by today's discographers Though he focuses much of his attention on comprehensive discographies he also examines the development of a variety of related listings such as buyer's guides and library catalogs and he closes with a look toward discography's future From the little black book to the full featured online database *More Important Than the Music* offers a history not just of jazz discography but of the profoundly human desire to preserve history itself *The Rough Guide to Amsterdam* Directions Martin Dunford, Phil Lee, 2004-08 Amsterdam is one of Europe's great cities and this guide includes the best that the Dutch city has to offer It includes ideas such as where to go and what to see as well as recommendations for hundreds of cafes bars and restaurants *Artie Shaw* Vladimir

Simosko,2000-01-19 Artie Shaw the world famous clarinet playing bandleader who became popular during the Swing Era was immersed in the music business as a performer for 30 years from the summer of 1924 when he began to study saxophone until the summer of 1954 when he stopped performing This period of activity is the focus of this musical biography and discography a detailed account of Shaw s musical career and recorded output The book begins with a summary of Shaw s career in the contexts of jazz history and social setting then moves into more detail The chronologically arranged sections mirroring each phase of his career incorporate contemporary reviews and interview quotes to create an insightful narrative The discography lists all known recordings and is separate from the text to facilitate easy reference Includes appendixes and index

The Encyclopedia of Popular Music: Swift, Rob - ZZ Top Colin Larkin,2006
Containing 27 000 entries and over 6 000 new entries the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz country folk rap reggae techno musicals and world music the Encyclopedia also offers thousands of additional entries covering popular music genres trends styles record labels venues and music festivals Key dates biographies and further reading are provided for artists covered along with complete discographies that include record labels release dates and a 5 star album rating system

Music and the Creative Spirit Lloyd Peterson,2006-07-27 Like most ground breaking art forms contemporary creative music is rarely understood or accepted in its own time and for those reasons can largely go unheard Music and the Creative Spirit Innovators in Jazz Improvisation and the Avant Garde aims to give today s brightest music innovators due recognition and respect celebrating their work and creativity Through personal interviews artists such as Pat Metheny Regina Carter Joshua Redman Fred Anderson Dave Holland Bill Frisell David Murray and John Zorn to name just a few offer clear frank discussions about music creativity work society culture current events and more Author Lloyd Peterson has hand picked these artists specifically for their ability to express themselves through their own creative voices and transcend their art form through the strength of their own ingenious spirit Their music eschews categorization genre or style and the book necessarily takes a broader view of jazz tapping into the inventive aspect that is difficult to describe or teach and is rarely discussed By allowing the innovators an opportunity to speak for themselves readers are afforded a clearer sense of their attitudes and approaches their ways of working and their views of contemporary music and society

Art Tatum A Guide To His Recorded Music Introduction

In the digital age, access to information has become easier than ever before. The ability to download Art Tatum A Guide To His Recorded Music has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Art Tatum A Guide To His Recorded Music has opened up a world of possibilities. Downloading Art Tatum A Guide To His Recorded Music provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Art Tatum A Guide To His Recorded Music has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Art Tatum A Guide To His Recorded Music. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Art Tatum A Guide To His Recorded Music. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Art Tatum A Guide To His Recorded Music, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Art Tatum A Guide To His Recorded Music has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Art Tatum A Guide To His Recorded Music Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Art Tatum A Guide To His Recorded Music is one of the best book in our library for free trial. We provide copy of Art Tatum A Guide To His Recorded Music in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Art Tatum A Guide To His Recorded Music. Where to download Art Tatum A Guide To His Recorded Music online for free? Are you looking for Art Tatum A Guide To His Recorded Music PDF? This is definitely going to save you time and cash in something you should think about.
