Because God Has Called Devotions For Church Workers:

Because God Has Called Tom Rogers, 1999-01-01 A collection of 70 devotions for church workers **Daily Devotions for Deacons** Russell R. Cook, 2015-09-01 Inspired well trained and spiritually mature deacons can be a mighty force for the church and local American churches need their servants to excel in their ministry and service to the Body of Christ now more than ever Most pastors and deacons in America are sincere in their desire to serve but many do not receive enough advanced orientation and even more receive no ongoing training at all This lack can create much frustration and may even overwhelm deacons and their families as they try to manage the minefields of ministry Daily Devotions for Deacons by Russell R Cook guides deacons in daily preparation for their enormous and invaluable task and inspires them to become all Christ means for them to be This guide for deacons offers a year of brief yet deeply spiritual and relevant biblical devotions For a few moments a day five days a week all who desire to live as fully devoted followers of Christ will benefit from Cooks years of teaching and training pastors and deacons across America By learning the principles and qualities necessary for a strong effective ministry and by applying these same qualities of service in everyday life we begin to fulfill our God given role and draw ever closer to His presence and His truth Devotions for the Wounded Heart Dennis Cory, 2011-01-25 When Jesus Christ began His earthly ministry He first went out and got baptised and was then lead of the Holy Spirit into the wilderness and there was tempted of the devil Then in the power of the Spirit He began teaching in the synagogues When He came to His home town of Nazareth and went to church on the sabbath and stood up to read The elders delivered the book of Isaiah to Him and He opened the book to the place where He read these words The Spirit of the Lord is upon me because he hath anointed me to preach the gospel to the poor he hath sent me to heal the brokenhearted to preach deliverance to the captives and recovering of sight to the blind to set at liberty them that are bruised To preach the acceptable year of the Lord Luke 4 18 19 KJV Jesus chose this passage of scripture because it was known to be a prophecy of the coming Messiah and it is a concise outline of the purpose and ministry calling of our Lord The Holy Spirit living in the hearts of every born again Christian is working to fulfill this scripture for us all Jesus Christ by The Spirit is also drawing all people to Him for their salvation through the measure of faith which our loving Father God has given to every person It is will of God that no human being perish but that everyone would come to repentance It is therefore His will that we all hear and respond to the gospel That our broken hearts be healed that the chains of our captive bondage be broken our physical and spiritual eyes be opened and every bruise and wound we carry be healed That is the Theme Calling and Purpose by which this Daily Devotional has been inspired to be written The Word of God is clear in that our Heavenly Father wants all people to accept His salvation but just as true He wants all to be healed and delivered It is my prayer that this Devotional will be used of The Lord to help accomplish this work in your lives **100 Devotions for Pastors and Church Leaders: Ideas and inspiration for your sermons, lessons, church events, newsletters, and web sites** John Phillips, Here pastors and church leaders will find

The Future of the Church Hans Schwarz,2024-01-24 The future of the church does not look bright in North America and Europe This is documented by many recent surveys The church is riddled with scandals be it sexual abuse or financial misappropriation This led to a loss of trust which is very difficult to regain We also live in an aging society in which younger people have been brought up with a consumer attitude which does not stop at the church doors Moreover we live in a secular society in which individualism runs contrary to the communal aspect of the church While religiosity has not vanished the Christian faith is perceived by many as an old time religion whose tenets have lost their luster Yet we should not give up on the church too quickly The church has something to offer which the world needs and which it cannot secure by itself This uniqueness of the church shows in the pronouncement of law and gospel and in the sacraments The church is also instrumental for our self understanding by serving as guardian of the past as the heart of the present and as a reminder of a meaningful future In conclusion some directions are given toward a viable church

Expendable Barry Blackstone,2021-12-27 Have you ever wondered why the best die young Who of us hasn t thought the same thing when we learn of the death of a young Christian with such potential when a fellow believer lives on to wreck his testimony the reputation of the local church and the cause of Christ Having been a pastor now for nearly fifty years I have had nearly a lifetime to ponder the word expendable in relationship to not only individuals but dreams and desires hopes and wishes events and expectations This concept of expendability came home to me years ago when I learned that my grandfather on my mother s side had a brother who died of an illness in his early twenties after only spending a year on the mission field in Peru Over the portal to a special room that celebrates those that died young in the Hall of the Faithful in Heaven is found I believe this superscription EXPENDABLE I would like to share with you some of the biblical portraits that are hanging from those celestial walls for if you are looking for the answer to the question I asked I have come to believe it can only be found in the Bible

Silva,2024-05-24 What if the world had never been tainted by sin and evil What if Adam and Eve had resisted the temptation of the forbidden fruit How would our history and faith have been different Would we still have needed God or would God still have wanted us in such a perfect world Now imagine attaining immortality defying the graceful ageing and inevitable death You find yourself in an Eden like setting where your sole duty is to sing praises for the creator living forever with no sin no emotions no physical form and no attachments except for the service of God The allure of eternal life as depicted in various religious texts often presents an image of endless existence in a paradise like setting However the reality of such an existence may not be as idyllic as it first appears Imagine for instance your favourite meal The first taste is a revelation the hundredth still delightful But the thousandth The millionth Even the most divine delicacies could become mundane Similarly consider a favourite song or a beloved film Repeated endlessly even these could lose their charm In an eternal life where each day mirrors the last the pleasures we savour in our mortal lives could become tedious Compare this with our finite existence shaped by time Each day brings a new opportunity every encounter could change our lives and every challenge helps us grow Growing old often seen negatively is a mark of our wisdom and experience The beauty of ageing is a tribute to life itself At some point whether you are a devout cleric or a God fearing layman you have wondered about questions that challenge your beliefs your interpretation of the Bible and what you have learned The Wake Up Call invites you to explore the Bible from a completely new angle It s not a demand to change what you believe but to learn things from a different perspective The readers who accept this invitation will find it rewarding and I promise you a delightful journey This book is not just a critique of God the Bible and Abrahamic religions It s a reflection of our convictions a challenge to look beyond the obvious and a call to question the unquestionable Are you courageous enough to answer the call Are you prepared for the shock of the new insight If so open the book and start your journey The road may be tough but the rewards are priceless This is your wake up call Will you heed it The choice is yours
