Good Morning Message Peggy Edwards, 2010-08 This daily devotional book has been a God led inspiration from its very start up from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network Our God is so awesome I've had people return emails to me or speak to me and ask How did you know that I needed that today or How did you know I was going through this That is when I thankfully remind them that God inspired each and every one of these devotionals I am just being faithful and following His directions Now I'm led to put them into a year of daily devotions book to reach others Occasionally my emailed devotionals have colored photographs that I take as God inspired message for the day Unfortunately I couldn't include those in this book I did include a photo in grayscale at the beginning of each month the cover photo is a God blessed look at an Alaskan sunset I am so thankful that God is working in my life I want to encourage each of you to grasp hold of whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others When you feel down just start counting each of the blessings God has touched you with in your life and you will feel His Presence and comfort to encourage you We are never alone He is just a prayer away nothing is impossible for our God He is not done with us yet He is asking us to be obedient in our service to Him and He will help us grow in our faith Trust in Him and you will be astounded at what He has in store for you *How to Be a Genius Or the Science of Being Great* Wallace D.
