Paradise Rediscovered Michael A. Cahill, 2012 In a long forgotten era, an age of slavery of glorious new scientific innovations, revolutionary wonders, warrior heroes, Titans, Druids and bards, magicians, dragons and serpents, of angels and gods, an age of immortality and sacrificial death of oppression, exploitation, social upheaval, indeed the age of the catastrophic biblical flood and the fulcrum to social structure of the struggle for control of the closely guarded secret and eternal wisdom of the undying Holy Elect of Paradise, in a long forgotten era, a man, just a mortal man, may have escaped his death by usurping the power of the goddess and her people to his own ends in a political coup that changed his world and produced ours. Join Dr. Michael Cahill as he explores the origins of civilisation using information from history, archaeology, mythology, linguistics, geology, astronomy and philosophy to learn more about who we are. *Paradise Rediscovered* will challenge your intellect and spur your imagination as you journey with him to uncover secrets, solve mysteries and consider the foundations that shaped our modern society and may yet change its face again. Note: This title is published as a two volume work in its physical edition and as a complete work in its digital editions.

Israelology - The Birthright, House of Israel, Kingdom, and Sons of God Paul H. Andree, III, 2008-03-29 The Houses of Israel and Judah dominate the scriptures from the time of King David until they both were sent into captivity. Each House had a destiny to fulfill. These destinies are being worked out today. What drives the destiny of these Houses? The Birthright is a term that many in the Church are aware of but without an understanding of its presence throughout the scriptures. It is manifested as the Dominion Mandate and the Fruitfulness Mandate through the Houses of Israel and Judah. What are the implications for the coming Kingdom of God and the Sons of God? We cannot know or comprehend this answer unless we understand the many foundational scriptures and concepts that establish God's Heart and Plan for the last days. This study will challenge each person to be teachable and open to another perspective of God's Plan for Redemption. God will reveal His Plan for you and your place in His Coming Kingdom. God is maturing His Believers to rule and reign with Him.
