**German Republic, 1871-1918. Translated from the German by Ian F. D. Morrow** Arthur Rosenberg,1962      The Oxford Illustrated History of the First World War Hew Strachan,2016 A team of some of the world s most distinguished First World War historians chart the causes course and profound political and human consequences of a conflict that changed the world      **The Oxford History of the First World War** Hew Strachan,2023-07-25 Histories you can trust The First World War now a century ago still shapes the world in which we live and its legacy lives on in poetry in prose in collective memory and political culture By the time the war ended in 1918 millions lay dead Three major empires lay shattered by defeat those of Germany Austria Hungary and the Ottomans A fourth Russia was in the throes of a revolution that helped define the rest of the twentieth century The Oxford History of the First World War brings together in one volume many of the most distinguished historians of the conflict in an account that matches the scale of the events From its causes to its consequences from the Western Front to the Eastern from the strategy of the politicians to the tactics of the generals they chart the course of the war and assess its profound political and human consequences Chapters on economic mobilization the impact on women the role of propaganda and the rise of socialism establish the wider context of the fighting at sea and in the air and which ranged on land from the trenches of Flanders to the mountains of the Balkans and the deserts of the Middle East

**The Armies of Austria-Hungary and Germany, 1740-1914** László M. Alföldi,1975      **The Oxford Handbook of the Weimar Republic** Nadine Rossol,Benjamin Ziemann,2022 The Weimar Republic was a turbulent and pivotal period of German and European history and a laboratory of modernity The Oxford Handbook of the Weimar Republic provides an unsurpassed panorama of German history from 1918 to 1933 offering an indispensable guide for anyone interested in the fascinating history of the Weimar Republic      **The First World War** Hew Strachan,2003-02-06 This is the first truly definitive history of the First World War the war that has done most to shape the twentieth century The first generation of its historians had access to only a limited range of sources and their focus was primarily on military events More recent approaches have embraced cultural diplomatic economic and social history In Hew Strachan s authoritative and readable history these fresh perspectives are incorporated with the military and strategic narrative The result is an account that breaks the bounds of national preoccupations to become both global and comparative To Arms the first of three volumes in this magisterial study examines not only the causes of the war and its opening clashes on land and sea but also the ideas that underpinned it and the motivations of the people who supported it It provides full and pioneering accounts of the war s finances of the war in Africa and of the Central Powers bid to widen the war outside Europe      Hitler's Germany Roderick Stackelberg,2002-01-22 This book provides a comprehensive history of Nazi Germany and sets it in the wider context of 19th

and 20th century German history It analyses how a culture of such creativity and achievement could generate such barbarism and destructivity      Film and the German Left in the Weimar Republic Bruce Murray, 2010-07-05 The Weimar Republic of Germany covering the post World War I period of civil and governmental strife witnessed a great struggle among a variety of ideologies a struggle for which the arts provided one important arena Leftist individuals and organizations critiqued mainstream art production and attempted to counter what they perceived as its conservative to reactionary influence on public opinion In this groundbreaking study Bruce Murray focuses on the leftist counter current in Weimar cinema offering an alternative critical approach to the traditional one of close readings of the classical films Beginning with a brief review of pre Weimar cinema 1896 1918 he analyzes the film activity of the Social Democratic Party the German Communists and independent leftists in the Weimar era Leftist filmmakers journalists and commentators who in many cases contributed significantly to marginal leftist as well as mainstream cinema have until now received little scholarly attention Drawing on exhaustive archival research and personal interviews Murray shows how the plurality of aesthetic models represented in the work of individuals who participated in leftist experiments with cinema in the 1920S collapsed as Germany underwent the transition from parliamentary democracy to fascist dictatorship He suggests that leftists shared responsibility for that collapse and asserts the value of such insights for those who contemplate alternatives to institutional forms of cinematic discourse today      *Dangerous Alliances* Patricia A. Weitsman, 2004 Military alliances drive international politics They embody conflict and cooperation among states and shape the international political landscape Despite the profound effect alliances have on the course of international politics many gaps remain in our understanding of their formation continuance and cohesion In this book Patricia Weitsman introduces a comprehensive theory that unifies current ideas about alliances and examines the relationship between threat and alliance politics under conditions of both war and peace Examining military alliances before and during World War I Weitsman provides a new interpretation of the politics of the great powers of this period She reveals that states frequently form alliances to keep peace among the allied countries not simply to counter shared external threats Though alliances may be perceived by others to present a unified and threatening front countries often face significant threats from within their own alliances It is this paradox that underscores Weitsman s theory although alliances are frequently forged to sustain peace they may in fact increase the prospects of war      Hitler's Ambivalent Attaché Alfred M. Beck, 2014-05-27 Friedrich von Boetticher was Germany s only military attach accredited to the United States between the world wars As such he was Germany s official military observer in the capital of the nation whose potential as an ally of those powers arrayed against Adolf Hitler in the 1930s might have given the dictator pause in any predatory plans he harbored against his neighbors Though von Boetticher produced a rich and detailed commentary on military and political affairs in Washington in the eight years prior to the outbreak of war between Germany and the United States in 1941 he was nonetheless accused after the war of misjudging America s productive potential and misleading Hitler

