Expository Notes, with Practical Observations, on the New Testament of Our Lord and Saviour Jesus Christ William Burkitt,1852 Seventh-day Adventism Renounced After an Experience of Twenty-eight Years Dudley Marvin Canright,1889
Seventh Day Adventism Renounced After an Experience of Twenty Eight Years by Dudley Marvin Canright first published in 1889 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it The Thinker ,1894 The Path to the Throne of God Sarah Elizabeth Peck,2014 This study of the sanctuary aims to give the reader an overall view of the entire sanctuary including the earthly and the heavenly sanctuaries and reaching its climax in the temple eternal the earthly model as constructed by Moses being a type or illustration of both the others It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ but also the Christian experience of each of His followers and of the church as a whole **The Antecedents of Antichrist** L.J. Lietaert Peerbolte,2021-12-06 The present volume discusses the earliest Christian views on eschatological opponents and their backgrounds in contemporary Judaism It treats the rich variety of early Christian speculations on the subject and shows that within this variety a continuity with Jewish speculations is to be discerned Part One of this book treats the early Christian passages of the period up to Irenaeus that contain speculations on the coming of an eschatological opponent Part Two offers a survey of Jewish expectations that formed the basis for the Christian speculations discussed After the General Conclusion the book finishes with an extensive Bibliography and an Index The book is of interest to any student of early Christian eschatology and the continuity between early Christianity and contemporary Judaism **Bible readings for the home circle** ,1890 Bible Readings Tompaul Wheeler,2008 Four thousand questions about Bible topics are all answered with Scripture texts in this Complete edition

Revelation Revealed Nick Peros,2022-03-22 Revelation Revealed is a study of the book of Revelation It is not an end times book in that it does not seek to identify current events in the light of Bible prophecy rather Revelation Revealed examines the book of Revelation itself what are its key imagery and symbols What do they mean What are the timelines of the book What is the sequence of events What are the Days of Noah Who is the Beast and how do we understand him What is the mark of the Beast How do we understand Babylon the Great the Mother of Prostitutes Is there a rapture All of these questions and many more are addressed with all questions being approached exclusively from the standpoint of Scripture itself it is Scripture which answers these questions for us and clear conclusions are reached The events outlined in the book

of Revelation are the most prophesied events in the Bible and Revelation Revealed shows that the book of Revelation is understandable for God has given us all that we need in order to understand it *An Exposition of the Revelation* Ebenezer Smith,1898 From Eden to Eden Joseph Harvey Waggoner,1888 The Swedenborg Concordance John Faulkner Potts,1888 **All Power to the Lamb** James R. Johnson,2011-04 If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation such that with sufficient effort and intellectual honesty readers can understand it Certainly God uses symbols in Revelation but when He does He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the existing approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist Left Behind view in that it views Revelation from a literalist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the non canonical works that provide insight into the spirit world and detail regarding the end of the present age
