Beautiful Losers:

Beautiful losers Beautiful Losers (musical group), **Intricate Preparations** Stephen Scobie, 2000 This essay collection reflects the scope and reach of Leonard Cohen's influence. It ranges from academic essays that consider the treatment of the Holocaust in Cohen's poetry aspects of personal and national identity in his novels and the theoretical problems of performance in his songs to less formal discussions such as an Internet newsgroup thread on Closing Time and a description of fan reactions to his concert performances in Germany. Several writers pay tribute to Cohen by contributing poems that translate his work into new idioms. The book also includes two new poems by Cohen himself. **Intricate Preparations** is fully international in scope with contributions coming from Australia Great Britain France Germany Belgium Norway and Finland as well as Canada including something from the Governor General herself. **Beautiful Losers** Leonard Cohen, 2009 One of the best known experimental novels of the 1960s this uninhibited tale centres on the hapless members of a love triangle and their sexual obsession and shared fascination with a mythic saint. Revolving around four central and intrinsically flawed characters Beautiful Losers is the frank and humorous story of a nameless narrator his wife Edith their domineering friend and mentor F and Catherine Tekakwitha a mythic 17th century Mohawk virgin saint. The complexities of this three way love pain and lust are sent spiralling by the death of Edith and F at the novel's start leading the damaged narrator to question the nature of love sexuality and spirituality in a series of explicit flashbacks. The extraordinary and inimitable singer songwriter's classic novel this is Leonard Cohen's most critically acclaimed literary work echoing the dark poetry and wry humour of his timeless songs of loss love sex and religion. Not just an extremely funny novel but an incredibly original and explicit examination of friendship sex and spirituality. **A House of Words** Norman Ravvin, 1997 Focusing on the way Jewish history particularly the Holocaust and tradition inform postwar Canadian and American Jewish literature A House of Words offers innovative readings of the works of such influential writers as Saul Bellow Leonard Cohen Eli **Broadway's Beautiful Losers** Marilyn Stasio, 1972 Transnational Canadas Kit Dobson, 2011-04-07 Transnational Canadas marks the first sustained inquiry into the relationship between globalization and Canadian literature written in English. Tracking developments in the literature and its study from the centennial period to the present it shows how current work in transnational studies can provide new insights for researchers and students. Arguing first that the dichotomy of Canadian nationalism and globalization is no longer valid in today's economic climate Transnational Canadas explores the legacy of leftist nationalism in Canadian literature. It examines the interventions of multicultural writing in the 1980s and 1990s investigating the cultural politics of the period and how they increasingly became part of Canada's state structure. Under globalization the book concludes we need to understand new forms of subjectivity and mobility as sites for cultural politics and look beyond received notions of belonging and being. An original contribution to the study of Canadian literature Transnational Canadas seeks to invigorate discussion by challenging students

