Clarke's World of Strange Powers** John Fairley, Simon Welfare, 1984 *Arthur C. Clarke's Mysteries* John Fairley, Simon Welfare, 2000 Stories from the popular television shows Arthur C Clarke s Mysterious World and Arthur C Clarke s World of Strange Powers are collected in one volume for those who like a good detective story laced with the unexplained Photos *Astonishing Mind Powers* Carl R. be verified but because their existence challenges deeply held worldviews more strongly rooted in religious and philosophical beliefs than in hard science Carter reveals how the doctrine of materialism in which nothing matters but matter has become an infallible article of faith for many scientists and philosophers much like the convictions of religious fundamentalists Consequently the possibility of psychic abilities cannot be tolerated because their existence would refute materialism and contradict a deeply ingrained ideology By outlining the origin of this passionate debate Carter calls on all open minded individuals to disregard the church of skepticism and reach their own conclusions by looking at the vast body of evidence
