Birgitta The Passionate Prophet:

Birgitta Florence Ekstrand, 1997 Birgitta, the Passionate Prophet, 1997 **Birgitta of Sweden and the Voice of Prophecy** Claire Lynn Sahlin, 2001

Birgitta's religious authority considered with regard to her prophetic mission and her authenticity as a medium of divine revelation in 14c Europe This book examines the religious authority of St Birgitta of Sweden the charismatic moral reformer and controversial female visionary of the fourteenth century emphasising both representations of her prophetic mission and debates about her authenticity as a medium of divine revelation It illuminates Birgitta's view of herself as a prophet of moral reform by explaining how her Revelations depict her religious mission and place in salvation history going on to reconstruct interactions between Birgitta and her contemporaries including the significance of her prophetic authority vis a vis the priestly authority of her male clerical associates Finally it analyses arguments about women's suitability for mediating the divine word in posthumous attacks and defences of her claims to prophesy Through a close examination of Birgitta's lengthy Revelations canonization documents and texts by her posthumous defenders and detractors this study demonstrates that members of her audience perceived her to be both a vibrant source of supernatural power and a dangerous transgressor of conventional boundaries Informed by sociological studies of prophetic authority it contributes to our knowledge of Birgitta herself as well as to our understanding of the dynamics of women's spiritual authority Professor CLAIRE SAHLIN teaches at Texas Woman's University *The Revelations of St. Birgitta of Sweden* Bridget Morris, 2008-10-07

St Brigitta of Sweden 1303-73 canonized 1391 was one of the most charismatic and influential visionaries of the later Middle Ages Altogether she received some seven hundred revelations dealing with subjects ranging from meditations on the human condition domestic affairs in Sweden and ecclesiastical matters in Rome to revelations in praise of the Incarnation and devotion to the Virgin Her Revelations collected and ordered by her confessors circulated widely throughout Europe and long after her death Many eminent individuals including Cardinal Juan Torquemada Jean Gerson and Martin Luther read and commented on her writings which influenced the spiritual lives of countless individuals Birgitta was also the founder of a new monastic order which still exists today She is the patron saint of Sweden and in 2000 was declared with Catherine of Siena and Edith Stein co patroness of Europe Birgitta's Revelations present her as a commanding and dauntless visionary who develops a contemplative mysticism that is always interwoven with social engagement and a commitment to the salvation of the world The varied styles of her revelations are dominated by frequent juxtapositions of memorable images and allegories that illustrate her fierce and fertile imagination her sharp powers of observation and understanding and her passionate and receptive storytelling powers This is the second of four volumes and it contains Book IV and Book V of the Revelations Book IV includes some of Birgitta's most influential visions with topics ranging from the Avignon papacy and purgatory to the Hundred Years War Book V the Liber Quaestionum Book of Questions takes the form of a learned dialogue between Christ and a monk standing on a ladder fixed between heaven and earth The

argument centers on the way in which God's providence is constantly misunderstood and rejected by self-centered human beings. The translation is based on the recently completed critical edition of the Latin text and promises to be the standard English translation of the Revelations for years to come. *The Revelations of St. Birgitta of Sweden, Volume 3* Saint Bridget (of Sweden), 2006. Throughout the Hebrew Bible, God guides and saves his people through the words of his prophets. When the prophets are silenced, the people easily lose their way. What happened after the incarnation, death, and resurrection of Christ? Did God fall silent? The dominant position in Christian theology is that prophecy did indeed cease at some point in the past, if not with the Old Testament prophets, then with John the Baptist, with Jesus, with the last apostle, or with the closure of the canon of the New Testament. Nevertheless, throughout the history of Christianity, there have always been acclaimed saints and mystics, most of them women, who displayed prophetic traits. In recent years, the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity. Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt. Mainstream systematic theology, both Protestant and Catholic, has mostly marginalized or ignored the gift of prophecy. In this book, however, Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church. Prophecy never died, he argues, but rather proved its dynamism by mutating to meet new historical conditions. He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it. Throughout, though, there is always an awareness of the critical discernment required when evaluating the charism of prophecy. The debate about prophecy, Hvidt shows, leads to some profound insights about the very nature of Christianity and the church. For example, some have argued that Christianity is a perfect state and that all that is required for

salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God's salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work *The Legacy of Birgitta of Sweden*, 2023-12-18 Saint Birgitta of Sweden d 1373 one of the most famous visionary women of the late Middle Ages lived in Rome for the last 23 years of her life Much of her extensive literary work was penned there Her Celestial Revelations circulated widely from the late 14th century to the 17th century copied in Italian scriptoria translated into vernacular and printed in several Latin and Italian editions In the same centuries an extraordinary number of women writers across the peninsula were publishing their work What echoes might we find of the foreign widow's prophetic voice in their texts This volume offers innovative investigations written by an interdisciplinary group of experts of the profound impact of Birgitta of Sweden in Renaissance Italy Contributors include Brian Richardson Jane Tylus Isabella Gagliardi Clara Stella Marco Faini Jessica Goethals Anna Wainwright Eleonora Cappuccilli Eleonora Carinci Virginia Cox Unn Falkeid and Silvia Nocentini **The Cambridge Companion to Medieval English Mysticism** Samuel Fanous, Vincent Gillespie, 2011-05-12 This book is an excellent introduction to the individuals events and currents which shaped medieval English mystical texts St. Birgitta of Sweden Bridget Morris, 1999 An account of the life and achievements of St Birgitta of Sweden one of the most charismatic figures in the late medieval mystical tradition founder of the Bridgettine order St Birgitta of Sweden was one of the most charismatic figures in the late medieval mystical tradition In Rome she succeeded in commanding prelates and popes and throughout the courts of Europe she engaged in political secular intrigues she married and produced eight children yet became the only woman in the fourteenth century to be canonised and in an age where new monastic foundations were proscribed she founded an order of her own devising primarily for women This first modern biography presents an account of her extraordinary life and achievements placing the saint in the context of the society from which she emerged and showing how her public voice and reforming zeal were informed by a private spirituality at all stages of her life Particular attention is given to her most lasting achievement the monastic foundation which bears her name and has produced a network of communities throughout Europe active to the present day BRIDGET MORRIS is senior lecturer in Scandinavian studies at the University of Hull *A Companion to Birgitta of Sweden* Maria H. Oen, 2019-06-07 St Birgitta of Sweden d 1373 is one of the most celebrated female visionaries and authors of the Middle Ages and a central figure in the history of late medieval religion An aristocratic widow Birgitta left her native country in 1349 and settled in Rome where she established herself as an outspoken critic of the Avignon Papacy and an advocate of spiritual and ecclesiastical reform Birgitta founded a new monastic order and her major work The Heavenly Book of Revelations circulated widely in a variety of monastic reformist and intellectual milieus following her death This volume offers an introduction to the saint and the reception of her work written by experts from various disciplines In addition to acquainting the reader with the state of the scholarship the study

Birgitta of Sweden, Volume 4 Bridget Morris, 2015-08-19 St Birgitta of Sweden 1303 1373 canonized 1391 was one of the most charismatic and influential female visionaries of the later Middle Ages Altogether she received some 700 revelations dealing with subjects ranging from meditations on the human condition domestic affairs in Sweden and ecclesiastical matters in Rome to revelations in praise of the Incarnation and devotion to the Virgin This is the fourth and final volume of the translation of the Revelations of St Birgitta of Sweden comprising The Heavenly Emperor s Book to Kings The Rule and minor works **Lutheran Woman Today** , 1996 **The Quest for the Christ Child in the Later Middle Ages** Mary Dzon, 2017-03-09 Beginning in the twelfth century clergy and laity alike started wondering with intensity about the historical and developmental details of Jesus early life Was the Christ Child like other children whose characteristics and capabilities depended on their age Was he sweet and tender or formidable and powerful Not finding sufficient information in the Gospels which are almost completely silent about Jesus childhood medieval Christians turned to centuries old apocryphal texts for answers In *The Quest for the Christ Child in the Later Middle Ages* Mary Dzon demonstrates how these apocryphal legends fostered a vibrant and creative medieval piety Popular tales about the Christ Child entertained the laity and at the same time were reviled by some members of the intellectual elite of the church In either case such legends so persistent left their mark on theological devotional and literary texts The Cistercian abbot Aelred of Rievaulx urged his monastic readers to imitate the Christ Child s development through spiritual growth Francis of Assisi encouraged his followers to emulate the Christ Child s poverty and rusticity Thomas Aquinas for his part believed that apocryphal stories about the Christ Child would encourage youths to be presumptuous while Birgitta of Sweden provided pious alternatives in her many Marian revelations Through close readings of such writings Dzon explores the continued transmission and appeal of apocryphal legends throughout the Middle Ages and demonstrates the significant impact that the Christ Child had in shaping the medieval religious imagination
