Birth Control Or Limitation Of Offspring

William Josephus Robinson

Birth Control Or Limitation Of Offspring:

Birth Control; Or, The Limitation of Offspring by Preveception William Josephus Robinson,1928 **Birth Control, Or, The Limitation of Offspring by Preveception** William Josephus Robinson,1926 **Birth Control, Or, the Limitation of Offspring** William J. Robinson M. D.,William J. Robinson,2007-11-01 Originally published in 1916 by the Eugenics Publishing Company of New York this volume addresses the ethical moral and philosophical concepts of Eugenics and birth control advocating fewer and better babies *Birth Control* William Josephus Robinson,1932 **Fewer and Better Babies: Birth Control** William Josephus Robinson,1916 **Birth Control** United States. Congress. House. Committee on Ways and Means,1932 **Birth Control, Or, the Limitation of Offspring** William J. Robinson M. D.,William J. Robinson,2007-11-01 Originally published in 1916 by the Eugenics Publishing Company of New York this volume addresses the ethical moral and philosophical concepts of Eugenics and birth control advocating fewer and better babies Preaching Eugenics Christine Rosen,2004-03-04 With our success in mapping the human genome the possibility of altering our genetic futures has given rise to difficult ethical questions Although opponents of genetic manipulation frequently raise the specter of eugenics our contemporary debates about bioethics often take place in a historical vacuum In fact American religious leaders raised similarly challenging ethical questions in the first half of the twentieth century Preaching Eugenics tells how Protestant Catholic and Jewish leaders confronted and in many cases enthusiastically embraced eugenics a movement that embodied progressive attitudes about modern science at the time Christine Rosen argues that religious leaders pursued eugenics precisely when they moved away from traditional religious tenets The liberals and modernists those who challenged their churches to embrace modernity became the eugenics movement s most enthusiastic supporters Their participation played an important part in the success of the American eugenics movement In the early twentieth century leaders of churches and synagogues were forced to defend their faiths on many fronts They faced new challenges from scientists and intellectuals they struggled to adapt to the dramatic social changes wrought by immigration and urbanization and they were often internally divided by doctrinal controversies among modernists liberals and fundamentalists Rosen draws on previously unexplored archival material from the records of the American Eugenics Society religious and scientific books and periodicals of the day and the personal papers of religious leaders such as Rev John Haynes Holmes Rev Harry Emerson Fosdick Rev John M Cooper Rev John A Ryan and biologists Charles Davenport and Ellsworth Huntington to produce an intellectual history of these figures that is both lively and illuminating The story of how religious leaders confronted one of the era s newest sciences eugenics sheds important new light on a time much like our own when religion and science are engaged in critical and sometimes bitter dialogue Birth Control United States. Congress. Senate. Committee on the Judiciary,1932 Considers legislation to permit importation and distribution through the mails of contraceptives and birth control information **Birth Control** William J. Robinson,2013-10 This is a new release of the

original 1932 edition Birth Control Or the Limitation of Offspring by the Prevention of Conception ... William Josephus Robinson,1922 **The National Union Catalog, Pre-1956 Imprints** ,1968 **Index-catalogue of the Library of the Surgeon-General's Office, United States Army** National Library of Medicine (U.S.),Library of the Surgeon-General's Office (U.S.),1920 Collection of incunabula and early medical prints in the library of the Surgeon general s office U S Army Ser 3 v 10 p 1415 1436 Birth Control, Or, The Limitation of Offspring by Prevenception William L. Robinson,1936

The Birth Control Review Margaret Sanger,1970 Effects of Population Growth on Natural Resources and the Environment United States. Congress. House. Government Operations,1969 *Reproductive Child Health* Rabindra Nath Pati,2002 With special reference to India **The Family Planning Association and Contraceptive Science and Technology in Mid-Twentieth-Century Britain** Natasha Szuhán,2022-08-18 This book offers the first in depth investigation into the relationship between the National Birth Control Association later the Family Planning Association and contraceptive science and technology in the pre Pill era It explores the Association s role in designing and supporting scientific research employment of scientists engagement with manufacturers and pharmaceutical companies and use of its facilities patients staff medical scientific and political networks to standardise and guarantee contraceptive technology it prescribed and produced By taking a micro history approach to the archives of the Association this book highlights the importance of this organisation to the history of science technology and medicine in twentieth century Britain It examines the Association s participation within Western family planning networks working particularly closely with its American counterparts to develop chemical and biological means of testing contraception for efficacy quality and safety

Proceedings, American Philosophical Society (vol. 95, no. 1) , Contraception Donna J. Drucker,2020-04-07 The development manufacturing and use of contraceptive methods from the late nineteenth century to the present viewed from the perspective of reproductive justice The beginning of the modern contraceptive era began in 1882 when Dr Aletta Jacobs opened the first birth control clinic in Amsterdam The founding of this facility and the clinical provision of contraception that it enabled marked the moment when physicians started to take the prevention of pregnancy seriously as a medical concern In this volume in the MIT Press Essential Knowledge series Donna Drucker traces the history of modern contraception outlining the development manufacturing and use of contraceptive methods from the opening of Dr Jacobs s clinic to the present Drucker approaches the subject from the perspective of reproductive justice the right to have a child the right not to have a child and the right to parent children safely and healthily Drucker describes contraceptive methods available before the pill including the diaphragm dispensed at the Jacobs clinic and condom spermicidal jellies and periodic abstinences She looks at the development and dissemination of the pill and its chemical descendants describes technological developments in such non hormonal contraceptives as the cervical cap and timing methods including the rhythm method favored by the Roman Catholic church and explains the concept of reproductive justice Finally Drucker considers the future of contraception the

adaptations of existing methods new forms of distribution and ongoing efforts needed to support contraceptive access worldwide
