Creating Alternative Futures Hazel Henderson,1980 **The Monk/manager and the Road to Abbey-management** Eric R. J. Lefebvre,1997 **Capitalism, Democracy, and Ecology** Timothy W. Luke,1999 The world that was revolutionized by industrialization is being remade by the information revolution But this is mostly a revolution from above increasingly shaped by a new class of technocrats experts and professionals in the service of corporate capitalism Using Marx as a touchstone Timothy W Luke warns that if communities are not to be overwhelmed by new class economic and political agendas then the practice of democracy must be reconstituted on a more populist basis However the galvanizing force for this new more community centered populism will not be the proletariat as Marx predicted nor contemporary militant patriotic groups Rather Luke argues that many groups unified by a concern for ecological justice present the strongest potential opposition to capitalism Wide ranging and lucid Capitalism Democracy and Ecology is essential reading in the age of information **Environment and the City** Joe Ravetz,Clive George,Joe Howe,2004-07-15 For the first time at the beginning of the twenty first century urban dwellers outnumber rural residents and this trend is set to continue Consequently one of the most pressing issues of our time is how to square the social and economic development of cities with their environmental limits and those of the wider environment The theme of the environment and city is topical at every level from the politics of global trade to local community networks Environment and the City looks at the evolution of cities in the developed and the developing world and the implications for resource consumption and environmental impacts It takes a cross cutting approach with new thinking on multiple geographies the configuration of networks exclusion consumption risk and ecological footprint Urban environmental themes and their related social economic and political agendas are outlined In turn the environmental impacts and environmental agendas relating to key sectors of the urban economy are discussed The global context to such issues is then explored before the practical tools and methods of urban environmental management are investigated The theme of the sustainable city emerges from this not so much as a standard menu but as a learning process between all sections of society This book a valuable resource provides a concise accessible route map for all students interested in the environmental issues emanating from our urban society Written to aid student understanding the easily navigable text features boxed practical examples discussion points signposts to reading and websites and a glossary

Technological Utopianism in American Culture Howard P. Segal,2005-11-07 Featuring twenty five writers in all this book includes Howard P Segal s acclaimed work on utopian visionaries **Screens of Power** Timothy W. Luke,1989 Explores how certain aspects of power work in contemporary information based societies *Joseph Alois Schumpeter* Michael Stevenson,1985-01-24 Product information not available **Social Theory and Modernity** Timothy W. Luke,1990-10 Social Theory and Modernity combines the analytical techniques of political theory and comparative politics as a method for conducting innovative inquiry and research in political science The focus of political theory for example results in new issues

for historical and cross national comparative analysis whereas comparative analysis provides new parameters for analyzing the ideology of social institutions Luke elaborates upon Rousseau s discursive style and critical methods Marx s historical materialism Marcuse s instrumental rationality Weber s interpretive method Gramsci s theoretical tactics Cabral s theory of critique and revolution and Foucault s system of political and social analysis The book concludes by offering *The Tuning and Taming of Technology* E. Wenk,1982

In Justice Ann-Cathrin Jarl, The surprisingly vehement demonstrations at recent meetings of international monetary organizations have alerted people to the dangers of new global economic arrangements Are there any fundamental standards within economic theory How can economies and economic proposals best be measured What does economic justice mean today Spurred especially by the situation of women in the global household Ann Cathrin Jarl in this considerable contribution focuses on promising work in feminist economics and feminist ethics Jarl articulates feminist critiques of neoclassical economic theory objectivity in economics and current understandings of rights equality and power She derives an alternative social theory from feminist ethics and she lands on provision for basic human needs as the benchmark of economic justice In her final chapters Jarl offers a theory of economic justice aimed at strengthening the global household and bringing the claims of justice to the world of markets *The Future of Work*

Charles B. Handy,1984 Examines the place of work in society and discusses the possible future development of employment in Great Britain **From Apocalypse to Entropy and Beyond** Peter Freese,1997 **From the Ground Up** C. George Benello,Harry Chatten Boyte,1992

The Third Wave Alvin Toffler,2022-01-04 From the author of Future Shock a striking way out of today s despair a bracing optimistic look at our new potentials The Third Wave makes startling sense of the violent changes now battering our world Its sweeping synthesis casts fresh light on our new forms of marriage and family on today s dramatic changes in business and economics It explains the role of cults the new definitions of work play love and success It points toward new forms of twenty first century democracy Praise for The Third Wave Magnificent an astonishing array of information The Washington Post Imperishably fresh Business Week Will mesmerize readers and rightly so Vogue Alvin Toffler has written another blockbuster a powerful book The Guardian Fresh ideas clearly explained Toffler has proven again that he is a master United Press International Toffler has imagination and an ability to think of various future possibilities by transcending prevailing values assumptions and myths Associated Press Once you have walked into his version of the future you may decide never again to whitewash some of the built in frailties of the real present Financial Post Rich stimulating and basically optimistic will unquestionably aid many to a greater understanding of today s puzzling social changes The Globe Mail A detailed breathtakingly bold projection of the social changes required if we are to survive Toffler s vision of a democratic self sustaining utopia is a brave alternative to recent grim warnings Cosmopolitan **The Futurist** ,1978

Future Wealth James Robertson,1990 The main argument of this book is that there is a need for a fundamental revolution in the way the world thinks about economics and organizes economic life In the author s view the new economics

must be geared to the real needs of people *Library of Congress Catalogs* Library of Congress, **Monographic Series**
Library of Congress, Teaching about the Future Barbara Miller, John D. Haas, Leslie Hendrikson, 1987 A study of the
future for children youth and adults The topic is multidisciplinary in nature and congenial to many subjects in the curriculum
