Missouri's Wicked Route 66 Lisa Livingston-Martin,2013-04-16 Tracing Route 66 through Missouri represents one of America s favorite exercises in nostalgia but a discerning glance among the roadside weeds reveals the kind of sordid history that doesn t appear on postcards Along with vintage cars and picnic baskets Route 66 was a conduit humming with contraband and crackling with the gunplay of folks like Bonnie and Clyde Jesse James and the Young brothers It was also the preferred byway of lynch mobs murderous hitchhikers and mad scientists Stop in at places like the Devil s Elbow and the Steffleback Bordello on this trip through the more treacherous twists of the Mother Road **Portrait of Route 66 T.**

Lindsay Baker,2016-09-20 By the time Route 66 received its official numerical designation in 1926 picture postcards had become popular travel souvenirs At the time these postcards with colorful images served as advertisements for roadside businesses While cherished by collectors these postcard depictions do not always reflect reality They often present instead a view enhanced for promotional purposes Portrait of Route 66 lets us see for the first time the actual photographs from which the postcards were made and in describing how the production process worked introduces us to an extraordinary archival collection adding new history to this iconic road The Curt Teich Postcard Archives held at the Lake County Discovery Museum in Wauconda Illinois contains one of the nation s largest collections of Route 66 images including thousands of job files for postcards produced by Curt Teich and Company of Chicago T Lindsay Baker combed these files to choose the best examples of postcards and their accompanying photographs not only to reflect well known sites along the route but also to demonstrate the relationships between photographs and their resulting postcards The photographs show the reality of the locations that customers sometimes wanted improved for aesthetic purposes in creating the postcards Such alterations included removing utility poles or automobile traffic and rendering overcast skies partly cloudy This book will interest historians of art and design as well as the worldwide audiences of Route 66 aficionados and postcard collectors For its mining of an invaluable and little known photographic archive and depiction of high quality photographs that have not been seen before Portrait of Route 66 will be irresistible to all who are interested in American history and culture *Moon Route 66 Road Trip* Jessica Dunham,2021-10-19 Moon Route 66 Road Trip reveals the ins and outs of this iconic highway from sweeping prairies and retro roadside pit stops to the stunning vistas of the Southwest Inside you ll find Maps and Driving Tools 38 easy to use maps detail the existing roads that comprise the original Route 66 along with site to site mileage driving times detailed directions for the entire route and full color photos throughout Eat Sleep Stop and Explore With lists of the best hikes bites roadside curiosities and more you can admire extraordinary landscapes like Acoma Pueblo or Joshua Tree National Park explore big cities like Los Angeles and Chicago or wander abandoned ghost towns Immerse yourself in classic
