metaphysical wisdom possessed by the greatest of lost ancient civilizations a culture so advanced that none of the trappings of civilization as we know it were needed explaining why there is no evidence of civilization as we know it left to testify to its existence The author s consummate synthesis reveals the Message in a Bottle reserved for humanity including the Cosmology and Mysticism of mankind Before the Fall when as the ancient texts tell us man walked and talked with the gods Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind or at least a portion of mankind has the opportunity to regain his standing as The Child of the King in the Golden Age If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world then surely The Secret History of the World and How to Get Out Alive is it **The Inner Life of Christ, as Revealed in the Gospel of Matthew.
