Coming Full Circle: One Woman'S Journey Through Spiritual Crisis Carol L. Noyes, 2014-08-13 Her journey of recovery from bipolar disorder and her insights are described in this book an autobiography of Carol Noyes When Carol went through mid life crisis in the spring of 2006 her world was turned upside down Carol was able to wean herself off drugs after over four years on psychiatric medications She found natural alternatives that effectively helped her to recover and to lead a productive life Carol believes that the current medical paradigm is inadequate and often unable to help individuals to heal and to bounce back Carol nearly died from a combination of the swine flu and lithium poisoning Her descent to the bottom of the metaphorical well provided the impetus for her to research non drug therapies These therapies along with faith hope and courage brought Carol back to a peaceful life Carol recounts her life and investigates the factors that precipitated imbalance She writes about her extraordinary experiences during expanded states of consciousness She also delves into the world of symbols and mythologies describing how they became poignant for her Carol calls her experience a time of spiritual

awakening a time of developing self esteem learning to love herself and finding her true purpose She hopes that her insights will help others going through spiritual crisis Those interested in humanistic psychology personal growth and spirituality may find this book fascinating Old Believers Irina Paert,2003 Since the late 1960s American literature has been revitalised by the work of writers such as Toni Morrison Sherman Alexie Sandra Cisneros and Maxine Hong Kingston An introduction to the study of ethnic American fictions organised into four sections each written by a specialist in the fields of African American Asian American Chicano a and native American literature Writers are discussed in their cultural political contexts and literary traditions rather than as exceptions or as individuals or on a generic basis The book highlights common themes in ethnic writing as well as specificities and has extensive suggestions for further reading as well as a critical introduction regarding the concept of ethnic writing No competing titles there are no textbooks no beginners books nor any systematised combination of ethnic fictions such as this only edited collections on each area A Woman's Cry for Help R.D. Coles,2003-10 *Of Death and Birth* Barbara Schuler,2009 Scholars of popular Hindu religion in India have always been fascinated by oral texts and rituals but surprisingly only few attempts have as yet been made to analyse the relationship between rituals and texts systematically This book contributes to the filling of this gap Focusing on the dynamics of a local non Brahmanical ritual its modular organisation and inner logic the interaction between narrative text and ritual and the significance of the local versus translocal nature of the text in the ritual context the study provides a broad range of issues for comparison It demonstrates that examining texts in their context helps to understand better the complexity of religious traditions and the way in which ritual and text are programmatically employed The author offers a vivid description of a hitherto unnoticed ritual system along with the first translation of a text called the Icakkiyamman Katai IK Composed in the Tamil language the IK represents a substantially longer and embellished form of a core versio which probably goes as far back as the seventh century C E Unlike the classical source this text has been incorporated into a living tradition and is being constantly refashioned A range of text versions have been encapsulated in the form of a conspectus which will shed light on the text s variability or fixity and will add to our knowledge of bardic creativity Includes a film by the author on DVD The Man and Woman Spiritual Center Christopher Alan Anderson,2012-09-18 An articulation of the consciousness necessary from which the spirits of man and woman may unite in perfect love Keywords Man and Woman Balance Relationships Procreation Spirituality Love Metaphysics Eternal Creation Sexuality Soul The True Christian Gospel Orlando A. God Really Is A Woman
Virgil Leroy Pace, 2010-07-01 God Really Is a Woman When we say God is really a woman we have come to this conclusion by both Scriptural proof and logic God is perfect in all things Therefore He is perfect in logic We see in the Scriptures that God is three persons the Father the Son and the Holy Spirit Jesus speaking to His twelve apostles said in Matthew 28 Go ye into all the world and preach the Gospel baptizing in the name of the Father and of the Son and of the Holy Ghost The popular belief is that the Virgin Mary is the mother of Jesus The scriptures show that the Holy Spirit is the Mother which we will see The Holy Spirit descended from the clouds in the form of a dove What a wonderful beautiful picture of the blessed Holy Spirit Mother We cannot learn the truth of God from the manuscripts A lifetime of study of them wouldn't reveal the truth of the Holy Spirit It has been lost in the translations But not in God's Word Jesus said Heaven and earth will pass away but my word

will not pass away The Father the Son and the Holy Spirit Father Son Mother is a perfect picture and example of a perfect family by which every family should strive to imitate *FREE to SERVE, God's Liberated Woman* Jennifer Wallace,2006
