Bird-life Alfred Edmund Brehm,1874      **The Life of Isabella Bird** Anna M. Stoddart,2011-06-16 This life of Victorian solo traveller Isabella Bird reveals a remarkable and determined woman who defied contemporary expectations      *H.E. Bird* Hans Renette,2016-10-07 No chess player of the 19th century had a longer more varied career than Henry Edward Bird 1829 1908 After pursuing a civil career for years his love for chess prevailed He belonged to the top level of British players for decades but he really shone at Simpson's Divan Bird's accessibility fierce attacking style and contempt for draws made him a people's favorite but his proud and touchy character led him into disputes with his colleagues A very strong and widely known player he fell into oblivion after his death This comprehensive first biography of Bird provides a detailed account of his personal life and a deeply researched coverage of his feats at the chess board Almost 1 200 games are included hundreds of them published here for the first time Nearly 450 games many of them thrilling all out fights are presented with a mix of contemporary and modern annotations      **The Lily's Tongue** Frances Maughan-Brown,2019-09-24 How do texts speak with authority That is the question at the heart of Kierkegaard's theory and practice of indirect communication None of Kierkegaard's texts respond to this question more concisely and powerfully than the four discourses he wrote about the lily in the Gospel The Lily's Tongue is a nuanced sustained reading of these Lily Discourses Kierkegaard takes the lilies as authoritative rather than merely figural or metaphorical This book is a careful exploration of what Kierkegaard means by this authority Frances Maughan Brown demonstrates how Kierkegaard argues that the key is in the act of reading itself no text can have authority unless the reader grants it that authority because no text can entirely avoid figural language Texts don't speak directly their tongue is always the lily's tongue What is revealed in the Lily Discourses is a groundbreaking theory of figure which requires a renewed reading of Kierkegaard's major pseudonymous works      **The Hopeful Heretic** WJ Selert,2024-09-11 Why do peace loving religions so often cause instability conflict and violence The Hopeful Heretic explores the history and evolution of western institutional religion providing the context language and arguments free societies need to understand and inoculate themselves against resurgent religious fanaticism in the 21st Century Book I examines the invention of institutional religion as a social governance operating system built around the human need to understand our place in the Universe From pre historic nature based religions to structured polytheism to the main western institutional

monotheistic religions Th Hopeful Heretic charts the history innovations key features and inherent defects of those systems demonstrating each is man made inherently divisive and prone to chronic instability and conflict Book II surveys the immense body of scientific knowledge accumulated since the questionable mythologies of our ancestors became generationally entrenched From Newtonian Physics to Quantum Mechanics Deep Field Astronomy and Emergent Intelligence the Hopeful Heretic argues that spirituality and meaning can be found without the need for blind faith by appreciating the scientific fact that life is a pre programmed feature of a sublimely beautiful Universal Operating System and that we may all be part of and contributing to a living Universal Being A fascinating tour through history religion politics and science *The Role of Birds in World War One* Nicholas Milton,2023-02-16 The British Expeditionary Force sent to France in the late summer of 1914 has been referred to as The Best British Army Ever Sent to War as it was one of the most highly trained and disciplined forces in the world It was also the Best Birdwatching Army Ever Sent to War for among its ranks were hundreds of both amateur and professional ornithologists When not fighting many soldiers turned to birdwatching as a way of wiling away the long hours spent on guard duty or watching over no man s land As a result the hobby ranked as one of the most popular past times for soldiers at the front on a par with smoking writing games gambling sport and shooting rats The list of birds seen by soldiers serving in all the theatres of war was truly impressive ranging from the common like sparrows skylarks and swallows to the exotic like golden orioles hoopoes and bee eaters It was not just at the battle front that birds found themselves in the firing line but also on the home front Birds provided inspiration for politicians poets and painters who carried on despite the terrible conflict raging all around them For the Foreign Secretary Edward Grey who worked tirelessly to preserve peace but ended up convincing the House of Commons to go to war birds were his hinterland But as well as declaring war on Germany on 4 August 1914 the government also declared war on the humble house sparrow farmers falsely accusing it of destroying Britain s dwindling wheat and oat supplies When the guns finally fell silent on the 11 November 1918 and the Great War came to an ignoble end a generation of birdwatchers lay dead Among them were scientists researchers lords librarians artists authors professors poets lawyers surgeons and explorers many barely having entered manhood If they had lived the science of ornithology and the hobby of birdwatching would have undoubtedly been much the richer A selection of them is included in the Ornithological Roll of honor at the back of this book **A Guide to Pet and Companion Birds** Ray Dorge,Gail Sibley,1998-04-01 Detailed information regarding the process of selecting a bird caring for it and understanding its behavior Details help you create a happy and healthy environment so bird keeping is pleasurable Topics include Choosing your pet bird cage types nail and wing trimming feeding and recipes body language handling taming behavioral problems and training An important reference for all pet bird owners **Bird Life of Woodland and Forest** Robert J.
