Introduction to e-Business Colin Combe, 2012-07-26 An Introduction to e-Business provides the contemporary knowledge of the key issues affecting the modern e-business environment and links theory and practice of management strategies relating to e-business. This book brings together the most cogent themes for an introduction to e-business and constitutes a valuable contribution to formalising common themes for teaching the subject in higher education. It brings together theoretical perspectives based on academic research and the application of e-business strategies. These concepts are further explored in the six case studies that follow the set chapters. This new textbook integrates the main themes to provide a complete picture of the key elements relevant to an introductory text in e-business. To fully appreciate the e-business environment, it is necessary to understand the links between the different disciplines that come together to form Proceedings of The International Conference on Inter Disciplinary Research in Engineering and Technology 2015 Kokula Krishna Hari Kunasekaran, Vignesh R, 2015-04-30 Welcome to the International Conference on Inter Disciplinary Research in Engineering and Technology ICIDRET 2015 in DSIIDC Government of NCT New Delhi India Asia on 29-30 April 2015. If this is your first time to New Delhi, you need to look on more objects which you could never forget in your lifetime. There is much to see and experience at The National Capital of Republic of India. The concept of Inter Disciplinary research was a topic of focus by various departments across the Engineering and Technology area. Flushing with major areas, this ICIDRET 15 has addressed the E-T areas like Mechanical Engineering, Civil Engineering, Electrical Engineering, Bio Technology, Bio Engineering, Bio Medical, Computer Science, Electronics, Communication Engineering, Management, and Textile Engineering. This focus has brought a new insight on the learning methodologies and the terminology of accepting the cross definition of engineering and the research into it. We invite you to join us in this inspiring conversation. I am pretty sure that this conference would indulge the information from the various parts of the world and could coin as a global research gathering. With more and more researchers coming into ICIDRET, this event would be as an annual event. This conference is sure that this edition and the future edition will serve as a wise platform for the people to come with better research methodologies integrating each and every social component globally. If there would have been a thought of not integrating the RJ45 and few pieces of metal plastic along with a PCB, today we could haven't used the telephones and mobile phones. With an ear mark inspiration and constant support from the Global President Dr S Prithiv Rajan ASDF International President Dr P Anbuoli, this publication stands in front of your eyes without them, this would haven't been possible in a very shortest span. Finally, I thank my family, friends, students, and colleagues for their constant encouragement and support for making this type of conference.
