I have/have not (circle one) discussed all my birthing options with my provider.

I'm taking advantage of the Home to Hospital program.

My providers are: _____

and their numbers are: _____

If safe, I will be discharged early to my home birth providers.

Their names and phone numbers are: _____

☐ I do not want to be induced unless absolutely medically necessary.

☐ I am ok to have an induction scheduled.

If I test positive for COVID-19....

My support person with me will be: _____

And the best way to contact them is: _____

They have consented to being with me in the room with a positive COVID-19 diagnosis.

If I test positive for COVID-19, I will... (check all that apply)

☐ chest/breastfeed

☐ pump

☐ supplement with formula

...with the proper PPE and precautions to ensure baby and my safety.

If I test positive for COVID-19, I will be/will not be (circle one) separated from my baby.

In the case of a separation I would like: _____ to stay with the baby.

I consent/do not consent (circle one) to my baby being nasal swab tested for COVID-19.

Birth Rights

**Mary Crock, Laura Smith-Khan, Ron
McCallum, Ben Saul**

Birth Rights:

Birthrights Robert Lee, 2003-09-02 Should surrogacy be allowed What guidelines are needed to control in vitro fertilization programmes What should we tell the children born in the wake of the reproduction revolution about their origins These are typical of the many issues addressed in a book which seeks to challenge the ethical basis for much of the legal regulation of matters surrounding birth First published in hardback in spring 1989 Birthrights deals with a controversial area which continues to be at the centre of much public debate The editors new preface especially written for the paperback edition surveys important developments in legislation since the book s first publication **Birth Rights and Wrongs** Dov Fox, 2019 Introduction Basic civil rights Missing protections Litigation s limits Elusive injuries Courthouse claims Damage awards Procreation deprived Procreation imposed Procreation confounded Fraught remedies Conclusion **Why Human Rights in Childbirth Matter** Rebecca Schiller, 2016-09-15 The human rights in childbirth movement is gathering pace and followers across the globe From Venezuela to the UK via America and Uganda activists midwives mothers doctors and lawyers are coming together to offer rights based solutions to the problems in maternity care Just what are human rights though How do they apply to pregnancy and birth What happens when dignity is absent And how are innovators and educators using human rights principles to revolutionise care for the next generation of women Why Human Rights in Childbirth Matter busts myths around human rights explain just what your rights in pregnancy and birth are how caregivers can champion them and provide practical inspiration for mothers caregivers and campaigners working to improve birth for all women across the world **Inherent Human Rights** Johannes Morsink, 2012-02-28 Confronting the evils of World War II and building on the legacy of the 1776 Declaration of Independence and the 1789 French Declaration of the Rights of Man and of the Citizen a group of world citizens including Eleanor Roosevelt drafted the Universal Declaration of Human Rights Adopted by the United Nations in 1948 the Universal Declaration has been translated into 300 languages and has become the basis for most other international human rights texts and norms In spite of the global success of this document however a philosophical disconnect exists between what major theorists have said a human right is and the foundational text of the very movement they advocate In Inherent Human Rights Philosophical Roots of the Universal Declaration philosopher and political theorist Johannes Morsink offers an alternative to contemporary assumptions A major historian of the Universal Declaration Morsink traces the philosophical roots of the Declaration back to the Enlightenment and to a shared revulsion at the horrors of the Holocaust He defends the Declaration s perspective that all people have human rights simply by virtue of being born into the human family and that human beings have these rights regardless of any government or court action or inaction Like mathematical principles human rights are truly universal not the products of a particular culture economic scheme or political system Our understanding of their existence can be blocked only by madness and false ideologies Morsink argues that the drafters of the Declaration shared this metaphysical view of human rights By denying the inherence of human

rights and their metaphysical nature and removing the concepts of the Declaration from their historical and philosophical context contemporary constructivist scholars and pragmatic activists create an unnecessary and potentially dangerous political fog The book carefully dissects various human rights models and ends with a defense of the Declaration's cosmopolitan vision against charges of unrealistic utopianism and Western ethnocentrism Inherent Human Rights takes exception to the reigning view that the Golden Rule is the best defense of human rights Instead it calls for us to follow the lead of the Declaration's drafters and liberate the idea of human rights from the realm of the political and the juridical which is where contemporary theorists have imprisoned it

A New Literal Translation from the Original Greek, of All the Apostolical Epistles. With a Commentary, and Notes ... To which is Added, a History of the Life of the Apostle Paul ... By James Macknight ... The Fourth Edition. To which is Prefixed, an Account of the Life of the Author, 1809

A New Literal Translation from the Original Greek, of All the Apostolical Epistles James Macknight, 1810