with overly optimistic reports As Alfred M Beck points out what he actually told German authorities in Berlin is strikingly different from what his detractors later claimed Von Boetticher permits a glimpse into the sociology of a conservative officer caste at once assailed by the politics of a regime and the impossibilities imposed on it its weaknesses in resisting its evils and its eventual failure to present an alternative to National Socialism s illusory attractions A loyal German von Boetticher had strong ties to America His mother was American born he spoke English fluently and he was enamored of American military history He was also anti Semitic and believed that Jewish wire pullers had undue influence over the U S government and its policies His professional ties to U S Army officers in the War Department were so strong supplying them for example with details on German air strength and operations during the Battle of Britain in 1940 that they survived until August 1941 and long after the German ambassador himself had been recalled Torn between his duty to Germany though the Nazi regime had attempted to harm his son and his deep affection for America von Boetticher stood among the broad middle range of German officials who were neither perpetrator nor victim

**Ideology and Interests in the German State (RLE: German Politics)** Gary Bonham, 2014-12-17 This book addresses major theoretical issues in the fields of public administration and comparative politics It discusses the role which ideology played as a unifying force for at least parts of the German state bureaucracy in Wilhelmine Germany The examination of a modernizing ideology in the German case is useful for an understanding of the political dynamics of state led modernization and industrial strategy in many contemporary societies and the author explains political behaviour and relations in Germany in general terms that are universally relevant

**Germany: The Long Road West** Heinrich August Winkler, 2006-10-12 Vivid succinct and highly accessible Heinrich Winkler s magisterial history of modern Germany offers the history of a nation and its people through two turbulent centuries It is the story of a country that while always culturally identified with the West long resisted the political trajectories of its neighbours This first volume of two begins with the origins and consequences of the medieval myth of the Reich which was to experience a fateful renaissance in the twentieth century and ends with the collapse of the first German democracy Winkler offers a brilliant synthesis of complex events and illuminates them with fresh insights He analyses the decisions that shaped the country s triumphs and catastrophes interweaving high politics with telling vignettes about the German people and their own self perception With a second volume that takes the story up to reunification in 1990 Germany The Long Road West will be welcomed by scholars students and anyone wishing to understand this most complex and contradictory of countries

*T.I.D.C. Project*, 1945 *Admiral Von Hipper* Tobias R. Philbin, 1982 This work aims to constitute an objective analysis of a German World War I naval combat commander within his proper context by closely defining both the military technical and military political milieux in which Franz Hipper operated The description of Hipper s actions in the battles of Dogger Bank and Jutland and his handling of communications airships and the new technologies of war demonstrate the importance of the military environment The volume also provides a glimpse into the decision making process involved in the construction of

German battle cruisers and the impact these decisions had in combat      **The Third Revolution** Murray Bookchin,1996-01-01 Comprehensive account of the great revolutions that swept over Europe and America      Industrial Unemployment in Germany 1873-1913 Linda A. Heilman,2017-06-14 Originally published in 1991 this book provides a multifaceted analysis of German unemployment between 1873 and 1913 It can also be read as an example of social scientific historiography during the fourth quarter of the twentieth century Finally the study has value for the comparative perspective it lends to current economic social and political turmoil in Germany Europe and the United States While the precise conditions in the USA differ today there are clearly still lessons to be learned on both sides of the Atlantic from the economic social and political dislocation which accompanied industrial unemployment in Germany between 1873 and 1913

## **Birth Of The German Republic 1871 1918 Introduction**

In today's digital age, the availability of Birth Of The German Republic 1871 1918 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Birth Of The German Republic 1871 1918 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Birth Of The German Republic 1871 1918 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Birth Of The German Republic 1871 1918 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Birth Of The German Republic 1871 1918 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Birth Of The German Republic 1871 1918 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Birth Of The German Republic 1871 1918 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Birth Of The German Republic 1871 1918 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement.
