Ten Years Inside Shelton Prison Robert L. Segress, 2012-08-31 Ten Years inside Shelton Prison is a moving picture that captures what happens inside a prison Shocking evil and joyful healings live together side by side where the Gospel goes

successfully A guard being stabbed to death with a ballpoint pen during a chapel service stands next to tears of joy running down the face of a Russian mafia member when he was born again Robert walked into Shelton prison for the first time As he walked past fences that were covered with razor wire blindingly reflecting the harsh sun he was afraid Iron gates slammed behind him Guards were unaware of his trembling hands Men in orange suits began to watch him There was no place to run This was the beginning of ten years in Shelton prison where the author served the Lord There were great blessings fearful faces accepted the Lord Jesus and became new creatures in Christ There were dangerous moments an inmate cut Robert forcing him to go through AIDS testing Yet he also had a prisoners scarred head laid on his shoulder who after accepting Jesus smiled at him and said I needed that The controlling purpose of Ten Years is to present the four biblical steps to freedom from incarceration whether inside a prison or addicted outside of a prison The four parts of this graphic book are imprisoned instruction health and freedom The book concludes with two appendices on important subjects Learning How to Resist the Devil and a famous therapy for treating addictions Family of Origin Therapy After the appendices thirty three itemized summaries or compendia are given with the reference pages included Also there are referenced sites for ten of Roberts poems that are included in this prison journey log

President Obama: 101 Moments, Likes, Similes, and More Frank Palacio,2018-06-29 This book contains over 100 things to like about President Obama as well as some of the memorable moments about the man and the events leading up to and including his presidency I strongly believe that we should do everything humanly possible to preserve President Obama s legacy We should do this not for Obama per se but for the human race We ought not sit idly and watch the legacy of a good man and an excellent president be destroyed by those that were operating out of bad place hate and bigotry and who refused to work with Obama There are some who would have us forget that Obama rescued our country from the brink of economic disaster and the deepest recession in modern history Finally if someone who is worth millions and is well connected like ahem President Trump can invest so much time and energy trying to tear down President Obama then this average citizen me can try to educate young people coming up and future generations about reasons to love President Obama Boom