An Open Secret Natalie L. Kimball, 2020-06-12 Many women throughout the world face the challenge of confronting an unexpected or an unwanted pregnancy yet these experiences are often shrouded in silence An Open Secret draws on personal interviews and medical records to uncover the history of women's experiences with unwanted pregnancy and abortion in the South American country of Bolivia This Andean nation is home to a diverse population of indigenous and mixed race individuals who practice a range of medical traditions Centering on the cities of La Paz and El Alto the book explores how women decided whether to continue or terminate their pregnancies and the medical practices to which women recurred in their search for reproductive health care between the early 1950s and 2010 It demonstrates that far from constituting private events with little impact on the public sphere women's intimate experiences with pregnancy contributed to changing policies and services in reproductive health in Bolivia

Birth and Birthgivers Janet Chawla, 2006 This volume presents varied essays exploring women's voices agencies and aesthetics in the traditional handling of childbearing Ayurveda as it comprehends reproduction soars birth songs birth narratives cord cutters dais knowledge and compensation systems as well as analyses of biomedical dominance and erasure of indigenous knowledge all provide a peek behind the purdah in this critical reclamation of tradition

"The" History of English Law Frederick Pollock, Frederic William Maitland, 1968

Law and Ethics for Midwifery Elinor Clarke, 2015-07-24 Legal and ethical competence is a cornerstone of professional midwifery practice and an essential part of midwifery training Law and Ethics for Midwifery is a unique and practical resource for student midwives Written by an experienced midwifery lecturer this text draws on a wide variety of real life case studies and focuses particularly on the core areas of accountability autonomy and advocacy Opening with two chapters providing overviews respectively of ethical theories and legislation the book is then arranged thematically These chapters have a common structure which includes case studies relevant legislation reflective activities and a summary and they run across areas of concern from negligence through safeguarding to record keeping Grounded in midwifery practice the text enables

student midwives to consider and prepare for ethical and legal dilemmas they may face as midwives in clinical practice

Why Neurodivergent Birth Matters Victoria White, 2025-07-10 If you are pregnant and neurodivergent you may need specific support to ensure you have a positive experience of pregnancy birth and the journey into parenthood aligned with key themes including sensory processing communication executive functioning and mental health These support needs are currently poorly understood in perinatal healthcare settings *Why Neurodivergent Birth Matters* aims to promote awareness and understanding of neurodivergent perinatal experiences and to offer practical suggestions to improve perinatal care It is both a guide for birth professionals and a validating and compassionate companion for neurodivergent parents to be and new families

RECENT TRENDS OF MULTIDISCIPLINARY STUDIES IN INDIA Dr. Abdus Salam ,2022-10-16 Amphibians are important components of ecosystems worldwide and are already being negatively affected by contemporary rapid changes in climate Climate strongly affects the distribution abundance and ecology of amphibian species Changes in climate will have impacts on amphibian biodiversity that are not uniform across the globe We highlight geographic areas expected to have more climate change impacts to amphibians in order to target them for biological mitigation and conservation action Although adaptation by amphibians to climate change is happening it will generally be too slow to prevent many negative consequences that will likely happen in the next few decades We review known and potential impacts of climate change on amphibians and make recommendations for research and conservation actions

Supporting Physiological Birth Choices in Midwifery Practice Claire Feeley, 2023-02-28 Highlighting the experiences of midwives who provide care to women opting outside of guidelines in the pursuit of physiological birth Claire Feeley looks at the impact on midwives themselves and explores how teams and organisations support or discourage women s birth choices This book investigates the processes experiences and sociocultural political influences upon midwives who support women s alternative birthing choice and argues for a shift in perspective from notions of an individual s professional responsibility to deliver woman centred care to a broader collective responsibility The book begins by contextualising the importance of quality midwifery care with an exploration of the current debates to demonstrate how hegemonic birth discourse and maternity practices have detrimentally affected physiological birth rates and the wellbeing of women who opt outside of maternity guidelines It provides real life examples of how midwives can facilitate a range of birthing decisions within mainstream midwifery services Moreover an exploration of midwives experiences of delivering such care is presented revealing deeply polarised accounts from moral injury to job fulfilment The polarised accounts are then presented within a new model to explore how a midwife s socio political working context can significantly mediate or exacerbate the vulnerability conflict and stigmatisation that they may experience as a result of supporting alternative birth choices Finally this book explores the implications of the findings looking at how team and organisational culture can be developed to better support women and midwives making recommendations for a systems approach to improving maternity services Discussing the invisible nature of midwifery work

