FALLING IN LOVE WITH A CAT GIRL Tiffany Henderson, Her birthday unexpectedly also became her anniversary Wen Tam stupidly stood in the middle of the road seeing with his own eyes the accident scene and the entire accident handling process the two sides of the road were crammed with crowds watching She had never dreamed that her life would be so short and death would come so suddenly At the age of 18 life has just begun and in an instant it s over But if so life is probably very perfect at least from the

point of view of accounting science it is very complete compared to dying on another day will make people much more impressive Wen Tam consoled himself like that staring blankly at the bloody body being carried into the ambulance by rescue workers wearing white robes No one saw her no one touched her no one heard her speak she was like a stream of air piercing the body of many people Now what to do Oh people die for saving people you die for saving cats On Tam lamented in his heart I didn't deserve to die but who said I was a cat lover Can't blame the black cat crossing the street right Although the black cat is said to be a bad omen even though the misfortune has already happened but in any case it is a touching life maybe it still has an old mother cat above it and a cat below it baby anymore Stories about Cats Elizabeth Surr,1882
