Recharting the Thirties Patrick J. Quinn,1996 The aim of Recharting the Thirties is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten

Gender and Werewolf Cinema Jason Barr,2020-04-24 It all begins with a howl the unsettling sound which tells audiences that someone will soon become a werewolf But the changes that occur during that transformation aren't just physical they are psychological as well Unremarkable men become domineering leaders Innocuous men become violent and overtly sexual In films from The Wolf Man and An American Werewolf in London to Ginger Snaps when the protagonists become werewolves their perceptions of their gender and their masculinity or femininity change dramatically This volume explores how werewolves in cinema have provided an avenue for frank and often enlightening conversations about gender roles and masculinity Werewolves are indeed a harbinger of change but the genre of werewolf cinema itself has changed over time in how different styles of masculinity and different gender identities are portrayed