what it means to deliver woman centred care and the challenges and benefits of doing so this is a thought provoking read for all midwives and future midwives It is also an important contribution to interprofessional concerns around workforce development sustainability moral distress and compassion in health and social care *Birth Settings in America* National Academies of Sciences, Engineering, and Medicine, Health and Medicine Division, Division of Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Assessing Health Outcomes by Birth Settings, 2020-05-01 The delivery of high quality and equitable care for both mothers and newborns is complex and requires efforts across many sectors The United States spends more on childbirth than any other country in the world yet outcomes are worse than other high resource countries and even worse for Black and Native American women There are a variety of factors that influence childbirth including social determinants such as income educational levels access to care financing transportation structural racism and geographic variability in birth settings It is important to reevaluate the United States approach to maternal and newborn care through the lens of these factors across multiple disciplines Birth Settings in America Outcomes Quality Access and Choice reviews and evaluates maternal and newborn care in the United States the epidemiology of social and clinical risks in pregnancy and childbirth birth settings research and access to and choice of birth settings **Mainstream Polygamy** Dominique Legros, 2013-09-20 This volume explores the forms of knowledge generated by exoticizing the subject studied It analyzes monogamy in Western cultures from a cultural distance First from the cultural perspective of a Kenyan writer who underlines the moral evils unwittingly generated by a system imposing universal monogamy and generating annual cohorts of illegitimate children Then the essay considers the case of France which starting in the 1970 s changed its laws regarding children born out of wedlock Such children have now become legitimate Unwittingly this has allowed for polygyny or polyandry to become legal options for French males and females The analysis is further extended to Western Europe two Latin American nations and to the contemporary U S A with its polyamory movement where legal outcomes similar to those of France have occurred The volume examines monogamy by using the epistemological approach that is typically used in the anthropological study of cultures other than one's own showing how exotic and strange the system of monogamy can look when observed from afar from the eyes of many non Westerners It gives insight into planes of the human Western experience that would normally remain invisible Students and teachers will delight in the close to home debates stimulated by this evocative thought provoking essay *The English Constitution* Eduard Fischel, 1863 *Home Birth - E-Book* Anna-Marie Madeley, 2023-07-15 As the rate of homebirth increases in the UK this important new book offers a basic practical guide for anyone involved in the planning resourcing and facilitation of safe and respectful birth at home Blending both contemporary academic and clinical practice this textbook covers the whole scope of home birth practice from antenatal care delivery and postnatal care as well as management of emergencies at home and practical advice for managing transfer Facilitating a safe home birth requires a robust multidisciplinary team approach

Whatever your role in planning or attending a birth at home and whether you are a student practising midwife paramedic or obstetrician this resource will have something for you Covers the whole scope of home birth practice for each member the multidisciplinary team Written by leading experts from diverse backgrounds including midwives paramedics obstetricians and neonatal nurses from clinical practice academia and education Presents balanced and unbiased contemporary evidence supporting birth at home Discusses effective care planning from developing a homebirth services practical resources and skills equipment planning and geographical considerations Covers important topics within midwifery including the rise of freebirthing multidisciplinary team working and the care of women with complex biopsychosocial needs or from underrepresented communities Clearly identifies roles and responsibilities of the multidisciplinary team Suitable for midwifery students embarking on a home birth placement

Jesus's Death on the Cross Was a Parable Like Every Other Parable Aaron Hunter EL,2022-08-24 The Bible being political social industrial commercial and legal is a greatly misunderstood book because it is seldomly taught that all of these is what makes up religion religion being a complete way of life This book gives the legal understanding of the parables in the Bible as applied to today s legal system in America It also gives a present day understanding of the biblical tribes and who they are in the present day with a legal understanding of the third degree of freemasonry and full insight on Moorish American law

Freedom and Fulfillment Joel Feinberg,2020-09-01 Dealing with a diverse set of problems in practical and theoretical ethics these fourteen essays three of them previously unpublished reconfirm Joel Feinberg s leading position in the field of legal philosophy With a clarity and humor that will be familiar to readers of his other works Feinberg writes on topics including wrongful life suits in the law of torts or whether there is any sense in the remark that a person is so badly off that he would be better off not existing at all the morality of abortion educational options free expression civil disobedience and the duty of easy rescue in criminal law He continues with a three part defense of moral rights in the abstract a discussion of voluntary euthanasia and an inquiry into arguments of various kinds for not granting legal rights in enforcement of a person s acknowledged moral rights This collection concludes with two essays dealing with concepts used in appraising the whole of a person s life absurdity and self fulfillment and their interplay

The Legal Protection of Refugees with Disabilities Mary Crock,Laura Smith-Khan,Ron McCallum,Ben Saul,2017-08-25 This ground breaking book focuses on the forgotten refugees detailing people with disabilities who have crossed borders in search of protection from disaster or human conflict The authors explore the intersection between one of the oldest international human rights treaties the 1951 Convention relating to the Status of Refugees with one of the newest the Convention on the Rights of Persons with Disabilities CRPD Drawing on fieldwork in six countries hosting refugees in a variety of contexts Malaysia Indonesia Pakistan Uganda Jordan and Turkey the book examines how the CRPD is or should be changing the way that governments and aid agencies engage with and accommodate persons with disabilities in situations of displacement The timeliness of the book is underscored by the adoption in mid 2016 of the UN Charter on Inclusion of

Persons with Disabilities in Humanitarian Action adopted at the World Humanitarian Summit

Whispering the Secrets of Language: An Emotional Journey through **Birth Rights**

In a digitally-driven world where displays reign supreme and immediate connection drowns out the subtleties of language, the profound techniques and emotional subtleties hidden within phrases usually get unheard.