and researchers to understand the national and the global simultaneously to look at the politics of identity beyond the rubric of multiculturalism and to rethink the slippery notion of the political for the contemporary era *From Cohen to Carson* Ian Rae, 2008-03-26 *From Cohen to Carson* provides the first book length analysis of one of Canada's most distinctive fields of literary production Ian Rae argues that Canadian poets have turned to the novel because of the limitations of the lyric but have used lyric methods puns symbolism repetition juxtaposition to create a mode of narrative that contrasts sharply with the descriptive conventions of realist and plot driven novels *Postmodern Canadian Fiction and the Rhetoric of Authority* Glenn Deer, 1994 Criticism that takes an ideological approach to Canadian writing is scarce political rhetorical studies are even more uncommon In this original approach to postwar Canadian fiction Glenn Deer presents provocative readings of ideologies as well as experiments with authorial stances *Narcissistic Narrative* Linda Hutcheon, 2010-01-01 Linda Hutcheon in this original study examines the modes forms and techniques of narcissistic fiction that is fiction which includes within itself some sort of commentary on its own narrative and or linguistic nature Her analysis is further extended to discuss the implications of such a development for both the theory of the novel and reading theory Having placed this phenomenon in its historical context Linda Hutcheon uses the insights of various reader response theories to explore the paradox created by metafiction the reader is at the same time co creator of the self reflexive text and distanced from it because of its very self reflexiveness She illustrates her analysis through the works of novelists such as Fowles Barth Nabokov Calvino Borges Carpentier and Aquin For the paperback edition of this important book a preface has been added which examines developments since first publication *Narcissistic Narrative* was selected by Choice as one of the outstanding academic books for 1981 1982 *Corporeal Cartographies* Philipp Hofmann, 2010 The book focuses on the importance of corporeality in Leonard Cohen's prose works *The Favourite Game* 1963 and *Beautiful Losers* 1966 It argues that prevailing post structuralist theories that describe the body as discursively constructed cannot do justice to the real and violent proportions of the bodies in Cohen's visionary texts These theories should be complemented by the neo materialist approach developed by French philosophers Gilles Deleuze and Félix Guattari who stress the importance of physical forces and intensities that affect the production and the expression of bodies both in life and art Series n 1 work science medium Vol 4 *Pink Snow* Terry Goldie, 2003-03-17 Drawing on recent developments in gay studies and queer theory *Pink Snow* Homotextual Possibilities in Canadian Fiction offers new interpretations that focus on homoerotic resonances in literature Goldie brings an original engaging and sometimes provocative critical perspective to bear on both Canadian classics and less mainstream works Chapters include Wacousta John Richardson As For Me and My House Sinclair Ross Who Has Seen the Wind W O Mitchell The Mountain and the Valley Ernest Buckler *Beautiful Losers* Leonard Cohen *Place d'Armes* Scott Symons *Fifth Business* Robertson Davies *The Wars* Timothy Findley *Thy Mother's Glass* David Watmough *Funny Boy* Shyam Selvadurai *Kiss of the Fur Queen* Tomson Highway *Stories Done* Mikal Gilmore, 2008-11-11 Profiles music performers from the 1960s and 1970s

Matthew Rose, 2021-08-03 A bracing account of liberalism's most radical critics introducing one of the most controversial movements of the twentieth century In this eye opening book Matthew Rose introduces us to one of the most controversial intellectual movements of the twentieth century the radical right and discusses its adherents different attempts to imagine political societies after the death or decline of liberalism Questioning democracy's most basic norms and practices these critics rejected ideas about human equality minority rights religious toleration and cultural pluralism not out of implicit biases but out of explicit principle They disagree profoundly on race religion economics and political strategy but they all agree that a postliberal political life will soon be possible Focusing on the work of Oswald Spengler Julius Evola Francis Parker Yockey Alain de Benoist and Samuel Francis Rose shows how such thinkers are animated by religious aspirations and anxieties that are ultimately in tension with Christian teachings and the secular values those teachings birthed in modernity

Littératures Canadiennes Et Identités Postcoloniales Marc Maufort, Franca Bellarsi, 2002 This volume offers challenging assessments of the reconfigurations that have shaped Anglophone and Francophone Canadian literatures in the last decades of the twentieth century Focusing on the pursuit of an ever elusive Canadianness in literary texts it documents the astonishing range of Canadian diasporic identities that have recently emerged in the Canadian literary landscape The contributors to this volume boldly transgress the widely held critical assumptions of postcolonialism in their examination of the literary representations of contemporary Canada's many Others Ce volume rassemble nombre d'analyses innovatrices des reconfigurations qui ont caractérisé les littératures canadiennes anglophones et francophones durant les dernières décennies du vingtième siècle Tout en se concentrant sur la quête de l'insaisissable Canadianité en littérature l'ouvrage démontre l'importante diversité des identités diasporiques qui ont récemment mergé dans le paysage littéraire canadien Les contributeurs de ce volume transgressent audacieusement les certitudes généralement acquises du postcolonialisme afin de mieux décrire les représentations littéraires des nombreux Autres du Canada actuel

