Littell's Living Age Eliakim Littell, Robert S. Littell, 1867

Forms of Attention Frank Kermode, 2024-05-31 Sir Frank Kermode the British scholar instructor and author was an inspired critic Forms of Attention is based on a series of three lectures he gave on canon formation or how we choose what art to value The essay on Botticelli traces the artist s sudden popularity in the nineteenth century for reasons that have more to do with poetry than painting In the second essay Kermode reads Hamlet from a very modern angle offering a useful and playful perspective for a contemporary audience The final essay is a defense of literary criticism as a process and conversation that while often conflating knowledge with opinion keeps us reading great art and working with and for literature
