Theresa King

Created In Her Image Models Of The Feminine Divine:

Created in Her Image Eleanor Rae, Bernice Marie-Daly, 1990 Explores the creation of male and female in God's own image and pursues the need for a system of sacred symbols and images that assert the dignity and being of women **God Beyond Gender** Gail Ramshaw, 1995 The debate about God language has two opposing extremes One side maintains that biblical language and masculine pronouns must be retained The other argues that female imagery for God is preferable Now Gail Ramshaw presents a third position urging the inclusion of many images for God the correction of others and the total avoidance of any pronouns **The Feminist Question** Francis Martin, 2011-10-14 The first work to undertake a theological critique of Christian feminism as a whole this book seeks to bring traditional faith and the feminist position into a deeper dialogue Part One presents an overview of the historical issues raised by feminist theology Part Two compares key feminist theological presuppositions to the prophetic interpretation of reality found in the biblical tradition Women, Ritual, and Power Elizabeth Ursic, 2014-09-30 Reveals the triumphs and struggles of contemporary Christian congregations to express female imagery of God in worship Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In Women Ritual and Power Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy Women Ritual and Power is an important contribution to the theological world Elizabeth Ursic sheds light on what has enabled churches to include female images for the divine and provides multiple narratives of the negative reactions to such images As she displays how gender is understood in Christian worship with evidence that some churches do include feminist imagery the continuing presence of patriarchy is also revealed The book is basically about the constructive function of the inclusion of feminine images for all One of the main reasons we need this book is that Ursic perceives there is a much wider larger group of Christians who would love to have more feminist images than is recognized in churches and church practices Mary McClintock Fulkerson author of Changing the Subject Women's Discourses and Feminist Theology The Spiral Path Theresa King, 1992-09 This treasure of diverse and visionary writings explores the sacredness of women's everyday lives Twenty two contemporary spiritual teachers including Irina Tweedie Brooke Medicine Eagle Swami Radha Bernadette Roberts and Mary Giles probe aspects of their lives from sexuality work and cooking to relationships prayer and mysticism A vision then emerges of women as extraordinary sacred beings their lives sources of personal and community transformation This book is a guide for those seeking a practical workable spiritual life The Politics of Prayer Helen Hull Hitchcock, 1992 Distinguished Catholic and Jewish scholars theologians and linguists

offer important insights into the functions of language as well as penetrating analyses of the feminists influence on Scripture and worship

Hail Mary? Maurice Hamington, 2014-04-23 Hail Mary examines the sexist and misogynist themes that underlie the socially constructed religious imagery of Mary the mother of Jesus Maurice Hamington explores the sources for three prominent Marian images Mary as the the blessed Virgin Mary the Mediatrix and Mary the second Eve Hamington critiques these images for the valorization of sexist forces with the Catholic Church that serve to maintain systems of oppression against women In challenging dominant religious representations of Mary Hamington surveys a variety of emerging reinterpretations of Mary He then provides a framework for further study of non alienating images of Mary

Women, the Earth, the Divine Eleanor Rae, 1994 Eleanor Rae co author of Created in Her Image weaves together three compelling topics of contemporary concern women s identity the environmental crisis and the feminine divine Women the Earth the Divine presents the case for rediscovering a feminine principle that is not the product of a patriarchal worldview Rather Rae derives it from the real experience of women from the East as well as the West Rae looks at the articulation of a feminine principle from the perspective of ecofeminism and in light of the contribution the religions of the world can make to the ecofeminist project A Jungian and process theology perception of the complementarity of the sexes becomes the framework for Rae s discussion which invites dialogue between women and men scientists and religionists Women the Earth the Divine examines Western tendencies that ignore women s voices and experience and disregard women s approaches to every aspect of life including science and economics psychology and sociology philosophy and theology Rae argues that reclaiming the feminine principle provides the key element to the dialogue that must take place among peoples if the real and immediate needs of the world and especially of the environmental crisis are to be addressed Part I of Women the Earth the Divine explores the present situation of women and the basics of ecofeminism Part II relates the basis for an Earth centered ethic cognizant of the link between the oppression of women and the exploitation of nature In Part III Rae s chapter on the Holy Spirit as the feminine divine is a breathtaking tour de force which retrieves basic elements for a re articulation of Christian identity Women the Earth the Divine concludes with surveys of the feminine principle in four major world religions Hinduism Judaism Buddhism and Islam

At the Crossroads , 1992 *Franz Schubert and the Mysterium Magnum* Frank Ruppert, 2009-06

