TinkerLab Art Starts Rachelle Doorley, 2020-11-24 Get inspired with hands-on creative prompts for children ages 3-8 featuring simple materials you can find at home from an experienced art teacher. Open-ended art prompts that give children opportunities to think creatively rather than follow directions are essential to raising learners who are comfortable with the unknown and eager to tackle it with problem-solving skills, self-efficacy, and critical thinking. From drawing, painting, and paper cutting to making three-dimensional art with clay and recycled materials, these 52 fun and engaging ideas for creative art play use everyday household materials to get kids engaged in their own explorations. These activities are led primarily by the environment. The set-up itself is the teacher and will encourage children to think of creative ways to use the provided materials. With foundational information at the start of the book, parents will understand the power of art prompts to foster children's creativity and will be given a variety of ideas for creating a making space and encouraging self-directed play.
