P. Parry,1989-03-02 An account of how the various religious and educational issues tackled by politicians led to the fall of Gladstone s first liberal party government in 1874 and to an identity crisis for British Liberalism **Poetical Works** Samuel Taylor Coleridge,2001 **Life of Elie Metchnikoff, 1845-1916** Olga Metchnikoff,2022-09-05 DigiCat Publishing presents to you this special edition of Life of Elie Metchnikoff 1845 1916 by Olga Metchnikoff DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature *The Cambridge Apostles, 1820-1914* William C. Lubenow,1998-10-29 This book offers a highly engaging history of the world s most famous secret society the Cambridge Apostles based upon the lives careers and correspondence of the 255 Apostles elected to the Cambridge Conversazione Society between 1820 and 1914 It examines the way in which the Apostles recruited their membership the Society s discussions and its intellectual preoccupations From its pages emerge such figures as F D Maurice John Sterling John Mitchell Kemble Richard Trench Fenton Hort James Clerk Maxwell Henry Sidgwick Lytton Strachey E M Forster and John Maynard Keynes The careers of these and many other leading Apostles are traced through parliament government letters and in public school and university reform The book also makes an important contribution in discussing the role of liberalism imagination and friendship at the intersection of the life of learning and public life This is a major contribution to the intellectual and social history of the nineteenth and early twentieth centuries and to the history of the University of Cambridge It demonstrates in impressive depth just how and why the Apostles forged original themes in modern intellectual life *Coleridge's Later Poetry* Morton D. Bach Choir: The First Hundred Years Basil Keen, 2017-07-05 This study of the Bach Choir provides a much needed overview of one of the major choral societies in London Dr Basil Keen examines the background that led to the formation of an ad hoc body to give the first performance in England of J S Bach s B minor Mass The musical and organizational effects of a permanent choral society drawn from one social group are traced during the first twenty years after such time the pressures of social change led to a complete review followed by a restructuring of the methods of recruitment and internal organization The rebuilding of the choir at the opening of the twentieth century the expansion of the repertoire the upheaval resulting from the First World War and the impact of these events on preparation and performance are all considered The book is essentially structured around the tenure of successive Musical Directors Otto Goldschmidt Charles Villiers Stanford Walford Davies Hugh Allen Ralph Vaughan Williams Adrian Boult Reginald Jacques and David Willcocks since their varied tastes and interests inevitably had a decisive influence on policy Keen draws upon previously unpublished material including

minutes and correspondence of the Bach Choir interviews with relatives and descendants and examination of family records and correspondence To date there has been no survey of a major London choir that encompasses the full history of the organization in context In this study Dr Basil Keen provides a thorough examination of the Bach Choir including the response of the choir to social changes the influence of conductors and officials changes in musical taste relationships with composers and composition major national and international events and the effect of these matters on organization and repertoire A Critical Study of the Works of Four British Writers Donald Elwin Stanford,2006 This assigns a rightful place in the British literary canon to four authors wrongly forgotten or marginalized Each chapter on one of the four authors is subdivided into sections that present the writer s life discussions of their writings organized by genre and their connections with other writers of the day The author draws on both published and unpublished sources to create a book about a literary period of dramatic transition **The India Office, 1880-1910** Arnold P. Kaminsky,1986-02-21 **Nation** ,1921 **Library of a Humanist** Brick Row Book Shop (New York, N.Y.),1948 The Nation and Athenæum ,1921-04 *The Nation and Athenæum* ,1921 **The Nation and the Athenæum** ,1921