The Metaphor of Gender Katherine Abetz, 2025-01-06 Surely from now on all generations will call me blessed Luke 1 48 Trying to suppress sexual difference is to invite a genocide more radical than any destruction that has ever existed in History Luce Irigaray Gendered identity always a sore spot in church history looks set to become a major thorn in the cultural flesh Mary has played more than one part in that history often in constricting ways Is something missing here Where are the generations who call her blessed Where are those who celebrate the interactions of divinity and humanity female and male in the announcement of a pregnant woman with God in utero This book follows The Wizard s Illusion revisiting the Land of Oz Traveling companions range from Elizabeth A Johnson to Paul Ricoeur and C S Lewis from

Augustine and Karl Barth to Grace M Jantzen and Catherine Keller The quest is the imago Dei with its interweaving motifs in which there is room for the other in which gender is a metaphor for something far greater Identity meaning or postmodern ambiguity Vive la difference or vive la difference That is the question for our generation **Uniting Sex, Self & Spirit**,1993 **Woman of Power** ,1991 **The Rise of Yahwism** Johannes Cornelis Moor,1997 **Western Buddhist Feminists' Contribution to Christian Theology** Dong Jin Kim,2022-12-06 This book discusses gender injustice and justice in religious institutions and spiritual life Fixed as a gender God Goddess leads those who have the same gender to subordinate anyone who differs In this sense the patriarchal and androcentric system has caused many religious women to lose their spiritual and faithful equality and identities in a church This book details how Western Buddhist feminists find that after recuperating women s equivalent rights and identities both religious men and women need to meditate to achieve the emptiness of gender ego gender privilege and prejudice which then leads to awakening and enlightenment from ignorance To apply such skills in Christian theology gender justice comes from spiritual equality and courage awakening and repentance in their contemplative and meditative lives This book suggests that for women s spiritual and real liberation and happiness both inner trainings and external social actions have to go together Changing Church Jann Aldredge-Clanton,2011-11-01 Through the fascinating stories of pioneering ministers this book reveals a unique picture of progressive changes occurring in the Christian tradition Meeting challenges and overcoming obstacles these twelve diverse ministers are changing the church as they take prophetic stands on gender race interfaith cooperation ecology sexual orientation economic opportunity and other social justice issues Believing in the power of sacred symbolism to shape social reality and to provide a foundation for justice and freedom for all people these ministers lead worship with inclusive language and imagery for humanity and divinity They include multicultural female and male images of the Divine Their stories affirm the connection between this expansive theology and an ethic of justice and equality in human relationships In working from within to change the church these ministers have risked censure by denominational authorities loss of opportunities for promotion to larger congregations or to prestigious denominational positions and even loss of their jobs They have found creative ways to balance advocating for change and working to support the church using their positions as ordained clergy to bring liberating change to the church and the wider culture **The Oxford Handbook of Feminist Theology** Mary McClintock Fulkerson,Sheila Briggs,2012 This volume highlights the relevance of globalization and the insights of gender studies and religious studies for feminist theology It focuses on the changing global contexts for the field and its movement towards new models of theology distinct from the forms of traditional Christian systematic theology and of secular feminism **Pharaoh Akhenaten, The God of Light** AJ Carmichael,2025-09-03 For over two millennia the gods of Egypt ruled in harmonious plurality Amun Re Ptah and countless others sustaining the rhythms of life along the Nile Then came Akhenaten He dared to do what no Egyptian king had attempted to silence the chorus of gods and proclaim one god alone Aten the radiant sun disk His vision

reshaped religion art politics and even the cityscape itself with the founding of a dazzling new capital Amarna Yet his revolution burned bright and brief Within a generation his god was cast down his temples dismantled and his memory cursed This book explores the drama of Akhenaten s reign in all its facets his inheritance from Amenhotep III s golden age his clash with the powerful priesthood of Amun the radical art and theology of Amarna and the swift collapse of Atenism after his death Drawing on archaeology history and cultural memory it reveals how Akhenaten s bold experiment stands as both precursor and warning to later monotheisms Was he a visionary prophet a tyrant blinded by zeal or simply a dreamer undone by his own exclusivity Akhenaten s Revolution examines one of history s most fascinating figures whose shadow still lingers in debates about faith power and the fragile balance between tradition and change *The Varieties of Goddess Experience*
Mary Ellen Shaw,2001 *Elenchus of Biblica* ,1993

Created In Her Image Models Of The Feminine Divine Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Created In Her Image Models Of The Feminine Divine free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Created In Her Image Models Of The Feminine Divine free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Created

In Her Image Models Of The Feminine Divine free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Created In Her Image Models Of The Feminine Divine. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Created In Her Image Models Of The Feminine Divine any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Created In Her Image Models Of The Feminine Divine Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Created In Her Image Models Of The Feminine Divine is one of the best book in our library for free trial. We provide copy of Created In Her Image Models Of The Feminine Divine in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Created In Her Image Models Of The Feminine Divine. Where to download Created In Her Image Models Of The Feminine Divine online for free? Are you looking for Created In Her Image Models Of The Feminine Divine PDF? This is definitely going to save you time and cash in something you should think about.
