Most Evil Is Done by Good People Who Do Not Know That They Are Not Good Ferd L. Wagner,2010-05 This book takes the view that Christian truth is the basis for all answers to social issues and that there are not two opposing but equal answers within Christian truth that are equally valid and equally acceptable to God Any so called truth or right that circumvents or undercuts the required sacrifices disciplines and self denial demanded by God in any given social or moral issue ceases to be truth ceases to be right the moment it becomes a force unto itself outside of or independent of the Scripturally required obedience Human history has shown over the millennia that when the letter and spirit of God s laws are not obeyed the truth is abused nations become confused and people are used Many of our political and social issues are rooted in our misplaced belief that tolerance inclusion equal respect for unequal truth and live and let live is the way to greater peace and prosperity They are all wrong Each individual government and nation is judged by their response to Christ The Christian nation or one which ascribes to being one is tasked to set the Christian standard as every nation s point of reference It is the Christian s duty to show that the valid rule of God s law the letter of God s law and the spirit of God s law are superior to any other alternative standard The biggest obstacle to Christianity today is the undisciplined misinformed and unfaithful lifestyles of professing Christians The Church has become so indoctrinated in its aversion to any form of discrimination that it has placed a higher priority on keeping the peace by compromising than by keeping the truth by discriminating By accepting a false peace and rejecting a hard truth that resists compromise it begets neither peace nor truth Your Child Abroad Jane Wilson-Howarth,Dr. Matthew Ellis,2005 A down to earth guide for anyone traveling overseas with children whether on a two week family vacation or a long stay posting in the developing world

Holy Sobriety in Modern Russia Kimberly Page Herrlinger, 2023-08-15 Drawing on multiple archives and primary sources including secret police files and samizdat Holy Sobriety in Modern Russia reconstructs the history of a spiritual movement that survived persecution by the Orthodox church and decades of official atheism and still exists today Since 1894 tens of thousands of Russians have found hope and faith through the teachings and prayers of the charismatic lay preacher and healer Brother Ioann Churikov 1861 1933 Inspired by Churikov s deep piety miraculous healing ability and scripture based philosophy known as holy sobriety the trezvenniki or sober ones reclaimed their lives from the effects of alcoholism unemployment domestic abuse and illness Page Herrlinger examines the lived religious experience and official repression of this primarily working class community over the span of Russia s tumultuous twentieth century crossing over and challenging the traditional divide between religious and secular studies of Russia and the Soviet Union and highlighting previously unseen patterns of change and continuity between Russia s tsarist and socialist pasts This grass roots faith community makes an ideal case study through which to explore patterns of spiritual searching and religious toleration under both tsarist and Soviet rule providing a deeper context for today s discussions about the relationship between Russian Orthodoxy and national identity Holy Sobriety in Modern Russia is a story of resilience reinvention and resistance Herrlinger s analysis seeks to understand these unorthodox believers as active agents exercising their perceived right to live according to their beliefs both as individuals and as a community