Under the Grandstand Jim Lyons, 2013-02-06 Those who have lived not just witnessed the efflorescence of a pivotal culture moment never see the world through veiled eyes again Jimmy Lyons was there devising wholly original inventions of words and music while the Beats the neo folk troubadours the post bop jazz shooting stars and the tie dyed psychedelic rockers were scorching through the underbrush and opening new paths of creativity as alternatives to the increasingly bottom line driven mainstream Lyons though wasn't content to find a niche in one countercultural movement or another He kept moving observing and writing new poems stories and songs But he never gave up on the wry sophistication of the classic American popular song Indeed he has dedicated himself to infusing the same hallowed forms perfected by Irving Berlin George and Ira Gershwin Cole Porter Harold Arlen and others with his

singular fantasias of ingeniously colored and textured wordplay These plays have a subtext only Lyons can provide derived from what he calls the rituals of the road and the the circular rhythms of the race track the beats and pulses of everyday American life that rarely raise a ripple on the surface of American culture Lyons hears the screams and dreams of his countrymen and woman from them he creates new modes of expression He has been changed by each of his open hearted an open eared encounters and this body of work is his way of making those changes sing and swing Derk Richardson **The Postwar Novel in Canada** Rosmarin Heidenreich,2006-01-01 As a comparative study which includes the analysis of both English Canadian and Quebec novels this book provides an overview of the novel as it has developed in this country since the Second World War Focusing on narratological rather than thematic elements the book represents a systematic application of the insights and analytical tools of reader reception theory in particular the models proposed by Wolfgang Iser and Hans Robert Jauss Placing the emphasis on the text and its effects rather than on the historical or psycho sociological genesis of the text the author invokes the models and paradigms of other literatures to establish a broader cultural context permitting the significance of a literature to emerge as a carrier of meaning in and beyond the culture that produces it Tracing a critical path from Hugh MacLennan s hierarchic romance structures and Gabrielle Roy s social realism to the metafiction of Hubert Aquin and Timothy Findley the author reveals that the novel s narratological features themselves are often closely linked with ideological positions *This is Our Writing* T. F. Rigelhof,2000 Punctuate his title as you like but T F Rigelhof considers *This is Our Writing* a declaration an enquiry and an exclamation As a writer of half a dozen a reviewer of dozens upon dozens and as a reader of a multitude more books Terry Rigelhof knows much about writing in Canada In these eleven essays he asks what is best in what has been written by Canadians in the twentieth century He examines selected works of some writers whose accomplishments need serious revaluation What are the real achievements of Robertson Davies Carole Corbeil Mavis Gallant Mordecai Richler Hugh Hood Leonard Cohen and George Grant Rigelhof comes up with a list that will surprise some and dismay others This is a book for readers who have always known in their heart of hearts that Robertson Davies was an egregious windbag and that underneath the inspired silliness of their carefully contrived and managed public images Mordecai Richler and Leonard Cohen have produced three of the most intelligent novels we have In a sequence of interlocking personal essays Rigelhof explores living a writerly life in Canada at the end of the twentieth century The text is fortified by a dozen photographs all but one previously unpublished by Gabor Szilasi one of Canada s greatest active documentary photographers *Third Solitudes* Michael Greenstein,1989-04-01 Canadian Jewish literature Greenstein argues is characterized by the sense of homelessness and exile which dominated the writings of the father of Jewish Canadian literature A M Klein Greenstein finds the paradigm for this sense of loss in Henry Kreisel s short story *The Almost Meeting* Using the theme of this story as a base Greenstein describes how the Jewish Canadian writer is divided between life in Canada and a rich European past between life in the New World and the strong traditions of the Old The Jewish Canadian

writer may look for a home in both these places but neither is fulfilling as both are necessary parts of the individual The writer thus straddles two incompatible worlds and must expect the loss of one or the other In the struggle to overcome these difficulties and maintain a true dialogue with others and themselves such writers experience missed or almost meetings as they cope with the homelessness that characterizes diaspora and Canada s third solitude **Beautiful Losers** ,2008
